Broadway Plays and Musical May 03 2020 New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2019. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway between 1919 and 2007.

The Million Dollar Quartet Aug 06 2020 Million Dollar Quartet' is the name given to recordings made on Tuesday December 4, 1956 in the Sun Record Studios in Memphis, Tennessee. The recordings were of an impromptu jam session between Elvis Presley, Jerry Lee Lewis, Carl Perkins, and Johnny Cash. The events of the session. Very few participants survive. Includes interviews with the drummer and the sound engineer. A detailed analysis of the music play and its relevance to subsequent popular music. The early lives and careers of the quartet – where they were in 1956. Relevant social and economic factors which meant that a massive audience of young people were keenly looking for a new kind of music they could call their own. The 'reunions' of surviving members of the quartet. The emergence of the tapes, first on bootleg and then on legitimate CDs. The genesis of the stage show and its reception – the end of the music.

The Key to Nicholas Strindberg Sep 26 2019 A grisly murder reveals the hateful secrets that lie beneath a small town's surface. The locals call her the Ballou. An illustrator for a high-fashion magazine, she has been the talk of the town of Sutton ever since she first appeared, paying cash for one of the finest houses on Nicholas Street. Daring, gaudy, and grand, she inspires envy in the women and lust in the men. And in one member of this quiet town she finds the inspiration to inspire murder. The trouble starts when her rakish New York lover moves in full time, scandalizing the prudish Ayers family next door. When the Ayers' maid pays a social call to the Ballou, she finds her lying dead at the foot of the staircase—gray, cold, and fabulous no more. Suspicion falls on the Ayerses, whose starched exterior hides a wealth of ugly secrets. From this interlocking narrative told from the perspectives of the citizens of Sutton comes a story that no town is too small for murder.

End Of The Rainbow Oct 20 2021 Musical drama of Judy Garland's "come-back" concerts Christmas 1968: with a six week booking at London's Talk of the Town, it looks like Judy Garland is set firmly on the comeback trail. The failed marriages, the suicide attempts and the addictions are all behind her. At forty-six and with new flame Mickey Deans at her side, she seems determined to carry it off and recapture her magic. But lasting happiness always eludes some people, and there was never any answer to the question with which Judy ended every show: "If happy little bluebirds fly beyond the rainbow, why, oh, why, can't I?" End of the Rainbow is a savagely funny drama featuring a glorious ensemble of Judy Garland hits and infused with the glamour and the melancholy of stardom. "Every note she sings, every racket she makes, every tear she sheds, every joke she cracks, every pill she pops - is conveyed with an alarming honesty. This knockout portrait of a living catastrophe should not be missed." What's On Published to tie-in with the premiere at the Sydney Opera House in July 2005

Talley's Folly Jun 23 2019 THE STORY: The scene is the ornate, deserted Victorian boathouse on the Talley place in Lebanon, Missouri; the time 1944. Matt Friedman, an accountant from St. Louis, has arrived to plead his love to Talley, the susceptible, but uncertain dau

Hal Wallis Jul 17 2021 Hal Wallis might not be as well known as David O. Selznick or Samuel Goldwyn, but the films he produced -- Casablanca, Jezebel, Now Voyager, The Life of Emile Zola, Becket, True Grit, and many other classics (as well as scores of Elvis movies) -- have certainly endured. As producer of numerous films, Wallis made an indelible mark on the course of America's film industry, but his contributions are often overlooked and no full-length biography yet assessed his incredible career. A former office boy and salesman, Wallis first engaged with the business of film as the manager of a Los Angeles movie theater in 1922. He attracted the notice of the Warner brothers, who hired him as a publicity assistant. Within three months he was director of the department, and appointments to studio manager and production executive quickly followed. Wallis went on to oversee dozens of productions and formed his own production company in 1944. Bernard F. Dick draws on numerous sources such as Wallis's personal production files and exclusive interviews with many of his contemporaries to finally tell the full story of his illustrious career and how it combines his knowledge of behind-the-scenes Hollywood with fascinating anecdotes to create a portrait of one of Hollywood's early power players.

A Rustle in the Grass Oct 08 2020 'A peculiarly fascinating story.' The Guardian's Polly Toynbee Above ground the countryside stretches quietly, majestically beneath the changing skies. Peaceful and untroubled, far from the woe of man, nature moves through her timeless cycles. But look closer. For in the secret world beneath the grasses lies an empire in turmoil. A revered leader had died and, as the enemy prepares its armies for war, rebellion through the undergrowth. There in the kingdom of the ants the old order crumbles and the new prepares for its explosive birth. No single insect, from magnificent war leader to defiant rebel, from wise elder statesman to upstart contender, from beloved Queen to emerging young champion, is impervious to the revolutionary changes within the hierarchy, or the gathering threat from a terrible foe. Man may be ignorant of the cataclysmic battles unfolding beneath his feet, but he should take note. His struggles are not so very different....

No Man's Land Jul 25 2019 'The work of our best living playwright in its command of the language and its power to erect a coherent structure in a twilight zone of confusion and dismay.' The Times Do Hirst and Spooner react to each other, or are they performing an elaborate charade? The ambiguity - and the comedy - intensify with the arrival of Briggs and Foster. All four inhabit a no-man's-land between time present and a time remembered, between reality and imagination. No Man's Land was first presented at the National Theatre at the Old Vic, London, in 1975, revived at the Almeida Theatre, London, with Harold Pinter as Hirst and revived by the National Theatre, directed by Pinter, in 2001.
