If you enjoy fantasy worlds, magical races, and surprising spins on classic fairy tales, then you'll love this enchanting retelling of The Little Mermaid. WHAT READERS ARE SAYING: "There was very little that I predicted, when there was a moment of loss I truly felt it, and I loved the unique spins she placed on the well-known THE LITTLE MERMAID tale." Rachael Martin (Goodreads Reviewer) "I went into this story super excited to find out more about Rena and Arie, and I was left unable to wait for the next book! I seriously read this book in one sitting (which left everything aching, but so worth it!). I absolutely loved The Stolen Kingdom, and book two did not disappoint. The Jinni Key's world-building was actually one of my favorites, so complex and detailed and very fun." Sarah Sutton (Goodreads Reviewer) "I couldn't even put the book down because I had to know what happened... These are the kind of retellings that I love because while the base story is weaved in there lightly the story doesn't rely on The Little Mermaid. It goes so far past that and you are invested in everything that is happening..." Katelyn Spedden (Goodreads Reviewer) "There is so much action going on in this book and as the story moved on, the stakes kept getting higher and higher - I couldn't put it down (read it in a few hours) and I can't wait to read the next book in the series!" Elira Barnes (Goodreads Reviewer) "This was an amazing second book! All of Bethany's hard work paid off ten fold! I loved how all the relationships developed and all the animal moments. I especially love Rena and her quirky personality. She makes an amazing POV character." Andrea Roberts (Goodreads Reviewer) "Once again, Bethany Atazadeh takes some risks with this Little Mermaid retelling and mixes in a lot of original story and world elements, along with engaging characters to make it an intriguing and magical read that I was sad to see end." Janine (Goodreads Reviewer) "I loved finding out what happens next. I'm excited and am definitely going to read the third book. Captivating story." Kaylee White (Goodreads Reviewer) THE STOLEN KINGDOM SERIES READING ORDER: Book 1: The Stolen Kingdom: An Aladdin retelling Book 2: The Jinni Key: A Little Mermaid retelling Book 3: The Cursed Hunter: A Beauty and the Beast retelling Book 4: The Enchanted Crown: A Sleeping Beauty retelling THE QUEEN'S RISE SERIES (a connected trilogy in The Stolen Kingdom Universe) Book 1: The Secret Gift Book 2: The Secret Shadow Book 3: The Secret Curse

How to Make a Success of Your Marriage - Psychological, Spiritual, and Emotional Guidance for a Long-Lasting Marriage without Counseling Jul 20  
2021 Table of Contents Introduction It Is All His Fault! But I Married Too Young... Self-Justification Criticism and Contempt Escalation of the Situation The Silent Treatment Do NOT Bring Me Flowers Anymore The Importance of Physical Intimacy in a Successful Marriage Conclusion Author Bio Publisher Introduction All these years happily married and still going strong... Once while I was training under a psychologist, she told me that in her particular country, nobody had ever heard of marriage counseling, because the option of divorce, a couple splitting up was unheard of, in their culture, traditions, and upbringing. For them, marriage was a once-in-a-lifetime proposition, to be ended only after "till death do us part." And even then, many partners did not marry again, because they still considered themselves married to their spouses, even after becoming a widow or widower. I also have been brought up in such a supposedly old-fashioned milieu, and society, naturally thanks to our upbringing, culture, and one may almost say old-fashioned traditions, for every one of us, marriage is once and forever, and never ever to be broken up under any circumstances. So it was with great surprise, that I began to see the trend of divorces gaining popularity, because that had become a modern fashionable option, and if so many people in the West were doing it, this was of course the best way of getting out of a partnership which one had begun considering to be a bit of a drag, and look for more exciting options elsewhere. Sadly enough, you are going to be surprised to know that statistics say that 27% of married American men are going to have an extramarital affair, just because it happened and they could not control it. Isn't it interesting to know that just three

generations ago, their own grandparents considered extramarital affairs to be a thing of shame, not a thing of which a virtuous responsible father or husband did, and faithfulness was a part of his principles, upbringing, tradition, and culture. He believed in his marriage vows. And so did his wife. And using him as an example, his children followed in his steps. But then suddenly in the 70s, 80s, and 90s, it began to be fashionable to divorce and marry again, not understanding about the emotional, psychological, spiritual, physical, and mental trauma this would have on all the members of the family, parents, and children.
