[Conversational Languages Quick and Easy - Boxset #1-4](#) Feb 10 2021 Have you always wanted to learn how to speak French, Italian, Spanish, or Portuguese but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If your desire is to learn complicated grammatical rules or to speak the language perfectly proper and precise, this book is not for you. However, if you need to actually hold a conversation while on a trip to Europe or Latin America, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Languages Quick and Easy: Boxset 1-4, is all you need. Learn French, Italian, Spanish, and Portuguese today, not tomorrow, and get started now!

Giuseppe Montanelli's Tragedy of Camma Apr 14 2021

Vernacular Theology Apr 02 2020 This book examines the audiences and languages of Dominican sermons in late medieval Italy. It is a thorough analysis of how Latinate theological culture interacted with popular religious devotion. In particular it assesses the role of vernacular theology. Eliana Corbari defines vernacular theology as a form of theology that is based neither on a Latin scholastic model nor a monastic

one. It is a "third dimension" of theology which was accessible to the laity, and in particular women, through their attendance at sermons and the reading of vernacular devotional works (in this case, medieval Italian treatises and sermons). Through painstaking manuscript work, Corbari makes an excellent contribution to sermon studies, gender studies, medieval theology, and codicology. She demonstrates that Dominican friars preached to an active contingent of laywomen, usually members of confraternities, who not only attended these sermons but re-read them and also disseminated them through book production to the wider Florentine community.

Sicily Solo Jul 18 2021 In the spring of 1993, with a pack on his back, a shoe-string budget and a young adventurer's curiosity, author Mark Tougas sets out from his home in the U. S on a solo journey for the ancient and alluring island of Sicily. With no hotel reservations beyond his first few days, no deadlines, no tours and no groups, the author travels the island at his own pace and in his own style. From the chaotic cities of Catania and Palermo, to the intimate mountain towns of Erica, Enna and Ragusa; and from the heights of Taormina to the subterranean world of the catacombs and many other towns in between, Tougas introduces us to an array of unforgettable characters and circumstances. With razor-sharp observations, an eye for the absurd in everyday life, and a prevailing sense of comedy, the author crafts a refreshing and honest account of his three-month odyssey. Told with heart, affection and a sense of wonder, Sicily Solo is neither a guide book nor history book, rather it is a book about people in their own environments, the joys and frustrations of budget-solo travel, and the heart of the traveler.

Maternal Desire Sep 19 2021 She argues that Ginzburg adopted a distinct aesthetic by allowing her family stories to be narrated through a female narrating "I." This volume focuses on the broad theme of the maternal by tracing the development of the voices of Ginzburg's narrating daughters, mothers, and sisters. Their texts read as auto/biographies; that is, they are narratives about both the self and the other."--BOOK JACKET.

Forte della sua esperienza come globetrotter, la lifestyle blogger Serena Autorino ha scritto questo libro per chi è incuriosito da questo mondo, tutto da esplorare; per chi già acquista vintage, ma vuole farlo nel modo giusto; e per chi, avendo capi vintage nell'armadio, non sa come valorizzarli e farli propri. Raffaella De Santis, "la Repubblica" Una nota scrittrice umoristica gioca con le nostre manie consumistiche, frustrate dagli stipendi sempre più piccoli e dai costi sempre più alti. Risultato? Risate e qualche idea per fare a meno del superfluo. Da leggere. "Oggi" Lia Celi ci racconta i templi del consumo, dall'ipermercato al negozio biologico, dalla libreria alla profumeria. E ci accompagna all'uscita con un sorriso e qualche idea in più. Brunella Schisa, "il Venerdì di Repubblica" Le statistiche parlano chiaro: lo shopping si è congelato e le compere senza pensieri sono un lontano ricordo. La via d'uscita è quindi rieducarsi alla moderazione. Come? Ridendo di se stessi e delle seduzioni con cui il mercato cerca di conquistare cuore e portafogli. Un libro divertentissimo.
