Believers Foundations

Training Manual Jul 30 2019

The "Believers Foundations Training Manual" is a must study book for any newly born again believer in the Lord Jesus Christ. The book is also strongly recommended study for any believer who wants to ensure their foundational roots in the Word of God grows deeper. Many church groups do not have consistent training material for the newly born-again Christian. These are, for the most part, left to feed on scraps they could find here and there. Those who provide any such material seldom address critical and pertinent questions

the new babe in Christ may have. The world is more complex, and has unique challenging puzzles for the Christian faith; especially for the new Christian. This manual is designed to support the new Christian in the quest to seek the Lord Jesus from the very pages of the Holy Scriptures. This manual also equips the new believer to also not accept anything at face value, but ask good questions for clarification. This comes from the premise that the Holy Scriptures have the answers. The believer is imbibed with the notion that the answers, that the Lord Jesus has revealed, can be known in the pages of the scriptures through diligent

search. For those of us who are older in the faith, you may have some of your long-held beliefs challenged by biblical textual evidence. We all need this learning curve to help us grow. It's a tremendous journey. Come aboard. For those who know it all, this manual is not for you.

faithfully and satisfactorily. Many are in the ministry today without adequate training, and they have either messed things up or performed, by far, below God's Expectation from them. A minister is not supposed to be a novice, and he is to hold the mystery of the faith with a pure conscience. The Word says, "If you instruct the brethren in these things, you will be a good minister of Jesus Christ, nourished in the Words of Faith and of the Good Doctrine which you have carefully followed" (1 Tim. 4:6).

Ushering with a Mission Oct 01 2019 As we enter our church, the first person we often see is the usher. While many may look at the position of usher as simply a social one, it can be so much more. In "Ushering with a Mission," author Victor L. Davis presents the first comprehensive guide specifically addressed to the needs of the usher. The traditional approach to ushering focused on the task of

meeting, seating, and greeting worshippers. The typical training manual addressed techniques ushers should use in carrying out those duties. Davis's "Ushering with a Mission" goes a step further and emphasizes the importance of disciplining the individual usher. Ushering is viewed as a ministry rather than a committee or board activity. The ministry of ushering is approached from a Christ-centered, biblical perspective. Ushering is not something we simply do because, "It's our Sunday to usher." We do it because it is a lifestyle, resulting from the overflow of the Spirit-filled life. "Ushering with a Mission" stresses the

The function of the Prophet has almost invariably been that of recovery. That implies that his business related to something lost. That something being absolutely essential to God's full satisfaction, the dominant note of the Prophet was one of dissatisfaction. And, there being the additional factor that, for obvious reasons, the people were not disposed to go the costly way of God's full purpose, the Prophet was usually an unpopular person. But his unpopularity was no proof of his being wrong or unnecessary, for every Prophet was eventually vindicated, though with very great suffering and shame to the

Apostolic Anointing and Ministry (1 of 5) The apostolic anointing is a commissioning, sending, empowerment to impact lives for the kingdom of God. Jesus first sent 12, then 70, and finally all believers. We're all sent by God, we all have a sphere of influence, and God wants us to be used in this ministry - not only of sharing the gospel, but of healing the sick, and delivering people from evil spirits. Evil Spirits and how they Operate (2 of 5) Examples of Jesus' ministry of deliverance, how He worked, how He operated, and then some of Jesus' teaching as to what evil spirits are and how they operate. How spirits get

into people's lives and the ways they operate, leading into a closer examination of the scriptures around deliverance, and what they reveal about demons, and the spirit world. Some basics of the deliverance ministry, leading into a practice exercise (activation). Gateways for Demonic Spirits (3 of 5) Demons need a 'legal doorway' to enter a person's life. In this session, a check-list of 9 common doorways are explained; and what kinds of things would happen inside a person, as a result of demonic bondage. Curses and How to Deal with Them (4 of 5) For people who have a spiritual world view, blessing and cursing are a great reality.

Blessing means there's a flow of spiritual power that brings favour around my life; cursing means there is a flow of spiritual power that obstructs and frustrates and sets me back continually. This session will help you identify when a curse is operating, and how to go about addressing it. This includes a range of heart issues that give legal rights to demons. Jesus came to set us free! Casting out of Spirits (5 of 5) Simple dynamics of how to lead someone through deliverance, including dealing with some issues of the heart where demons are attached.
