something and I wish to add my mite. The reader will find little that is directly controversial in these papers. I have carefully abstained from naming modern teachers and modern books. I have been content to give the result of my own study of the Bible, my own private meditations, my own prayers for light, and my own reading of old divines. If in anything I am still in error, I hope I shall be shown it before I leave the world. We all see in part, and have a treasure in earthen vessels. I trust I am willing to learn.

In 1970, as the war in Vietnam was heating up, Ostriker was awaiting the birth of her son. On April 30, President Nixon announced the bombing of Cambodia. On May 14, four students were shot and killed by National Guardsmen at Kent State University. The poems in this collection confront Ostriker's personal tumult as she considered the world she had brought her son into.

realism. His work, which often features Americans traveling to Europe, is noted for its intimate examination of the consciousness of his characters. In this volume we find two of his most popular works. "The Turn of the Screw" is an intense psychological tale of terror. Beginning in an old house on Christmas Eve, it is the story of a governess who comes to live with and take care of two young children, whose parents have recently died. The governess loves her new position in charge of the young children; however she is soon disturbed when she begins to see ghosts. "The Aspern Papers" is the story of an unnamed narrator who
