Amor Ch'a Nullo Amato Amar Perdona Sep 04 2022 ITALIANO: "Facile l'ispirazione d'Amore al cuore d'un poeta. Immediata, potente, frastornante, dirompente. L'amore è fugace, l'Amore è eterno; l'Amore è illusorio, l'amore è certezza; l'amore confonde, l'Amore aride; l'Amore si veste di fisicità; l'amore è da fisicità velato, l'Amore si traveste di sesso e seduce, l'amore si denuda sensuale. L'Amore talora è amore. L'amore rare volte è Amore. Nel tempo ho lasciato ch'esso m'affliggesse, m'adulasse, m'illudesse, giocasse con me. Nel tempo l'ho cantato nelle sue molteplici espressioni, affliggendolo, adulandolo, illudendolo e con esso giocando. Oggi ancora lo canto, raccogliendo le poesie che fin'ora m'ha ispirato...". Così l'autore presenta la sua prima raccolta composta da 66 poesie d'amore: "AMOR CH'A NULLO AMATO AMAR PERDONA". In italiano, ma senza disdegnare sporadiche incursioni in altre lingue (russo, inglese, francese...). ENGLISH: Collection of 66 poems about love in Italian (but something is even in Russian, English, French, ...). ESPERANTO: Kolekto de 66 poemoj pri amo ital-lingve (tamen io ankaux ruse, angle, france, ...).

Love's Knowledge Sep 23 2021 This volume brings together Nussbaum's published papers on the relationship between literature and philosophy, especially moral philosophy. The papers, many of them previously inaccessible to non-specialist readers, deal with such fundamental issues as the relationship between style and content in the exploration of ethical issues; the nature of ethical attention and ethical knowledge and their relationship to written forms and styles; and the role of the emotions in deliberation and self-knowledge. Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity, and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules. She argues that this ethical conception cannot be completely and appropriately stated without turning to forms of writing usually considered literary rather than philosophical. It is consequently necessary

to broaden our conception of moral philosophy in order to include these forms. Featuring two new essays and revised versions of several previously published essays, this collection attempts to articulate the relationship, within such a broader ethical inquiry, between literary and more abstractly theoretical elements.

Constructing Cultures Aug 23 2021 This collection brings together two leading figures in the discipline of translation studies. The essays cover a range of fields, and combine theory with practical case studies involving the translation of literary texts.

The Divine Comedy and the Encyclopedia of Arts and Sciences Oct 13 2020 The guiding principle of this volume is the concept of the artes liberales, the trivium and quadrivium, as branches of learning that are rooted in Dante Alighieri's mind. The present volume contains essays by leading international scholars on the various scientific and artistic disciplines which form the background, sources, and presence in Dante's opus.

Dante's Craft Aug 03 2022 *Dante's Craft* was first published in 1969. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. In a series of nine essays, Professor Cambon discusses Dante's language and style and the influence of his poetry on later writers. The first section, a group of six essays, is devoted to the critical studies of Dante's own work. A second section consists of chapters devoted to Dante's influence on the eighteenth-century Italian philosopher Giambattista Vico, on certain American writers, chiefly Herman Melville, Nathaniel Hawthorne, Ezra Pound, and T.S. Eliot, and on the contemporary Italian poet Eugenio Montale. The pertinence of Dante today is emphasized by Professor Cambon in his introduction to the volume. He writes: "Dante's viability for modern literature springs from the depth and latitude of his own probing into the tangled darkness and light of human existence; and, as some of the essays here collected attempt to show, I have come to believe that Dante can give invaluable clues to the reader of contemporary poetry, whether in its expression of derangement in a new Dark Wood or in its rare glimpses of felicity and wholeness."

Veronica Franco in Dialogue Jan 16 2021 Since the late twentieth century, the Venetian courtesan Veronica Franco has been viewed as a triumphant proto-feminist icon: a woman who celebrated her sexuality, an outspoken champion of women and their worth, and an important intellectual and cultural presence in sixteenth-century Venice. In *Veronica Franco in Dialogue*, Marilyn Migiel provides a nuanced account of Franco's rhetorical strategies through a close analysis of her literary work. Focusing on the first fourteen poems in the *Terze rime*, a collection of Franco's poems published in 1575, Migiel looks specifically at back-and-forth exchanges between Franco and an unknown male author. Migiel argues that in order to better understand what Franco is doing in the poetic collection, it is essential to understand how she constructs her identity as author, lover, and sex worker in relation to

this unknown male author. Veronica Franco in Dialogue accounts for the moments of ambivalence, uncertainty, and indirectness in Franco's poetry, as well as the polemicism and assertions of triumph. In doing so, it asks readers to consider their ideological investments in the stories we tell about early modern female authors and their cultural production.

Vertical Readings in Dante's Comedy Nov 13 2020 Vertical Readings in Dante's Comedy is a reappraisal of the poem by an international team of thirty-four scholars. Each vertical reading analyses three same-numbered cantos from the three canticles: Inferno i, Purgatorio i and Paradiso i; Inferno ii, Purgatorio ii and Paradiso ii; etc. Although scholars have suggested before that there are correspondences between same-numbered cantos that beg to be explored, this is the first time that the approach has been pursued in a systematic fashion across the poem. This collection - to be issued in three volumes - offers an unprecedented repertoire of vertical readings for the whole poem. As the first volume exemplifies, vertical reading not only articulates unexamined connections between the three canticles but also unlocks engaging new ways to enter into core concerns of the poem. The three volumes thereby provide an indispensable resource for scholars, students and enthusiasts of Dante. The volume has its origin in a series of thirty-three public lectures held in Trinity College, the University of Cambridge (2012-2016) which can be accessed at the 'Cambridge Vertical Readings in Dante's Comedy' website.

Amor, ch'a nullo amato amar perdona Apr 30 2022 Tutti conosciamo la storia di Paolo e Francesca, gli amanti raccontati da Dante nel quinto canto della Divina Commedia. La donna narra, su richiesta del poeta, la vicenda che toccò in sorte a lei e al suo amante, il loro peccaminoso amore che fu causa della loro morte. Nel 1275, Francesca da Polenta è indotta con l'inganno a sposare Gianciotto Malatesta ma si innamora ricambiata del cognato Paolo. Mentre leggevano estasiati la storia di Lancillotto e Ginevra, si diedero un casto bacio (questo è ciò che Dante fa dire a Francesca) e proprio in quell'istante Gianciotto li sorprese; accecato dalla gelosia estrasse la spada e li uccise entrambi. Dante mette gli sventurati amanti all'inferno perché si sono macchiati di un peccato gravissimo, ma li fa vagare assieme: oltre la pena, che non abbiano anche quella della solitudine eterna. Una storia d'amore e d'inganno, dunque, finita in tragedia. Nel corso dei secoli poeti, musicisti, letterati, pittori e scultori si sono ispirati alla tragedia di Paolo e Francesca e ancor oggi la loro storia d'amore, avvolta in un alone di mistero, affascina migliaia di persone. Il romanzo si propone di rivisitare la storia da una prospettiva inedita lasciando che sia Gianciotto a raccontare in prima persona gli avvenimenti, a distanza di circa vent'anni, mentre attende che si compia la vendetta del nipote. Alessandra Casati dà voce a un personaggio scomodo che la storia e la leggenda hanno preferito relegare nell'ombra e fissare nel ruolo di cattivo. Un romanzo breve intenso e bellissimo.

Dante's Lyric Redemption Jan 28 2022 Dante's Lyric Redemption offers a re-examination of two strongly interrelated aspects of the poet's work: the role and value he ascribes to earthly love and his relationship to the Romance lyric tradition of his time. It argues that an account of Dante's poetic journey that posits a stark division between earthly and divine love, and between the secular lyric poet and the Christian auctor, does little justice to his highly distinctive and often polemical handling of these categories. The book firstly contextualizes, traces, and accounts for Dante's intriguing commitment to love poetry, from the 'minor works' to the Commedia. It highlights his attempts, especially in his masterpiece, to overcome normative oppositions in formulating a uniquely redemptive vernacular poetics, one oriented towards the eternal while rooted in his affective, and indeed erotic, past. It then examines how this matter is at stake in Dante's treatment of three important lyric predecessors: Guittone d'Arezzo, Arnaut Daniel, and Folco of Marseilles. Through a detailed reading of Dante's engagement with these poets, the book illuminates his careful departure from a dualistic model of love and conversion and shows his erotic commitment to be at the heart of his claims to pre-eminence as a vernacular author.

Eranos Yearbook 70: 2009/2010-2011 Apr 06 2020 The 70th volume of the Eranos Yearbooks presents the work of the last three years of activities at the Eranos Foundation (2009-2011). It includes the papers given on the theme of the 2011 conference, About Fragility in the Contemporary World, together with talks given on the occasion of the seminar cycle entitled,

Eranos Jung Lectures, which took place during the years 2010-2011 to commemorate the 50th anniversary of Carl Gustav Jung's passing. Eminent international scholars gathered to share their work, presented here primarily in English, along with some chapters in Italian. This publication carries additional special meaning in further consolidating the collaboration with the Fetzer Institute by presenting the manuscripts of the Dialogues on the Power of Love, held at Eranos between 2008 and 2011. This project follows the path of the original model of Eranos, especially the aspect of dialogue, searching for understanding and deepening crucial themes in the contemporary world. Contents: 2011 Eranos Conference: About Fragility in the Contemporary World 2008-2011 Fetzer Institute Dialogues at Eranos - The Power of Love: - Love in the Esoteric Traditions - Love in the History of Eranos - Love and Beauty in the Visual Arts - Love and the Social Bond - Love and the Musical Arts 2010-2011 Eranos-Jung Lectures The Greek word 'Eranos' means a 'banquet', to which every guest contributes. From 1933 onwards, the Eranos Conferences took shape in Ascona-Moscia (Switzerland), springing from the idea of Olga Fröbe-Kapteyn to create a 'Meeting Place of East and West'. Under the influence of the psychologist Carl Gustav Jung and other prominent leaders of that era, the Eranos Conferences found their way towards symbolical, archetypal, and mythological motifs. The Eranos gathering is symbolized by its famous Round Table, the image and meaning of which inspired many of the leading thinkers of the 20th century. For more than 70 years, depth psychologists, philosophers, theologians, orientologists, historians of religions as well as natural scientists find at Eranos a unique place where they could meet and exchange views. The rich collection of Eranos Yearbooks bears testimony to an immense and original work accomplished in various fields of learning.

Essays on English and American Literature Mar 06 2020 The late Leo Spitzer enjoyed a reputation as one of the twentieth century's outstanding philologists and linguists. His writings in the field of the romance languages and of comparative philology have been always stimulating, often controversial. This collection presents his essays in English and American literature which appeared in various journals and other publications during his lifetime. They range from an explication de texte of three great Middle English poems, through close scrutiny of writings of Donne, Milton, Keats, to a consideration of Edgar Allan Poe and Whitman, and, finally, to one of Yeats' poems. Each of the essays in this collection is illuminated and heightened by Professor Spitzer's careful and imaginative exegesis. The delightful "American Advertising Explained as Popular Art" is included as a sample of Professor Spitzer's commentary on American culture. Originally published in 1962. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
