Screen Tastes Mar 30 2022 Charlotte Brundson's key writings on film and television are brought together with new introductions which contextualise and update the arguments. The focus is on the tastes and pleasures of the female consumer as she is produced by popular film and television.

Prime Time Soap Operas on Indian Television Jun 20 2021 This book examines the phenomenon of prime time soap operas on Indian television. An anthropological insight into social issues and practices of contemporary India through the television, this volume analyzes the production of soaps within India's cultural fabric. It deconstructs themes and issues surrounding the "everyday" and the "middle class" through the fiction of the "popular". In its second edition, this still remains the only book to examine prime time soap operas on Indian television. Without in any way changing the central arguments of the first edition, it adds an essential introductory chapter tracking the tectonic shifts in the Indian "mediascape" over the past decade - including how the explosion of regional language channels and an era of multiple screens have changed soap viewing forever. Meticulously researched and persuasively argued, the book traces how prime time soaps in India still grab the maximum eyeballs and remain the biggest earners for TV channels. The book will be of interest to students of anthropology and sociology, media and cultural studies, visual culture studies, gender and family studies, and also Asian studies in general. It is also an important resource for media producers, both in content production and television channels, as well as for the general reader.

[A Soap Opera from Hell](#) Sep 11 2020 This non-fiction collection is Clive Sinclair's responses in occasional writings to personal tragedy and public traumas. Contents include a piece on his appearance, Cabbage Face, to a description of his wife's death and an account of his kidney replacement operation.

Soap Opera Super Couples Aug 30 2019 A television genre best known for romantic storytelling, daytime soap operas have for decades spun tales of couples embroiled in passion, lust and adventure. Yet it was not until the early 1980s that star-crossed lovers became standard and the term "super couple" was coined by the media, marking a new era of experimentation and growth in daytime soaps. This book documents the phenomenon, tracing its history, legacy and impact on the soap opera industry and on popular culture at large.

*Speaking of Soap Operas Jul 02 2022 From "Ma Perkins" and "One Man's Family" in the 1930s to "All My Children" in the 1980s, the soap opera has captured the imagination of millions of American men and women of all ages. In *Speaking of Soap Operas*, Robert Allen undertakes a reexamination*

*The Survival of Soap Opera Oct 05 2022 The soap opera, one of U.S. television's longest-running and most influential formats, is on the brink. Declining ratings have been attributed to an increasing number of women working outside the home and to an intensifying competition for viewers' attention from cable and the Internet. Yet, soaps' influence has expanded, with serial narratives becoming commonplace on most prime time TV programs. *The Survival of Soap Opera* investigates the causes of their dwindling popularity, describes their impact on TV and new media culture, and gleans lessons from their complex history for twenty-first-century media industries. The book contains contributions from established soap scholars such as*

Robert C. Allen, Louise Spence, Nancy Baym, and Horace Newcomb, along with essays and interviews by emerging scholars, fans and Web site moderators, and soap opera producers, writers, and actors from ABC's *General Hospital*, CBS's *The Young and the Restless* and *The Bold and the Beautiful*, and other shows. This diverse group of voices seeks to intervene in the discussion about the fate of soap operas at a critical juncture, and speaks to longtime soap viewers, television studies scholars, and media professionals alike.

Soap Opera Confidential Aug 23 2021 Soap operas have captured loyal, often lifelong viewers since the first American daytime serial debuted in 1949. In this collection of 29 new and five classic essays and recollections, authors and soap opera insiders delve into the passion for television melodrama that compels viewers to "tune in tomorrow." The contributors include iconic soap star Thorsten Kaye, journalist Leigh Montville, authors Elinor Lipman and Ann Hood, and editors of *Soaps in Depth* magazine. They explore the soap phenomenon from a range of perspectives and consider the appeal of a venerable genre in which, as novelist Jacquelyn Mitchard observes, "everyone's life was more depressing than mine."

Performance and Politics in Popular Drama May 08 2020 Since the beginning of the nineteenth-century, many forms of theatre have been called 'popular', but in the twentieth-century the term 'popular drama' has taken on definite political overtones, often indicating a repudiation of 'commercial theatre'. Does this mean that political theatre is or tries to be more attractive to more people than commercial theatre? Does it conversely mean that commercial theatre has no political effects? The articles in this book were submitted as papers for a conference on the theme of 'popular' theatre, film and television. Contributions came from people with very different types of experience: from an ex-animal trainer to a lecturer in film studies; from playwrights, directors and actors to professional critics and academics. Each author focused on a particular problem of defining drama in performance, drawing together the conditions of performance, the types of audience and the political effects of the plays or films in question. The result was a series of fruitful connections and juxtapositions that shows the remarkable continuity of the problems raised in attempts to create a popular political drama.

Soap Star Dec 03 2019 When Jessica and Elizabeth win roles in Jessica's favorite soap, which had been looking for a set of beautiful blonde twins for a special week-long storyline, Jessica becomes carried away with the publicity. Original.

Tune In, Log On Feb 03 2020 An ethnographic study of an Internet soap opera fan group. Bridging the fields of computer-mediated communication and audience studies, it shows how verbal and non verbal communicative practices create collaborative interpretations and criticism, group humour, interpersonal relationships, group norms and individual identity.

Worlds Without End Aug 03 2022 A volume commemorating the December 1997 exhibition

The Soap Opera Encyclopedia Sep 04 2022

Historical Dictionary of American Radio Soap Operas Jul 10 2020 The period from 1925 to 1960 was the heyday of the American Radio Soap Opera. In addition to being part of popular culture, the soap opera had important commercial aspects as well that were not only related to their production, but also to the desperate need to sell products or perish. Both sides of this story are traced in this comprehensive compendium. The dictionary section, made up of more than 500 cross-referenced entries, provides brief vignettes of the more popular and also less well-known 'soaps,' among them *Back Stage Wife*, *Our Gal Sunday*, *Pepper Young's Family* and *The Guiding Light*. Other entries evoke those who brought these programs to life: the actors, announcers, scriptwriters, networks, and even the sponsors. Nor are the basic themes, the stock characters and the gimmick, forgotten. The book's introduction defines the soap opera, examines the span of the radio serial, reviews its origins and its demise, and focuses on the character types that made up its denizens. The chronology outlines the period and the bibliography offers further reading. Together, these elements make a comprehensive reference work that researchers will find invaluable long into the future.

The Very Best Swear Adult Coloring Book: Hand-Drawn Fun Mandala, Paisley Or Fantastical Patterns with Swear Words Nov 01 2019 BRAND NEW FOR 2021 A PERFECT FUN STRESS RELIEVING GIFT IDEA SUITABLE FOR ALL AGES AND ALL LEVELS OF COLORING EXPERIENCE 100% HAND-DRAWN by Myself for You, NO CLIP ART, NO REPEATS, NO RIP OFF COPIES Please use the Amazon 'LOOK INSIDE' Feature to see all the Quality Illustrations available to color in FEATURES Swearing, insults, and rude obscenities to color as you relax your mind, body, and soul; aiming to assist the pursuit of your own wellness. One moment I'm enjoying my teen life and boom--someone close to me dies tragically. I get married and envision living happily ever after and boom--my husband hits me so hard I fall to the floor. Moving forward I live with a man who tells me all the time how much he loves me and boom--all that time he is married. There's a song by George Strait titled "All My Exes Live in Texas"--well, all my exes are from hell! I can vividly hear the voice of the opening of the soap opera Days, as a child I was in awe looking at that hourglass while listening to the announcer say, "Like the sands through the hourglass, so are the days of our lives." That hourglass is me with the addition of me always having a positive attitude. This book is a collection of memories that I choose to share.

Soap Opera History Jan 28 2022 An introduction to the slow-moving world of soap operas includes reviews of major storylines, histories of how each show began, cast lists, and other information on both daytime and evening serials

Masculinity and Popular Television Jan 04 2020 This book is a comprehensive and accessible introduction to the key debates concerning the representation of masculinities in a wide range of popular television genres. The volume looks at the depiction of public masculinity in the soap opera, homosexuality in the situation comedy, the portrayal of fatherhood in prime-time animation, emerging manhood in the supernatural teen text, alternative gender roles in science fiction, male authority in the police series, masculine anxieties in the hospital drama, violence and aggression in sports coverage, ordinariness and emotional connectedness in the reality game show, and domesticity in lifestyle television. Masculinity and Popular Television examines the ways in which masculinities are being constructed, circulated and interrogated in contemporary British and American programming, and considers the ways in which such images can be understood in relation to the 'common sense' model of the hegemonic male that is said to dominate the cultural landscape.

Soap Opera May 20 2021 A reporter investigates Procter & Gamble, the thirteenth largest company in the U.S., revealing painful facts about a control-obsessed corporation not afraid to bend the rules for its own benefit

Peyton Place Oct 13 2020 For Peyton Place: A Haiku Soap Opera, poet David Trinidad watched all 514 episodes of the infamous 1960s 'adult' primetime soap opera and wrote a haiku for everyone. Fraught relationships, courtroom cliffhangers and sensational storylines are condensed into 17-syllable episodes, as stereotypic characters weather the passing TV seasons. This haiku 'soap epic' is ingenious, funny and totally addictive.

Phantom of the Soap Opera Nov 25 2021 An actor-by-day and sadistic killer-by-night is murdering the leading ladies from the daytime TV hit "All My Days," and police detective Theresa Morrison must track him down or become the next victim

Science Fiction Film, Television, and Adaptation Aug 11 2020 While film and television seem to be closely allied screen media, our feature films and television series have seldom been successfully adapted across those screens. In fact, rather than functioning as portals, those allied media often seem, quite literally, screens that filter out something that made the source work so popular in its original form. Differences in budget, running times, cast, viewing habits, screen size and shape all come into play, and this volume's aim is to track a number of popular texts in the course of their adaptive journeys across the screens in order to sketch the workings of that cross-media adaptation. For its specific examples, the volume draws on a single genre—science fiction—not only because it is one of the most popular today in either film or television, but also because it is arguably the most self-conscious of contemporary genres, and thus one that most obviously

frames the terms of these technological adaptations. The essays included here mine that reflexive character, in both highly successful and in failed efforts at cross-media adaption, to help us understand what film and television achieve in screening science fiction, and to reveal some of the key issues involved in all of our efforts to navigate the various screens that have become part of contemporary culture.

Soap Operas, Gender and the Sri Lankan Diaspora Jul 30 2019 This book is a transnational ethnographic study of Sri Lankan women's television soap opera cultures in Australia and Sri Lanka. Both Sri Lankan migrant women's soap opera clubs in Melbourne, Australia, and female friendship groups watching soap operas in Colombo, Sri Lanka, are examined. Conducted in the sociopolitical backdrop of post-civil war Sri Lanka, this study examines how nationalist ideologies of womanhood shape meanings in Sri Lankan television soap operas that predominantly cater to female audiences. How women interpret, resist, deconstruct, and reconstruct good-bad binaries of women's bodies, freedoms, and rights as represented in the soap operas are mapped, providing an ethnographic examination of how nationalist meanings translate into cultural capital in spaces of television production and reception, in national and diasporic everyday lives.

Secrets of a Soap Opera Diva Jun 28 2019 Calysta Jeffries is the hottest black actress in daytime and the diva of the soap opera world, known for her role as Ruby Stargazer on television's most popular soap opera, "The Rich and the Ruthless." After fifteen years, three returns from the dead, two failed pregnancies, one alien abduction, and overcoming retrograde amnesia, Calysta still hasn't managed to snag the biggest award in daytime drama: the Sudsy. Now is supposed to be her moment. But Calysta's onscreen/offscreen rival Emmy Abernathy wins the award for the fourth time. The drama begins when journalist Mitch Morelli asks Calysta for a quote after the award show and her true feelings for her costar slip out. Ripped from the headlines of Soap Opera Digest and straight off of the television screen, Secrets of a Soap Opera Diva will give readers plenty to talk about as they try to guess where the real world ends and Rowell's imagination begins.

Her Stories Apr 30 2022 "HER STORIES provides an in-depth history of the production and reception of the daytime soap opera in the U.S. It offers a detailed view of the genre's life span—from its move from radio to television in the middle of the 20th century to its supposed demise (but continued afterlife) in the beginning of the 21st century. Soap operas have traditionally been considered a women's genre and thus marginal to the formation of television industry. Elana Levine reclaims the foundational role of soap operas in US television history. Levine begins by tracing how soap opera transitioned from a radio to a TV genre from the 1940s through the 1960s, focusing on how the American TV industry used the genre to hone TV production and storytelling techniques, as well as to develop the medium's commercial viability. With viewers imagined as white middle-class housewives, soaps interrogated stories of family life and marriage, purporting to serve as therapy for women struggling to cope with their home lives. Levine shows how early soaps offered real recognition of the challenges and dissatisfactions of the heterosexual nuclear family ideal, but failed to connect that unhappiness to structural forces. Next, the book turns to the boom years of daytime soaps on US broadcast network television, from the 1960s through the 1980s. Early soaps had been funded by a single sponsor-owner—for example, Procter & Gamble—but the rising popularity of daytime soaps allowed for experimentation with other funding models: ABC's first soap, General Hospital, was funded by participation advertising, which left more editorial power in the hands of the network. This then altered the relationship between soap writers and broadcast networks, allowing for technological shifts, evolving visual and aural norms, new narrative strategies—including comedy and recapping—and greater representation and engagement with social issues. Finally, Levine examines the slow decline of soaps from the 1980s to today. Shifting notions of the imagined audience for soaps, as well as changing technologies for recording and watching TV, have led the industry to cast soap audiences in derogatory gendered, raced, and classed terms—old, low-income, and non-white, and therefore undesirable for advertisers. Levine argues that, desperate for viewers, soaps in the 2000s turned to exploitative treatment of social difference in a way that, for her, undermines the genre's history. HER STORIES is accessibly written and will appeal to scholars and students in TV and media studies, women's studies, American studies, and cultural studies"--

Aunt Julia and the Scriptwriter Oct 01 2019 'A comic novel on the grand scale written with tremendous confidence and verve. Mario, 18-year-old law student and radio news-editor, falls scandalously for his Aunt Julia, the 32-year-old divorced wife of a cousin, and the progressively lunatic story of this affair is interwoven with episodes from a series of radio soap-operas written by his friend Pedro Comacho. Vargas Llosa's huge energy and inventiveness is extravagant and fabulously funny.' New Statesman

Soap Opera Nov 06 2022 The soap opera is a major form of media art and popular culture. Revered and reviled by fans and critics, its history spans and reflects social change and plays a vital role in the development of broadcasting. This book traces the genre from its beginnings on American radio in the 1930s

to the international television genre it has become today. While concentrating on British soap operas, it also discusses the influence of their American and Australian counterparts. This is the first book to consider the soap opera within the economy of broadcasting; it includes a chapter based on interviews with leading broadcasting executives who give their analysis of the importance of the soap opera to their industry. The perspective of television producers as well as the views of audiences are also taken into account. Accessibly written, *Soap Opera* links the genre to both its media and its literary heritage, and argues that soap operas cross international boundaries through the universal appeal of their characters and their stories. It will be of particular interest to students of media and cultural studies, literary studies, sociology and television production courses, as well as to professionals in the television industry.

Women and Soap Opera Sep 23 2021 This is the first major study of the roles of women in prime time soap operas. In a comparative analysis of British and North American television soaps, Christine Geraghty examines the relationship between the narratives on the screen and the women viewers who make up the traditional soap audience. Within the structure of many of the most popular soaps, such as *Dallas*, *Dynasty*, *Coronation Street* and *EastEnders*, the split between public and personal life, reason and emotion, work and leisure is turned into a lynchpin of the plot. The author argues that these themes are also linked to broader social divisions between men and women, divisions which soap operas both question and develop as a source of pleasure. Geraghty analyses the critical role of women characters in the families and communities of soaps and suggests that the utopian possibilities of soaps can be used not just to maintain the status quo, but to promote change and influence attitudes and prejudices. She examines the way in which soaps have been transformed in the last decade, looking at how issues of class, race, sexual orientation and feminism have been handled in the programmes. She argues that in pursuing new audiences more recent soaps such as *Brookside* may have put at risk the pleasures they have traditionally offered their women viewers. *Women and Soap Opera* is a detailed, thoughtful and wide-ranging analysis which will become a central work in women's studies and media and cultural studies courses.

The Soap Opera Encyclopedia Apr 18 2021 Fascinating trivia, inside stories, history, nostalgia -- an in-depth look at every daytime soap opera on TV! A unique look at TV's most endearing kind of show, *The Soap Opera Encyclopedia* is a must-have for any soap fan. The Great Radio Soap Operas Jan 16 2021 This reference work contains exhaustive histories of 31 of network radio's most durable soap operas on the air between 1930 and 1960. The soap operas covered are Aunt Jenny's Real Life Stories, Backstage Wife, Big Sister, The Brighter Day, David Harum, Front Page Farrell, The Guiding Light, Hilltop House, Just Plain Bill, Life Can Be Beautiful, The Light of the World, Lora Lawton, Lorenzo Jones, Ma Perkins, One Man's Family, Our Gal Sunday, Pepper Young's Family, Perry Mason, Portia Faces Life, The Right to Happiness, Road of Life, The Romance of Helen Trent, Rosemary, The Second Mrs. Burton, Stella Dallas, This Is Nora Drake, Today's Children, Wendy Warren and the News, When a Girl Marries, Young Doctor Malone, and Young Widder Brown. Included for each series are the drama's theme and story line, an in-depth focus on the major characters, and a listing of producers, directors, writers, announcers, casts, sponsors, ratings, and broadcast dates, times and networks. Profiles of 158 actors, actresses, creators and others who figured prominently in a serial's success are also provided.

Women and Soap Opera Jul 22 2021 Women's soap opera viewing has long been thought of by feminists and nonfeminists as an unproductive waste of time. Blumenthal takes the opposing view, arguing that women's indulgence in these programs is actually liberating. In overcoming the social opposition to the stigma attached to the feminine content and style, and engaging in soap opera viewing, women celebrate their femininity, particularly their gendered identification with romance, relationality, intuitiveness, talkativeness, and other aspects of emotionality. This book will be of interest to academics in the areas of sociology, women's studies, and media studies.

Watching Daytime Soap Operas Feb 26 2022 Daytime soaps are arguably the most denigrated and parodied of any contemporary entertainment form. Even the most devoted soap opera fans are often reticent or even secretive about the shows they love. This is a meditation on the pleasures - and displeasures - of watching and talking about daytime soap operas.

Soap Opera Divas Paper Dolls Jun 08 2020 Soap opera fans and paper doll collectors will thrill to this all-star tribute to daytime television's brightest stars. Sixteen figures, paired with custom-made costumes, include Susan Lucci, Deidre Hall, Kelly Monaco, Victoria Wyndham, and more.

The Ultimate Soap Opera Guide Dec 15 2020 Although some will not confess to it, almost everybody is intrigued with the intricate plottings of daytime drama. This book aims to provide the juicy details the reader needs to keep up to date with current soap operas - their storylines and their stars.

The Feminist, the Housewife, and the Soap Opera Mar 06 2020 This book traces the feminist engagement with soap opera using sources from programme publicity to interviews with scholars. It reveals that scholarship on soap opera was a significant site from which the identity feminist intellectual was produced.

Watching Dallas Oct 25 2021 Dallas, one of the great internationally-screened soap operas, offers us first and foremost entertainment. But what is it about Dallas that makes that entertainment so successful, and how exactly is its entertainment constructed?

To Be Continued... Jun 01 2022 *To Be Continued...* explores the world's most popular form of television drama; the soap opera. From Denver to Delhi, Moscow to Manchester, audiences eagerly await the next episode of *As the World Turns*, *The Rich Also Weep* or *Eastenders*. But the popularity of soap operas in Britain and the US pales in comparison to the role that they play in media cultures in other parts of the world. *To Be Continued...* investigates both the cultural specificity of television soap operas and their reception in other cultures, covering soap production and soap watching in the U.S., Asia, Europe, Australia and Latin America. The contributors consider the nature of soap as a media text, the history of the serial narrative as a form, and the role of the soap opera in the development of feminist media criticism. *To Be Continued...* presents the first scholarly examination of soap opera as global media phenomenon.

The Australian TV Book Dec 27 2021 Television is the most pervasive mass medium of the industrialised world. It is blamed for creating alienation and violence in society, yet at the same time regarded as trivial and unworthy of serious attention. It is the main purveyor of global popular culture, yet also intensely local. *The Australian TV Book* paints the big picture of the small screen in Australia. It examines industry dynamics in a rapidly changing environment, the impact of new technology, recent changes in programming, and the ways in which the television industry targets its audiences. The authors highlight what is distinctive about television in Australia, and how it is affected by international developments. This book is essential reading for anyone who wants to understand Australian television today. Stuart Cunningham is Professor of Media and

Journalism at Queensland University of Technology. Graeme Turner is director of the Centre for Critical and Cultural Studies at the University of Queensland. They are editors of the leading textbook The Media in Australia and authors of many other works on the media.
