The Faceless Ones (Skulduggery Pleasant, Book 3) Aug 26 2019 She's twelve. He's dead. But together they're going to save the world. Hopefully. Third bone-breaking, belly-busting adventure in the bestselling series that puts the "funny" back in... um... funny series. That didn't really work, did it?

Kama the Faceless Beast Aug 19 2021 Sixth in the Darkest Hour subseries Tom has faced many Beast Quests, but this one might be his last! He has reached the end of the Warrior's Road and must face many enemies. He must defeat them all—if he fails, Avantia will be destroyed.

Faceless Killers Jul 18 2021 Discover the thrilling first novel in the addictive Wallander series 'Wallander is among the very best fictional crimebusters' Daily Telegraph One frozen January morning at 5am, Inspector Wallander responds to what he believes is a routine call out. When he reaches the isolated farmhouse he discovers a bloodbath. An old man has been tortured and beaten to death, his wife lies barely alive beside his shattered body, both victims of a violence beyond reason. The woman supplies Wallander with his only clue: the perpetrators may have been foreign. When this is leaked to the press, it unleashes a tide of racism. Wallander's life is a shambles. His wife has left him, his daughter refuses to speak to him, and even his ageing father barely tolerates him. He works tirelessly, eats badly, and drinks

his nights away. But now Wallander must forget his troubles and throw himself into a battle against time and against mounting racial hatred. 'Mankell is one of the most ingenious crime writers around. Highly recommended' Observer Mankell is in the first division of crime writing' The Times

Faceless Sep 19 2021 As a serial killer stalks a coastal English town, a troubled detective is on the trail in this gritty crime thriller by the author of The Mechanic Trilogy. The English seaside town of Blackpool has a dangerous side, as Detective Inspector Rosalind Kray knows all too well. After surviving a vicious knife attack which left her husband dead, Kray is now returning to work—only to be handed a serial killer investigation. But this killer doesn't just want to take the lives of his victims, he wants to obliterate their very existence. The murders appear random, but each quarry is selected with meticulous care. Kray has always had a unique asset in investigations like these: the ability to think like a killer. Between fighting her superiors and struggling with her own demons, Kray makes a series of horrifying discoveries that turn the case on its head. But just when she thinks she's closing in on the killer, her world comes crashing down in ways she could never have imagined.

Faceless Dec 31 2019 When Maisie is struck by lightning, her face is partially destroyed. She's lucky enough to get a face transplant, but how

do you live your life when you can't even recognize yourself any more? She was a runner, a girlfriend, a good student ... a normal girl. Now, after a single freak accident, all that has changed. As Maisie discovers how much her looks did and didn't shape her relationship to the world, she has to redefine her own identity, and figure out what 'lucky' really means.

The Faceless Woman Sep 07 2020 The Swan Princess meets Irish Mythology in this sweeping retelling. Once upon a time...A town will only suffer the presence of a witch for as long as she is useful. Aisling watches the flames lick her thighs and prays for a quick death. But when an Unseelie prince appears through the smoke, she does what any self respecting witch would do.

The Faceless Old Woman Who Secretly Lives in Your Home: A Welcome to Night Vale

Novel Sep 27 2019 From the New York Times bestselling authors of *Welcome to Night Vale* and *It Devours!* and the creators of the No. 1 podcast, comes a new novel set in the world of *Night Vale* and beyond. In the town of *Night Vale*, there's a faceless old woman who secretly lives in everyone's home, but no one knows how she got there or where she came from . . . until now. Told in a series of eerie flashbacks, the story of *The Woman* is revealed, as she guides, haunts and sabotages an unfortunate *Night Vale* resident named Craig. In the end, her dealings with Craig and her history in nineteenth century Europe will come together in the most unexpected and horrifying way. Part *The Haunting of Hill House*, part *The Count of Monte Cristo*, and 100% about a faceless old woman who secretly lives in your home.

Faceless Killers Dec 23 2021 Inspector Kurt Wallander, a local Swedish police officer whose own personal life is falling apart, finds himself coping with a wave of anti-foreigner sentiment when he is put in charge of the investigation into the brutal murders of an elderly couple.

[Challenging the Myth of Gender Equality in Sweden](#) Oct 21 2021 This is the first book to explode the myth of Swedish gender equality, offering both a new perspective for an international audience, and suggesting how equality might be re-thought more generally.

Scandinavian Crime Fiction Aug 07 2020 This collection of articles studies the development of crime fiction in Denmark, Finland, Iceland,

Norway and Sweden since the 1960s, offering the first English-language study of this widely read and influential form. Since the first Martin-Beck novel of Maj Sjöwall and Per Wahlöö appeared in 1965, the socially-critical crime novel has figured prominently in Scandinavian culture, and found hundreds of millions of readers outside Scandinavia. But is there truly a Scandinavian crime novel tradition?

Scandinavian Crime Fiction identifies distinct features and changes in the Scandinavian crime tradition through analysis of some of its most well-known writers: Henning Mankell, Stieg Larsson, Anne Holt, Liza Marklund, Leena Lehtolainen, and Arnaldur Indriðason, among others. Focusing on Scandinavian crime fiction's snowballing prominence since the 1990s, articles zoom in on the transformation of the genre's social criticism, study the significance of cultural and geographical place in the tradition, and analyze the cultural politics of crime fiction, including struggles over gender equity, sexuality, ethnicity, history, and the fate of the welfare state. *Scandinavian Crime Fiction* maps out the contribution of Scandinavian crime writers to contemporary European culture and society, making the volume valuable to scholars and the interested public.

[Pel And The Paris Mob](#) Jun 04 2020 In his beloved Burgundy, Chief Inspector Pel finds himself incensed by interference from Paris and crimes are being committed by violent gangs from Paris and Marseilles. He also unravels the riddles of a robbery and mysterious shootings. As if that wasn't enough, Pel must deal with the misadventures of a Serjeant and his lover.

Stinger the Sea Phantom Jun 16 2021 Spectron, the Sea Ghost City, is in danger! The wicked Professor has unleashed another of his menacing

Robobeasts. Can Max and his friends defeat Stinger the Sea Phantom and protect the Sea Ghosts? Don't miss the other books in this series: Shredder the Spider Droid, Crusher the Creeping Terror and Mangler the Dark Menace. *Faceless* Apr 14 2021 The nail-biting, thought-provoking, shocking new standalone thriller from New Zealand's Queen of Crime, Vanda Symon.

Henning Mankell Wallander Bundle: Faceless Killers, The Dogs of Riga, The White Feb 22 2022 The first three novels in Henning Manning's Kurt Wallander series are now available in a trade paperback set. Mystery fans across America are discovering the international bestseller Henning Mankell and his character Kurt Wallander, the veteran Swedish police detective. **FACELESS KILLERS** First in the Kurt Wallander series. It was a senselessly violent crime: on a cold night in a remote Swedish farmhouse an elderly farmer is bludgeoned to death, and his wife is left to die with a noose around her neck. And as if this didn't present enough problems for the Ystad police Inspector Kurt Wallander, the dying woman's last word is foreign, leaving the police the one tangible clue they have—and in the process, the match that could inflame Sweden's already smoldering anti-immigrant sentiments. **THE DOGS OF RIGA** Second in the Kurt Wallander series. On the Swedish coastline, two bodies, victims of grisly torture and cold execution, are discovered in a life raft. With no witnesses, no motives, and no crime scene, Detective Kurt Wallander is frustrated and uncertain he has the ability to solve a case as mysterious as it is heinous. But after the victims are traced to the Baltic state of Latvia, a country gripped by the upheaval of Soviet disintegration, Major Liepa of the Riga police takes over the investigation. Thinking his work done, Wallander slips into routine once more, until suddenly, he is called to Riga and plunged into an alien world where shadows are everywhere, everything is watched, and old regimes will do anything to stay alive. **THE WHITE LIONESS** Third in the Kurt Wallander series. The execution-style murder of a Swedish housewife looks like a simple case even though there is no obvious suspect. But then Wallander learns of a determined stalker, and soon enough, the cops catch up with him. But when his alibi

turns out to be airtight, they realize that what seemed a simple crime of passion is actually far more complex—and dangerous. The search for the truth behind the killing eventually uncovers an assassination plot, and Wallander soon finds himself in a tangle with both the secret police and a ruthless foreign agent. Combining compelling insights into the sinister side of modern life with a riveting tale of international intrigue, *The White Lioness* keeps you on the knife-edge of suspense.

Pel And The Predators May 04 2020 There has been a sudden spate of murders around Burgundy where Pel has just been promoted to Chief Inspector. He also receives a letter bomb, and these combined events threaten to overturn Pel's plans to marry. Can Pel keep his life, his love and his career by solving the murder mysteries? Can Pel stave off the predators?

Tissue Economies Dec 11 2020 As new medical technologies are developed, more and more human tissues—such as skin, bones, heart valves, embryos, and stem cell lines—are stored and distributed for therapeutic and research purposes. The accelerating circulation of human tissue fragments raises profound social and ethical concerns related to who donates or sells bodily tissue, who receives it, and who profits—or does not—from the transaction. Catherine Waldby and Robert Mitchell survey the rapidly expanding economies of exchange in human tissue, explaining the complex questions raised and suggesting likely developments. Comparing contemporary tissue economies in the United Kingdom and United States, they explore and complicate the distinction that has dominated practice and policy for several decades: the distinction between tissue as a gift to be exchanged in a transaction separate from the commercial market and tissue as a commodity to be traded for profit. Waldby and Mitchell pull together a prodigious amount of research—involving policy reports and scientific papers, operating manuals, legal decisions, interviews, journalism, and Congressional testimony—to offer a series of case studies based on particular forms of tissue exchange. They examine the effect of threats of contamination—from HIV and other pathogens—on blood banks' understandings of the gift/commodity relationship; the growth of

autologous economies, in which individuals bank their tissues for their own use; the creation of the United Kingdom's Stem Cell bank, which facilitates the donation of embryos for stem cell development; and the legal and financial repercussions of designating some tissues "hospital waste." They also consider the impact of different models of biotechnology patents on tissue economies and the relationship between experimental therapies to regenerate damaged or degenerated tissues and calls for a legal, for-profit market in organs. Ultimately, Waldby and Mitchell conclude that scientific technologies, the globalization of tissue exchange, and recent anthropological, sociological, and legal thinking have blurred any strict line separating donations from the incursion of market values into tissue economies.

Faceless May 16 2021 She's done the time, now she wants revenge. 'The Queen of Crime' Woman & Home 'The undisputed queen of British crime thrillers' Heat 'She's a total one-off' Guardian A gripping novel of one woman's revenge, Faceless by the Sunday Times No.1 bestseller Martina Cole takes a dark and honest look at what life is really like on the inside. Marie Carter lost everything the day she went to prison for a double murder she doesn't remember committing. Her parents abandoned her, her friends disappeared. Even her children didn't want to know. Twelve long years later, Marie is out and she's back to settle some scores... For more compelling novels about life on the inside, be sure to read Martina Cole's *Two Women*, *The Jump* and *The Good Life*.

The DI Rosalind Kray Series Books One to Three

Nov 02 2022 The first three DI Rosalind Kray crime thrillers, together in one collection, from the bestselling author of the DS Malice series. Faceless Blackpool DI Rosalind Kray returns to work after surviving a vicious knife attack that took her husband's life. Her first case back, unfortunately, is far from simple. A serial killer is going to great lengths to kill and obliterate the existence of his victims. In her efforts to find the killer, Roz also fights with her superiors and wrestles with her inner demons. Soon, horrifying revelations are made, turning the case on its head. Roz is about to discover the truth is closer than she could have ever imagined . . . This Little Piggy Kevin Palmer was just a regular guy—until his wife, money, business, and reputation were all taken away from him. Now he wants revenge . . . DI Rosalind Kray is still reeling from an attack that took her husband's life. She finds herself on the trail of a twisted killer and cracks the macabre pattern of murders. Roz suspects Palmer, but her boss is unconvinced. So, with the clock ticking, Roz must find a way to pin the murders on Palmer before another falls victim to his plan . . .

Suspended Retribution DI Rosalind Kray hopes to become the new DCI after tracking down another serial killer, but those in charge have other ideas. Meanwhile, after a small-time crook is killed in a hit and run and a serial burglar is brutally murdered, Kray suspects a vigilante is at work . . . Once again, Kray finds herself on the trail of a serial killer, but this one is different. Now, with her bosses on her heels and the body count rising, Kray must hurry to take down this madman before it ruins her. A terrific choice for fans of Caroline Mitchell, Helen H. Durrant, and Angela Marsons.

Death Set To Music Mar 02 2020 The severely battered body of a murder victim turns up in provincial France and the sharp-tongued Chief Inspector Pel must use all his Gallic guile to understand the pile of clues building up around him, until a further murder and one small boy make the elusive truth all too apparent.

Faceless (a Suburban Noir Novel) Jul 26 2019

In the heart of Silicon Valley, a group of longtime friends present their idealized lives on social media, while their true selves remain masked. Battling feelings of betrayal, envy, and lust, their addiction to an endless stream of updates is silently eating at the foundation of their relationships. One of them is not feeling the love. One of them is isolated and jealous, and considers murder worth the price to gain a life that matches the glittering world displayed online. *Faceless* is a gripping suburban noir novel that explores the dark side of social media, and leads us to ask whether those we call our friends might be complete strangers.

Pel And The Pirates Jul 06 2020 As Chief Inspector Pel honeymoons with his long-time love in St Ives, a local taxi driver is murdered. More puzzling is his attempts to reach Pel before the brutal killing and the fact his message is one of murder, arson, and smuggling. But, can Pel break the silence surrounding the Islanders, and catch the killer?

Break-ins at Sanctuary Churches and Organizations Opposed to Administration Policy in Central America Nov 09 2020

Harrap's essential English Dictionary Oct 28 2019

Faceless Jul 30 2022 BE CAREFUL A masked robber, a gunshot, an endless nightmare left in its wake. Wynter Moore was just four years old when she witnessed the murder of her mother. For twenty-five years she's tried to blunt the trauma with ambition. Yet each year, she shuts down her popular Iowa restaurant to return to her small hometown of Pike, Wisconsin, to grieve. Only this time, her visit will be marked by new danger and shocking discoveries about the past—and about her mother. WHAT YOU DIG FOR Why kill her? That's what's scrawled on the picture Pike's recently deceased sheriff left behind for Wynter. Pulled from surveillance tape, it shows the fatal hold-up—and raises unnerving questions. Soon, Wynter is opening a Pandora's box of dark revelations and suspects. When frightening incidents and threats start coming, it's clear that Wynter is a target herself. Enemies seem to abound—except for one man . . . YOU JUST MIGHT GET KILLED Game warden Noah Heller has tried to convince himself that Wynter is just a friend ever since they met in grief counseling as teenagers. But now that

she's in danger, that denial is over. Traveling to her side, he helps Wynter retrace the treacherous steps of her complex mother's life—before she loses her own. Because someone wants—needs—Wynter gone, forever. Praise for *Pretend You're Safe* “A satisfying mystery . . . Ivy's clever foreshadowing keeps the tension high throughout this fast-moving tale, and the romance sizzles.” —Publishers Weekly “A pulse-raising romantic thriller.” —BookPage

The Faceless God Mar 14 2021

Dark Days Jan 24 2022 Skulduggery is gone. All our hopes rest with Valkyrie. The world's weight is on her shoulders, and its fate is in her hands.

Forbidden Brides of the Faceless Slaves in the Secret House of the Night of Dread

Desire May 28 2022 A celebrated send-up of gothic literature, beautifully adapted into a dark, brooding, and oddly comical graphic novel.

Somewhere in the night, a raven caws, an author's pen scratches, and thunder claps. The author wants to write fiction: stories about frail women in white nightgowns, mysterious bumps in the night, and the undead rising to collect old debts. But he keeps getting interrupted by the everyday annoyances of talking ravens, duels to the death, and his sinister butler. Shane Oakley beautifully illustrates New York Times bestselling author Neil Gaiman's satirical tale.

The Faceless Mage Apr 26 2022 He'll protect her with his last breath...Until she becomes his next target. Leisa's ambitions used to be simple. Guard the princess. Hide her magic. Wait for her family to return. But all of that changes when her king demands that she use her unique abilities to spy on the rival kingdom of Garimore. Alone, far from home, and living a lie that grows more perilous by the day, Leisa's task is complicated by her most dangerous enemy yet—the masked assassin known only as the Raven. Everyone in the Five Thrones knows to fear him, but the Raven is not what Leisa expected. As silent as he is lethal, he provokes her curiosity as much as her fear, and hides secrets she's determined to learn. When her already precarious mission takes a deadly turn, Leisa must evade the Raven himself if she is to succeed. It's never been done before, but Leisa is nothing if not stubborn. And if she doesn't become the first to escape his blade, her entire kingdom will pay the price—in blood. If you love adventure, mystery, and slow-

burn enemies-to-lovers romance, discover the Legends of Abreia, a new romantic fantasy series for fans of Sylvia Mercedes, Miranda Honfleur and Shari L. Tapscott!

The Routledge Companion to Literary Urban Studies Nov 29 2019 Over the past decades, the growing interest in the study of literature of the city has led to the development of literary urban studies as a discipline in its own right. The Routledge Companion to Literary Urban Studies provides a methodical overview of the fundamentals of this developing discipline and a detailed outline of new directions in the field. It consists of 33 newly commissioned chapters that provide an outline of contemporary literary urban studies. The Companion covers all of the main theoretical approaches as well as key literary genres, with case studies covering a range of different geographical, cultural, and historical settings. The final chapters provide a window into new debates in the field. The three focal issues are key concepts and genres of literary urban studies; a reassessment and critique of classical urban studies theories and the canon of literary capitals; and methods for the analysis of cities in literature. The Routledge Companion to Literary Urban Studies provides the reader with practical insights into the methods and approaches that can be applied to the city in literature and serves as an important reference work for upper-level students and researchers working on city literature.

The Faceless Ones Jun 28 2022 Third bone-breaking, belly-busting adventure in the series that puts the "funny" back in... um... funny series. That didn't really work, did it? If you've read the previous Skulduggery books then you know what the Faceless Ones are - and if you know what the Faceless Ones are, then you can probably take a wild guess that things in this book are going to get AWFULLY sticky for our skeletal hero and his young sidekick. If you haven't read the previous Skulduggery books then what are you doing reading this? Go and read them right now, so that you know what all that stuff in the previous paragraph was about. Done? Good. So now you're on tenterhooks too, desperately awaiting the answers to all your questions, and instead you're going to have to wait to read the book. Sorry about that.

Emile Zola and the Artistry of Adaptation Jan 12

2021 "Filmmakers have drawn inspiration from the pages of Emile Zola from the earliest days of cinema. The ever-growing number of adaptations they have produced spans eras, genres, languages, and styles. In spite of the diversity of these approaches, numerous critics regard them as inferior copies of a superior textual original. But key novels by Zola resist this critical approach to adaptation. Both at the level of characterization and in terms of their own textual inheritance, they question the very possibility of origin, be it personal or textual. In the light of this questioning, the cinematic versions created from Zola's texts merit critical re-evaluation. Far from being facile copies of the nineteenth-century novelists' works, these films assess their own status as adaptations, playing with both notions of artistic creation and their own artistic act. Kate Griffiths is a lecturer in French at Swansea University."

It Devours! Nov 21 2021 From the authors of the New York Times bestselling novel *Welcome to Night Vale* and the #1 podcast of the same name, comes a powerful new novel about two young people finding their place in the world, and the terrifying, toothy power of the Smiling God. Nilanjana Sikdar is an outsider to the town of Night Vale. Working for Carlos, the town's top scientist, she relies on fact and logic as her guiding principles. But all of that is put into question when Carlos gives her a special assignment investigating a mysterious rumbling in the desert wasteland outside of town. This investigation leads her to the Joyous Congregation of the Smiling God, and to Darryl, one of its most committed members. Caught between her beliefs in the ultimate power of science and her growing attraction to Darryl, she begins to suspect the Congregation is planning a ritual that could threaten the lives of everyone in town. Nilanjana and Darryl must search for common ground between their very different world views as they are faced with the Congregation's darkest and most terrible secret.

Faceless Feb 10 2021 Newbery Honor winner Kathryn Lasky, author of the *Guardians of Ga'hoole* series, delivers a riveting adventure about young British spies on a secret mission in Germany in WWII. "Fascinating and riveting, especially for history buffs and spy aficionados." —Kirkus "A page-turner, particularly for readers

intrigued by WWII.” —Booklist “With a well-detailed historical backdrop and a puzzling familial mystery, this novel delivers intrigue.” —Publishers Weekly Over the centuries, a small clan of spies called the Tabula Rasa has worked ceaselessly to fight oppression. They can pass unseen through enemy lines and “become” other people without being recognized. They are, essentially, faceless. Alice and Louise Winfield are sisters and spies in the Tabula Rasa. They’re growing up in wartime England, where the threat of Nazi occupation is ever near. But Louise wants to live an ordinary life and leaves the agency. Now, as Alice faces her most dangerous assignment yet, she fears discovery, but, most of all, she fears losing her own sister. This upper middle grade novel is a mix of espionage and historical adventure and will appeal to fans of Elizabeth Wein and Ruta Sepetys. Lasky masterfully spins a tale filled with mystery, suspense, and intrigue that will have readers hooked. *Faceless* is also a springboard for the study of World War II, with special interest to classrooms that would like to teach subjects such as Hitler, the Nazi regime,

and anti-Nazi resistance.

[Pel And The Party Spirit](#) Apr 02 2020 Chief Inspector Pel and Brigade Criminelle are mobilised when a fatal stabbing, an anticipated delivery of lethal drugs, and the discovery of a corpse in an ancient tower all coincide with a frantic search for two murderous hitchhikers. *Faceless* Jun 24 2019 The contributions to this book explore a phenomenon that appears to be a contradiction in itself - we, the users of computers, can be tracked in digital space for all eternity. Although, on the one hand, one wants to be noticed and noticeable, on the other hand one does not necessarily want to be recognized at the first instance, being prey to an unfathomable public, or - even less so - to lose face. The book documents artistic and other strategies that point out options for appearing in the infinite book of faces whilst nevertheless avoiding being included in any records. The desire not to become a mere object of facial sell-out does not just remain an aesthetic endeavor. The contributions also contain combative and sarcastic statements against a digital dynamic that has already penetrated our everyday lives.
