The Spiritual Hierarchies and the Physical World May 16 2021 In these remarkable lectures, Rudolf Steiner reestablishes the human being as a participant in an evolving, dynamic universe of living spiritual beings: a living universe, whole and divine. He does so in concrete images, capable of being grasped by human consciousness as if from within.

Successful Implementation of ERP System May 28 2022 In this book, Friedrich Espeter shows you how to proceed successful the implementation of ERP systems. You will learn how a method-based agile approach helps to meet time, budget and quality targets and specially to find the right balance between changes in the software and in the business processes. It places particular emphasis on the practical aspects of the agile approach, e.g. in the form of workshops and best practices
