*The Year We Learned to Fly Mar 01 2020 Jacqueline Woodson and Rafael López's highly anticipated companion to their #1 New York Times bestseller The Day You Begin illuminates the power in each of us to face challenges with confidence. On a dreary, stuck-inside kind of day, a brother and sister heed their grandmother's advice: "Use those beautiful and brilliant minds of yours. Lift your arms, close your eyes, take a deep breath, and believe in a thing. Somebody somewhere at some point was just as bored you are now." And before they know it, their imaginations lift them up and out of their boredom. Then, on a day full of quarrels, it's time for a trip outside their minds again, and they are able to leave their anger behind. This precious skill, their grandmother tells them, harkens back to the days long before they were born, when their ancestors showed the world the strength and resilience of their beautiful and brilliant minds. Jacqueline Woodson's lyrical text and Rafael Lopez's dazzling art celebrate the extraordinary ability to lift ourselves up and imagine a better world.*

On this basis, the book then presents a detailed analysis of online brand communities, examining the concept of virtual community with a specific focus on virtual brand communities. In this context the book also explores recent trends related to branding and brand management. Crecer Jan 11 2021 Las dinámicas actuales de vida han incrementado la importancia de la agilidad con la que ejecutamos nuestras actividades diarias. Sin embargo, el bombardeo constante con información proveniente de diferentes fuentes, genera una sobrecarga que afecta negativamente tanto a los sentidos, como a las actividades. Como respuesta a estas dinámicas, surgen nuevos métodos y herramientas. Ellos se enfocan principalmente en la forma de llevar a cabo las actividades, a manera de lograr los objetivos. En la medida que las personas son eficaces en la consecución de sus metas y objetivos, en esa misma medida se sienten satisfechas con ellas mismas, y por ende con sus vidas. Este proceso origina situaciones donde es cada vez más frecuente la obtención del éxito, indistintamente de la interpretación individual que se tenga de él. Crecer es un conjunto de talleres orientados al desarrollo personal con alto impacto en el desempeño, y que nacen de la necesidad de aumentar la productividad individual como modo de mejorar y acelerar el flujo y ejecución de las acciones adelantadas en el ambiente laboral. 6 talleres divididos en dos ciclos de 3 talleres cada uno: Ciclo Vital: Accionar, Mejorar, Fluir. Dancing Hands Feb 09 2021 Winner of the Pura Belpré Illustrator Award A Kirkus Reviews Best Picture Book In soaring words and stunning illustrations, Margarita Engle and Rafael López tell the story of Teresa Carreño, a child prodigy who played piano for Abraham Lincoln. As a little girl, Teresa Carreño loved to let her hands dance across the beautiful keys of the piano. If she felt sad, music cheered her up, and when she was happy, the piano helped her share that joy. Soon she was writing her own songs and performing in grand cathedrals. Then a revolution in Venezuela forced her family to flee to the United States. Teresa felt lonely in this unfamiliar place, where few of the people she met spoke Spanish. Worst of all, there was fighting in her new home, too—the Civil War. Still, Teresa kept playing, and soon she grew famous as the talented Piano Girl who could play anything from a folk song to a sonata. So famous, in fact, that President Abraham Lincoln wanted her to play at the White House! Yet with the country torn apart by war, could Teresa's music bring comfort to those who needed it most?

The Day You Begin Nov 28 2019 A #1 NEW YORK TIMES BESTSELLER! Featured in its own episode in the Netflix original show *Bookmarks: Celebrating Black Voices!* National Book Award winner Jacqueline Woodson and two-time Pura Belpré Illustrator Award winner Rafael López have teamed up to create a poignant, yet heartening book about finding courage to

connect, even when you feel scared and alone. There will be times when you walk into a room and no one there is quite like you. There are many reasons to feel different. Maybe it's how you look or talk, or where you're from; maybe it's what you eat, or something just as random. It's not easy to take those first steps into a place where nobody really knows you yet, but somehow you do it. Jacqueline Woodson's lyrical text and Rafael López's dazzling art reminds us that we all feel like outsiders sometimes-and how brave it is that we go forth anyway. And that sometimes, when we reach out and begin to share our stories, others will be happy to meet us halfway. (This book is also available in Spanish, as *El Día En Que Descubres Quién Eres!*)
