Second Edition

Whose Holy Land? Oct 25 2021 This book explains the historical roots of the conflict between Jews and Arabs, which has lost none of its explosiveness to the present day, in a comprehensive and easy-to-understand manner. The question of who owns the Holy Land is more relevant today than ever. The debates on this topic are often characterized by ignorance and strong emotions, while partiality and power interests still obscure the view on the political situation in the Middle East. Shaking up old myths and prejudices, this book presents an overall historical as well as political analysis of the Jewish, Christian, and Muslim structures, actors, and actions from the very beginning to this very day, as well as a topical analysis. It combines history with theology and political science. Thus, the book is a must-read for scholars and students of political science, history, and international relations, as well as policy-makers, interested in a better understanding of the historical background and current political situation in the Middle East.

The Inner Life of Syria, Palestine, and the Holy Land Sep 23 2021 Account of travel by Isabel Burton, who traveled with her husband, the explorer Richard Burton, to Syria, Palestine, and the Holy Land. The author notes that "this book contains little history, geography or politics...Exploration and the harder travels, such as the Tull ú les Saf á, the Haur á n, the Lej á a, the Al á h and other wilder parts of Syria have been described by Captain Burton and myself in 'Unexplored Syria;' but for all that, this book contains things women will like to know....I wish to convey an idea of the life which an Englishwoman may make for herself in the East."

The Holy Land and the Bible Apr 18 2021

Letters From the Holy Land Mar 06 2020 Reproduction of the original: Letters From the Holy Land by Elizabeth Butler

[Jews and Christians in the Holy Land](#) Apr 30 2022 The fourth century is often referred to as the first Christian century, and for the Jews a period of decline and persecution. But was this change really so immediate and irreversible? What was the real impact of the Christianisation of the Roman Empire on the Jews, especially in their own land? Stemberger draws on all available sources, literary and archaeological, Christian as well as pagan and Jewish, to reconstruct the history of the different religious communities of Palestine in the fourth century. This book demonstrates how lively, creative and resourceful the Jewish communities remained.

The Oxford Illustrated History of the Holy Land Nov 06 2022 The Oxford Illustrated History of the Holy Land covers the 3,000 years which saw the rise of Judaism, Christianity, and Islam--and relates the familiar stories of the sacred texts with the fruits of modern scholarship. Beginning with the origins of the people who became the Israel of the Bible, it follows the course of the ensuing millennia down to the time when the Ottoman Empire succumbed to British and French rule at the end of the First World War. Parts of the story, especially as known from the Bible, will be widely familiar. Less familiar are the ways in which modern research, both from archaeology and from other ancient sources, sometimes modify this story historically. Better understanding, however, enables us to appreciate crucial chapters in the story of the Holy Land, such as how and why Judaism developed in the way that it did from the earlier sovereign states of Israel and Judah and the historical circumstances in which Christianity emerged from its Jewish cradle. Later parts of the story are vital not only for the history of Islam and its relationships with the two older religions, but also for the development of pilgrimage and religious tourism, as well as the notions of sacred space and of holy books with which we are still familiar today. Sensitive to the concerns of those for whom the sacred books of Judaism, Christianity, and Islam are of paramount religious authority, the authors all try sympathetically to show how historical information from other sources, as well as scholarly study of the texts themselves, enriches our understanding of the history of the region and its prominent position in the world's cultural and intellectual history.

American Palestine Apr 06 2020 In the nineteenth century, American tourists, scholars, evangelists, writers, and artists flocked to Palestine as part of a "Holy Land mania." Many saw America as a New Israel, a modern nation chosen to do God's work on Earth, and produced a rich variety of inspirational art and literature about their travels in the original promised land, which was then part of Ottoman-controlled Palestine. In American Palestine, Hilton Obenzinger explores two "infidel texts" in this tradition: Herman Melville's *Clarel: A Poem and Pilgrimage to the Holy Land* (1876) and Mark Twain's *The Innocents Abroad*: or, *The New Pilgrims' Progress* (1869). As he shows, these works undermined in very different ways conventional assumptions about America's divine mission. In the darkly philosophical *Clarel*, Melville found echoes of Palestine's apparent desolation and ruin in his own spiritual doubts and in America's materialism and corruption. Twain's satiric travelogue, by contrast, mocked the romantic naiveté of Americans abroad, noting the incongruity of a "fantastic mob" of "Yanks" in the Holy Land and contrasting their exalted notions of Palestine with its prosaic reality. Obenzinger demonstrates, however, that Melville and Twain nevertheless shared many colonialist and orientalist assumptions of the day, revealed most clearly in their ideas about Arabs, Jews, and Native Americans. Combining keen literary and historical insights and careful attention to the context of other American writings about Palestine, this book throws new light on the construction of American identity in the nineteenth century.

Following Jesus in the Holy Land Jul 30 2019 Reflecting on the key locations of Jesus' life and ministry, this book invites Holy Land visitors and armchair pilgrims to reflect on Christian discipleship through Advent and Lent.

Take Me to the Holy Land Jul 02 2022 "Someday my little children will want to go to Eretz Yisrael. What would I show them and how would I explain its history to them?" Mrs. T. Sivia Yanofsky asked herself that question and decided to

The Holy Land Oct 01 2019 Detailed essays, extensive photos, and informative sidebars describe life in the ancient Holy Land, focusing on Jerusalem, Ashkelon, the Qumran, Herod, and the significant places of Jesus' life, showing the results of significant archaeological digs; also includes a time line and a bibliography.

The Holy Land May 08 2020 The history of the Holy Land is as ancient as the history of man, so that it is not surprising that such a relatively small region should contain such a wealth of archaeological ruins and monuments. A useful tool for exploring and becoming acquainted with the fascinating sites and attractions of the Holy Land, this guide is organized by chapters, each of which features a particular geographic area: Jerusalem, North Israel, South Israel, Mount Sinai and Jordan.

[The Jewish People, the Holy Land, and the State of Israel](#) Jun 01 2022 Over forty years have passed since the 1965 Second Vatican Council's groundbreaking declaration *Nostra Aetate*, which promoted an ongoing and necessary relationship between the Catholic Church and the Jewish people. Gathering together the fruits of this interreligious dialogue, Richard C. Lux reflects on future possibilities and new directions for this relationship by considering the religious significance of the Holy Land. This presentation includes an historical overview that traces important developments, a paradigmatic shift in understanding to resolve the two-covenant versus one-covenant model of the Jewish-Christian relationship, the significance of the Holy Land for Palestinian Christians and Palestinian Muslims, and new ways in thinking about a theological model, for the modern State of Israel. Stimulus Books are made possible by the generous support of the Stimulus Foundation for the publication of books to further the mutual understanding between Jews and Christians. Book jacket.

Thirty Years' Work in the Holy Land Dec 15 2020

33 Years in the Holy Land Jan 28 2022 "After a trip to the Holy Land, the author reflects on the earthly life of Jesus"--

Defending the Holy Land Jun 20 2021 A scathing and brilliant revisionist history, *Defending the Holy Land* is the most comprehensive analysis to date of Israel's national security and foreign policy, from the inception of the State of Israel to the present. Book jacket.

[Letters on Egypt, Edom, and the Holy Land](#) Nov 01 2019

Accursed Tower Jan 16 2021 The city of Acre, powerfully fortified and richly provisioned, was the last crusader stronghold. When it fell in 1291, two hundred years of Christian crusading in the Holy Land came to a bloody end. With his customary narrative brilliance and immediacy, Roger Crowley chronicles the tumultuous and violent attack on Acre, the heaviest bombardment before the age of gunpowder, which left this once great Mediterranean city a crumbling ruin. The 'Accursed Tower' was the focal point of this siege. As the last garrison of the Crusader defences, it came to symbolise the disintegration of the old world and the rise of a new era of Islamic jihad. Crowley's narrative is based on forensic research, drawing heavily on little known first hand sources, both Christian and Arabic. This is a fast-paced and gripping account of a pivotal moment in world history.

The New Christian Traveler's Guide to the Holy Land Nov 13 2020 Knowing the Land helps us understand the Book in new and vivid ways. Charles Dyer, a Bible scholar and licensed tour guide for Israel, and Greg Hattberg, graduate of the Institute of Holy Land Studies in Jerusalem, created this reference guide for pilgrims who want to deepen the spiritual impact of their trip to Israel, as well as other travelers who just want to know more: Where did Jesus walk? Where is King David buried? Where is Mt. Sinai? You'll find detailed information about five key Bible lands: Israel, Egypt, Greece, Jordan, and Turkey. This guide includes a full color 32-page photo insert, practical tips for travelers, a 4-week prayer guide for preparing for your trip, and detailed maps and an outline of Bible history. With *The New Christian Traveler's Guide to the Holy Land*, you'll see the Bible through a new set of geographical lenses.

The Holy Land for Christian Travelers May 20 2021 A trip to the Holy Land is on the bucket list of many Christians. But planning a meaningful trip in a place so filled with significant sites is an imposing task. Most travel guides are not prepared to link the Bible and land in an accurate and meaningful way because they are written for people of all faiths. So how can a Christian traveler prepare a trip that will illuminate God's Word and reveal the Lord's presence? In *The Holy Land for Christian Travelers*, John A. Beck provides a guide to the Holy Land for Christians with explanations of the biblical significance of important sites. The entries provide key Scripture references for reflection and a guide to the land that will encourage communion with God and a genuine spiritual experience for travelers as they walk in the footsteps of Jesus. A trip to the Holy Land can be a worship-filled, once-in-a-lifetime spiritual journey. This book puts a biblical scholar and experienced Holy Land guide at the reader's side.

The Holy Land Jul 22 2021 The geographical focal point of Judaism, Islam, and Christianity, the Holy Land has immeasurable resonance for the pilgrims it has attracted since the 5th century B.C. This indispensable, illustrated guide covers more than 200 of the best Christian, Jewish, and Islamic sites in the City of Jerusalem and the surrounding Holy Land from earliest times to 1700. Maps, plans & diagrams.

[The Christian Communities of Jerusalem and the Holy Land](#) Jun 08 2020 A collection of eight essays by world-renowned scholars presenting thorough studies of various Christian communities active in Jerusalem and the Holy Land in general from the 4th century until the end of the 20th century, with special reference to the historical, religious and political contexts of the times.

The Archaeology of the Holy Land Oct 05 2022 "In the heart of the ancient Near East (modern Middle East) and at a crossroads between once mighty powers such as Assyria to the east and Egypt to the south is a tiny piece of land -- roughly the size of New Jersey -- that is as contested as it is sacred. One cannot even name this territory without sparking controversy. Originally called Canaan after its early inhabitants (the Canaanites), it has since been known by various names. To Jews this is Eretz-Israel (the Land of Israel), the Promised Land described by the Hebrew Bible as flowing with milk and honey. To Christians it is the Holy Land where Jesus Christ -- the messiah or anointed one -- was born, preached, and offered himself as the ultimate sacrifice. Under the Greeks and Romans, it was the province of Judea, a name which hearkened back to the biblical kingdom of Judah. After the Bar-Kokhba revolt ended in 135 C.E., Hadrian renamed the province Syria-Palestina, reviving the memory of the long-vanished kingdom of Philistia. Under early Islamic rule the military district (jund) of Filastin was part of the province of Greater Syria (Arabic Bilad al-Sham). In this book, the term Palestine is used to denote the area encompassing the modern state of Israel, the Hashemite kingdom of Jordan, and the Palestinian territories"--

The Geography of the Holy Land ... Second Edition Jun 28 2019

Joshua in the Holy Land Feb 14 2021 Retracing the path taken two thousand years earlier, Joshua must lead his followers to peace. By the author of *Joshua, Joshua and the Children, The Shepherd, and Kara, the Lonely Falcon*. 250,000 first printing.

**Britain and the Holy Land, 1838-1914** Jan 04 2020 Great Britain was the first European power to establish a consulate in Jerusalem, soon to be followed by other nations. When the consulate was forced to close in late 1914, after the outbreak of World War 2, its records were burnt to avoid having them fall into the hands of the Turkish authorities. Mordechai Eliav has selected 135 documents dating from the appointment of the first consul in 1838 to the final report on the shutting down of the consulate in November 1914. The documents are not only indicative of the activities of the consulate and its officials; they also reflect political, social and economic developments in Palestine as a whole, and in Jerusalem in particular, for almost 75 years. The volume is an important contribution to British diplomatic history, as well as to the history of nineteenth-century Palestine.

**A Pilgrimage to the Holy Land** Aug 23 2021

**Jerusalem & The Holy Land** Jul 10 2020 First published in 2002. Routledge is an imprint of Taylor & Francis, an informa company.

**Holy People, Holy Land** Sep 04 2022 Offers an integrated theological vision of the Old and New Testaments that highlights the pattern of God's work through scripture.

**The Romance of the Holy Land in American Travel Writing, 1790 – 1876** Aug 30 2019 This book is the first to engage with the full range of American travel writing about nineteenth-century Ottoman Palestine, and the first to acknowledge the influence of the late-eighteenth-century Barbary captivity narrative on nineteenth-century travel writing about the Middle East. Brian Yothers argues that American travel writing about the Holy Land forms a coherent, if greatly varied, tradition, which can only be fully understood when works by major writers such as Twain and Melville are studied alongside missionary accounts, captivity narratives, chronicles of religious pilgrimages, and travel writing in the genteel tradition. Yothers also examines works by lesser-known authors such as Bayard Taylor, John Lloyd Stephens, and Clorinda Minor, demonstrating that American travel writing is marked by a profound intertextuality with the Hebrew and Christian scriptures and with British and continental travel narratives about the Holy Land. His concluding chapter on Melville's *Clarel* shows how Melville's poem provides an incisive critique of the nascent imperial discourse discernible in the American texts with which it is in dialogue.

**The Man Who Sold Air in the Holy Land** Mar 18 2021 'In these wise, capacious, achingly beautiful stories, Omer Friedlander maps the hidden geography of the human heart like a young Chekhov' ANTHONY MARRA 'A beautiful debut by a deeply humane writer. Every story is a vivid world unto itself, intensely felt, and often revelatory' NICOLE KRAUSS A divorced con-artist and his young daughter sell empty bottles of 'holy' air to credulous tourists. In a bombed-out Beirut radio station, a Lebanese Scheherazade enchants three young soldiers with her nightly tales. Ahead of a school 'Show and Tell', two brothers kidnap a Shoah survivor from a supermarket to pose as their grandfather. An Israeli volunteer at a West Bank checkpoint mourns the death of her son, a soldier killed in Gaza. From the limestone alleyways of Jerusalem to the desolate Negev Desert and the sprawling orange groves of Jaffa, Omer Friedlander's stories are fairy tales turned on their head by the stakes of real life, where moments of fragile intimacy mix with comedy and notes of the absurd. Casting his eye, not on the region's conflicts, but on the hopes and failures of its people, *The Man Who Sold Air in the Holy Land* is at times darkly funny, at others quietly devastating.

**Narrow Gate Churches** Feb 03 2020 To protect their ancient churches from desecrating marauders on horseback, worshipers in the Holy Land centuries ago sealed off most of their doors to keep the invaders outside their sacred halls, thus the term "narrow gate churches" began to be used to describe the Christian worship centers in the Holy Land. This history of how Christians have kept the faith for two millennia under stressful conditions is a tribute to the courage and steadfastness of a remnant community which has miraculously survived under hostile regimes and straightened conditions
