Aesop's Fables Jan 29 2020 This exclusive Signet Classic edition contains 203 of Aesop's most enduring and popular fables, translated into readable, modern American English and beautifully illustrated with classic woodcuts by the great French artist J. J. Grandville. It is both amazing and wonderful that so much of the richness of our language and our moral education still owes a huge debt to a Greek slave who was executed more than two thousand years ago. Yet "sour grapes," "crying 'wolf,'" "actions speak louder than words," "honesty is the best policy," and literally hundreds of other metaphors, axioms, and ideas that are now woven into the very fabric of Western culture all came from Aesop's Fables. An extraordinary storyteller who used cunning foxes, surly dogs, clever mice, fearsome lions, and foolish humans to describe the reality of a harsh world, Aesop created narratives that are appealing, funny, politically astute, and profoundly true. And Aesop's truth--often summed up in the pithy "moral of the story"--retains an awesome power to affect us, reaching us through both our intellects and our hearts. Including: "The Fox and the Grapes" "The Ants and the Grasshopper" "The Country Mouse and the Town Mouse" ...and 200 Other Famous Fables Edited and with an Afterword by Jack Zipes With an Introduction by Sam Pickering

Like an Everlasting Signet Ring Jun 15 2021 This work explores the theological and social dimensions of generosity in the book of Sirach and contextualizes them within the culture and thought of Second Temple Judaism. Ben Sira's understanding of generosity is predicated on the tension between affirming the classic wisdom principle of retributive justice and recognizing its breakdown in the socio-economic circumstances of Seleucid Judea. He forges a new Wisdom-Torah ethic of mercy in which giving generously is an integral part of living "the good life". While loans and surety are essential practices, almsgiving is the preeminent act of generosity. The fundamental theological logic at work consists in viewing the poor as proxies for God and is based on the economic structure of Proverbs 19:17. Giving to the poor is, in reality, a deposit in a heavenly treasury and will pay future dividends. By situating Ben Sira's view of almsgiving within the wider framework of retributive justice and its breakdown, new light is shed on the practical tensions regarding the extent of almsgiving and its relationship to the support of the Jerusalem priesthood. The various dynamics of Ben Sira's thought on generosity are situated within the broader Hellenistic world and in their foundational role for later Jewish and Christian thought.

The King's Secretary and the Signet Office in the XV Century Nov 01 2022 Miss Otway-Ruthven examines the history of the office of the King's Secretary from 1377, the first appearance of a King's Secretary, to 1509, demonstrating its rise from the comparative unimportance of a confidential clerkship to a position worthy of the attention of a bishop and a fitting instrument of Tudor Government.

The Elizabethan Secretariat and the Signet Office May 27 2022 This book investigates the work of the Elizabethan secretariat during the fascinating decade of the 1590s, when, after the death of Francis Walsingham, the place of principal secretary remained vacant for six years. Through original sources in the collections of the State Papers and Cecil Papers, this study reconstructs the activities of the clerks and secretaries who worked in close contact with the Queen at court. An estimated fifty people, many unidentified, saw to every minute detail of the production of official documents and letters in an array of offices, rooms and locations within and outside the court. The book introduces the staff of the Elizabethan writing offices as a community of shared knowledge with a privileged and constant access to papers of state, working behind the scenes of court display and high politics. While the production of the state papers is explored as a means to re-construct the functioning of the inner mechanisms of state, it also provides a lens through which to access the knowledge of the administration in a pre-bureaucratic age.

The Wind in the Willows Dec 22 2021 Hailed as one of the most enduringly popular works of the twentieth century, *The Wind in the Willows* is a classic of magical fancy and enchanting wit. The Signet Ring Apr 25 2022 The plot takes us way back in time, infact to the start of human life on earth as per the Vedic mythology. It revolves around a brotherhood trying to avenge the injustice meted out to Asuras by Lord Vishnu. It revolves around the Ten avatars of Vishnu and his fierce battles with demons during these avatars on earth. It blends Mythology and History with a modern day thriller. Two story lines run simultaneously and converge over time. One storyline, strongly grounded in the present times invokes sufficient realism in the mind of the reader, smoothly connecting the reader with the other plot that dwells into the prehistoric times. The biggest surprise is a character believed to be none other than the legendary Hanuman. The storyline is etched with significant life stories of some of the most revered Gods in Hindu mythology, Lord Krishna, Lord Rama and the mighty Lord Vishnu to name a few.
