**Choreographing Problems** Dec 11 2020 This book illuminates the relationship between philosophy and experimental choreographic practice today in the works of leading European choreographers. A discussion of key issues in contemporary performance from the viewpoint of Deleuze, Spinoza and Bergson is accompanied by intricate analyses of seven groundbreaking dance performances.

**Impersonations** Sep 07 2020 At publication date, a free ebook version of this title will be available through Luminos, University of California Press's Open Access publishing program. Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more. *Impersonations: The Artifice of Brahmin Masculinity in South Indian Dance* centers on an insular community of Smarta Brahmin men from the Kuchipudi village in Telugu-speaking South India who are required to don *stri-vesam* (woman's guise) and impersonate female characters from Hindu religious narratives. Impersonation is not simply a gender performance circumscribed to the Kuchipudi stage, but a practice of power that enables the construction of hegemonic Brahmin masculinity in everyday village life. However, the power of the Brahmin male body in *stri-vesam* is highly contingent, particularly on account of the expansion of Kuchipudi in the latter half of the twentieth century from a localized village performance to a transnational Indian dance form. This book analyzes the practice of impersonation across a series of boundaries—village to urban, Brahmin to non-Brahmin, hegemonic to non-normative—to explore the artifice of Brahmin masculinity in contemporary South Indian dance.

**The Facts on File Dictionary of Music** Apr 14 2021 "The Facts On File Dictionary of Music provides in-depth explanations and examples of more than 3

**Dance on Screen** Oct 21 2021 *Dance on Screen* is a comprehensive introduction to the rich diversity of screen dance genres. It provides a contextual overview of dance in the screen media and analyzes a selection of case studies from the popular dance imagery of music video and Hollywood, through to experimental art dance. The focus then turns to video dance, dance originally choreographed for the camera. Video dance can be seen as a hybrid in which the theoretical and aesthetic boundaries of dance and television are traversed and disrupted. This new paperback edition includes a new Preface by the author covering key developments since the hardback edition was published in 2001.

**A Sense of Dance** Aug 31 2022 This fresh, inspirational approach shows how to frame the art of dance within the context of life and how to gain the tools to appreciate, discuss and write about dance as a fine art. It also helps develop creative thinking and self-expression.

**The Dance Theatre of Kurt Jooss** Mar 14 2021 First Published in 1997. Routledge is an imprint of Taylor & Francis, an informa company.

Beginning Modern Dance Jan 12 2021 *Beginning Modern Dance* text and web resource introduce undergraduate and high school students to modern dance as a performing art through participation, appreciation, and academic study in the dance technique course. In the book, 50 photos with concise descriptions support students in learning beginning modern dance technique and in creating short choreographic or improvisational studies. For those new to modern dance, the book provides a friendly orientation on the structure of a modern dance technique class and includes information regarding class expectations, etiquette, and appropriate attire. Students also learn how to prepare mentally and physically for class, maintain proper nutrition and hydration, and avoid injury. *Beginning Modern Dance* supports students in understanding modern dance as a performing art and as a medium for artistic expression. The text presents the styles of modern dance artists Martha Graham, Doris Humphrey and José Limón, Katherine Dunham, Lester Horton, and Merce Cunningham along with an introduction to eclectic modern dance style. Chapters help students begin to identify elements of modern dance as they learn, view, and respond to dance choreography and performance. The accompanying web resource offers 38 interactive video clips and photos of dance technique to support learning and practice. In addition, e-journal and self-reflection assignments, performance critiques, and quizzes in the web resource help students develop their knowledge of modern dance as both performers and viewers. Through modern dance, students learn new movement vocabularies and explore their unique and personal artistry in response to their world. *Beginning Modern Dance* text and web resource support your students in their experience of this unique and dynamic genre of dance. *Beginning Modern Dance* is a part of Human Kinetics' Interactive Dance Series. The series includes resources for modern dance, ballet, and tap dance that support introductory dance technique courses taught through dance, physical education, and fine arts departments. Each student-friendly text includes a web resource offering video clips of dance instruction, assignments, and activities. The Interactive Dance Series offers students a guide to learning, performing, and viewing dance.

*The American Dance Festival* Feb 10 2021 *The American Dance Festival* has been a magnet drawing together diverse artists, styles, theories, and dance training methods; from this creative mix the ADF has emerged as the sponsor of performances by some of the greatest choreographers and dance companies of our time. Jack Anderson traces the development of ADF from its beginnings in New England to its seasons at Duke University. He displays the ADF for the multidimensional creature it is—a center for performances, a school for the best young dancers in the country, and a provider of community and professional services.

*The Viennese Ballroom in the Age of Beethoven* Mar 02 2020 Reveals how the culture and repertoire of the early Viennese ballroom permeated and intersected with other areas of musical life.

**Dance Composition Basics** Jan 30 2020 The DVD documents each choreographic operation and allows students to observe a direct relationship between the activities in the dance composition classroom and current practice in the profession of dance.

Choreography, 4E Jan 24 2022 *Choreography* has been thoroughly updated to help students develop their skills in each step of the choreographic experience, from finding an idea to staging the performance. The text comes with a new web resource that offers video clips and supplemental learning activities.

**Reading Dancing** Nov 02 2022 Suggests a new theory of dance, describes four models for representation in dance, and discusses the work of modern choreographers, including Balanchine, Graham, and Tharp

**Dance As Religious Studies** Dec 23 2021 "Dance as religious studies" reveals resources for the "art of liturgical dance" in terms of both performance and scholarly interpretation. This collection of methodological essays has been arranged to suggest the wide spectrum and the underlying unity of these diverse and varied approaches to understanding dance as religious studies. Part I concentrates on the relationship between

liturgical dance and the scriptural traditions of Judaism and Christianity. Part II indicates the feminist possibilities for liturgical and modern dance. Part III presents a spectrum of the contemporary theory and practice of liturgical dance. The book concludes with a bibliographic survey of sources and resources available to both liturgical dancers and students of dance as religious studies.

*The Rite of Spring at 100* Jun 16 2021 When Igor Stravinsky's ballet *Le Sacre du printemps* (The Rite of Spring) premiered during the 1913 Paris season of Sergei Diaghilev's Ballets Russes, its avant-garde music and jarring choreography scandalized audiences. Today it is considered one of the most influential musical works of the twentieth century. In this volume, the ballet finally receives the full critical attention it deserves, as distinguished music and dance scholars discuss the meaning of the work and its far-reaching influence on world music, performance, and culture. Essays explore four key facets of the ballet: its choreography and movement; the cultural and historical contexts of its performance and reception in France; its structure and use of innovative rhythmic and tonal features; and the reception of the work in Russian music history and theory.

*Understanding Animation* Jul 06 2020 First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

*Notes and Queries* Oct 01 2022

**To Dance is Human** Apr 26 2022 Exploring dance from the rural villages of Africa to the stages of Lincoln Center, Judith Lynne Hanna shows that it is as human to dance as it is to learn, to build, or to fight. Dance is human thought and feeling expressed through the body: it is at once organized physical movement, language, and a system of rules appropriate in different social situations. Hanna offers a theory of dance, drawing on work in anthropology, semiotics, sociology, communications, folklore, political science, religion, and psychology as well as the visual and performing arts. A new preface provides commentary on recent developments in dance research and an updated bibliography.

**Dance and Its Music in America, 1528-1789** Jun 28 2022 Beginning with Toya Indian dances in Florida and the Matachines dance-drama in the Southwest, and moving to ordination balls, pantomimes, Black election celebrations and country dances called Burgoyne's Surrender and Washington's Resignation, this study presents dance in the North American lands that would become the United States of America as a powerful yet ephemeral medium of communication and social dynamics. It integrates the history of dance and its music into cultural, commercial, and aesthetic aspects of life in the New World, both for established native societies and newcomers. Special topics include dance as a metaphor and preparation for battle, Yankee peddlers of dance and their publications, French connections, Spanish influences, dance on board ships, in religion and in the military, and Negro jigs, the Virginia Reel, and mumming traditions. Included is the colorful history of theatrical dancers who performed on the boards from Portsmouth to Charleston and competitive dancers in early versions of today's Scottish games. The core of the book is a state-by-state narrative of dance and dance music in each colony or territory from Maine to California. Thoroughly documented with extensive period quotations, illustrations, footnotes, bibliography and a detailed index, this study integrates much new information with a new way of looking at dance as a phenomenon that was both re-creative and manipulative, commercial and personal, and pleasurable and painful to those who participated.

*Notes and Queries and Historic Magazine* Jun 04 2020

*Ballet 101* Aug 26 2019 Presents a look at the world of dance; an analysis of ballet movement, music, and history; a close-up look at popular ballets; and a host of performance tips.

*Europe Dancing* Jun 24 2019 Europe Dancing examines the dance cultures and movements which have developed in Europe since the Second World War. Nine countries are represented in this unique collaboration between European dance scholars. The contributors chart the art form, and discuss the outside influences which have shaped it. This comprehensive book explores: \* questions of identity within individual countries, within Europe, and in relation to the USA \* the East/West cultural division \* the development of state subsidy for dance \* the rise of contemporary dance as an 'alternative' genre \* the implications for dance of political, economic and social change. Useful historical charts are included to trace significant dance and political events throughout the twentieth century in each country. Never before has this information been gathered together in one place. This book is essential reading for everyone interested in dance and its growth and development in recent years.

**Victory Through Harmony** Sep 27 2019 This book tells the fascinating story of the BBC's participation in the events of World War II through popular music and jazz broadcasting. Author Christina Baade argues that rather than providing the soundtrack for a unified "People's War" as its popular broadcast Victory through Harmony promised to do, the BBC's popular music broadcasting efforts exposed the divergent ideologies, tastes, and perspectives of the nation.

**African-American Concert Dance** Nov 21 2021 Provides biographical and historical information on a group of African-American artists who worked during the 1920s, 1930s, and 1940s to legitimize dance of the African diaspora as a serious art form.

**Consuming Dance** Mar 26 2022 Whether advertising clothes or technology, dance is staple of advertising today. 'Consuming Dance' offers a clear history and analysis of dance in advertising and demonstrates the ways in which the form articulates with, informs, and reflects U.S. culture.

*Directing the Dance Legacy of Doris Humphrey* Jul 26 2019 Directing the Dance Legacy of Doris Humphrey looks inside four of Doris Humphrey's major choreographic works—Water Study (1928), The Shakers (1931), With My Red Fires (1936), and Passacaglia (1938)—with an eye to how directorial strategies applied in recent contemporized stagings in the United States and Europe could work across the modern and contemporary dance genre. Author Lesley Main, a seasoned practitioner of Doris Humphrey choreography, stresses to the reader the need to balance respect for classical works from the modern dance repertory with the necessity for fresh directorial strategies, to balance between traditional practices and a creative role for the reconstructor. Drawing upon her own dance experience, Main's book addresses an area of dance research and practice that is becoming increasingly pertinent as the dancer-choreographers of the 20th century modern and contemporary dance are no longer alive to attend to the re-stagings of the body of their works. Insightful and thought-provoking, Directing the Dance Legacy of Doris Humphrey calls for the creation of new forms of directorial practice in dance beyond reconstruction. The radical new practices it proposes to replace the old are sure to spark debate and fresh thinking across the dance field.

*The New York Concert Saloon* Jul 30 2022 Publisher Description

*Modern Dance, Negro Dance* Feb 22 2022 Two traditionally divided strains of American dance, Modern Dance and Negro Dance, are linked through photographs, reviews, film, and oral history, resulting in a unique view of the history of American dance.

*Choreography* Aug 19 2021 Minton shows how to solve common choreography problems, design and shape movements into a dance, and organise a dance concert. She addresses some of the National Dance Content Standards, and features movement exploration exercises.

*Dance Composition* Jul 18 2021 This package contains a book and CD of music. It explores the interactive relationship between dance and the other arts including visual, musical and dramatic and literary. Each chapter contains improvisational exercises for gaining perspective and understanding the commonalities across the arts.

**The Oxford Handbook of Dance and Theater** Sep 19 2021 This handbook brings together genres, aesthetics, cultural practices and historical movements that provide insight into humanist concerns at the crossroads of dance and theatre, broadening the horizons of scholarship in the performing arts and moving the fields closer together.

*Theology, Aesthetics, and Culture* May 28 2022 David Brown is a widely-respected theologian who initially made his mark in analytic discussions of Christian doctrine such as the Trinity. With the publication of Tradition and Imagination: Revelation and Change (1999) his career entered a distinctly new phase, focused on theology and the arts. Four related volumes followed, dealing with discipleship, art and icons, place and space, the body, music, metaphor, drama, and popular culture. According to Brown, the fundamental thesis underlying all five volumes is that both natural and revealed theology are in crisis, and the only way out is to give proper attention to the cultural embeddedness of both. This current volume is the first attempt to assess the significance of this remarkable series, and its contributors include some of the most prominent philosophers, theologians, biblical and literary scholars writing today. Aside from its distinguished interdisciplinary line-up, a distinctive feature is sustained consideration of Brown's work on popular culture. It thus provides an exciting and substantial treatment of theology, aesthetics, and culture.

*Choreography as Embodied Critical Inquiry* Aug 07 2020 In this book, Shay Welch expands on the contemporary cognitive thinking-in-movement

framework, which has its roots in the work of Maxine Sheets-Johnstone but extends and develops within contemporary embodied cognition theory. Welch believes that dance can be used to ask questions, and this book offers a method of how critical inquiry can be embodied. First, she presents the theoretical underpinnings of what this process is and how it can work; second, she introduces the empirical method as a tool that can be used by movers for the purpose of doing embodied inquiry. Exploring the role of embodied cognition and embodied metaphors in mining the body for questions, Welch demonstrates how to utilize movement to explore embodied practices of knowing. She argues that our creative embodied movements facilitate our ability to bodily engage in critical analysis about the world.

Untwisting the Serpent Dec 31 2019 Modernist art often seems to give more frustration than pleasure to its audience. Daniel Albright shows that this perception arises partly because we usually consider each art form in isolation, rather than collaboration.

Hijikata Tatsumi and Ohno Kazuo Oct 09 2020 Part of the "Routledge Performance Practitioners" series, this book deals with the contribution of two of modern theatre's most charismatic innovators. Including a glossary of English and Japanese terms, it presents an account of the founding of Japanese butoh through the partnership of Hijikata and Ohno.

Studying Dance May 16 2021 This text prepares students to navigate their dance programs and prepare for a various careers. It orients students to dance as an academic discipline, broadens their understanding of dance, establishes solid approaches to studying dance, and connects dance on campus to their previous training.

**The Dance of Shiva** Nov 09 2020 -Fourteen Indian essays with preface and introduction by Roman Rolland, incl 34 illust.

**The Oxford Handbook of Dance and Reenactment** Nov 29 2019 Starting from differences between reenactment and the more established practice of historical reconstruction, leading practitioners and theorists ask how the notion of preservation and representation associated with reconstruction is transformed by reenactment into historical experience and affective relation to the past in the present. In other terms: How does dance convey historical meaning through sensuous form? Danced reenactment poses the problem of history and historicity in relation to the troubled temporality inherent to dance itself. Ephemerality as the central trope of dance is hence displaced in favor of dance as a reiterative practice that confounds categories of chronological time and opens up a theoretical space of history that is often invisibilized by ideologies of immediacy traditionally attributed to dancing.

*Big Deal* Oct 28 2019 Bob Fosse is one of the most significant figures in the post-World War II American musical theater
