Beast May 15 2021 Can Beauty tame her BEAST? Isabella-Grady Williams is a national treasure, the youngest living Medal of Honor recipient, America's scarred superhero. With tattooed arms sculpted from carrying M-16s, this bad boy has girls begging from sea to shining sea to get a piece of his action. When my father squanders away my college fund, I make a deal with this dirty-talking Devil Dog-I will pretend to be Grady's girlfriend for the Marine Corps Ball, and my dad will write Grady's war memoir. Grady is fearless. Hell, this badass jumped on a grenade to save his fellow Marines! As much as I crave him, I refuse to allow myself to become addicted to a dangerous man who will detonate my heart. Grady-Isabella Cuesta is an angel who can see beyond my mangled skin, a pawn used to repay her father's debt, a woman who makes me feel like a man instead of a monster. But I no longer believe in fairy tales. She's mine until our contract ends. I'll take her hard and rough, listen to all her hopes and fears, lay down my life to protect her. This beauty will never let herself love a dangerous man like me-a man who has killed, a man who runs towards gunfire, a man who never backs down from a fight. But without her love, I'm not a man-I'll remain forever a beast.

African Christianity Sep 26 2019 It is ideologically driven to build a group of church historians who will tell the story of African Christianity, not Christianity in Africa, as an African story, by intentionally privileging the patterns of African agency without neglecting the noble roles played by missionaries. The effort has been to identify the major themes or story lines in African encounters and in the appropriation of the gospel. --from publisher description.

Bunnybear Jun 15 2021 Although Bunnybear was born a bear, he feels more like a bunny. He prefers bouncing in the thicket to tramping in the forest, and in his heart he's fluffy and tiny, like a rabbit, instead of burly and loud, like a bear. [Anthem](#) Jun 03 2020 For people of African descent, music constitutes a unique domain of expression. From traditional West African drumming to South African kwaito, from spirituals to hip-hop, Black life and history has been dynamically displayed and contested through sound. Shana Redmond excavates the sonic histories of these communities through a genre emblematic of Black solidarity and citizenship: anthems. An interdisciplinary cultural history, Anthem reveals how this "sound franchise" contributed to the growth and mobilization of the modern, Black citizen. Providing new political frames and aesthetic articulations for protest organizations and activist-musicians, Redmond reveals the anthem as a crucial musical form following World War I. Beginning with the premise that an analysis of the composition, performance, and uses of Black anthems allows for a more complex reading of

racial and political formations within the twentieth century, Redmond expands our understanding of how and why diaspora was a formative conceptual and political framework of modern Black identity. By tracing key compositions and performances around the world—from James Weldon Johnson's "Lift Ev'ry Voice and Sing" that mobilized the NAACP to Nina Simone's "To Be Young, Gifted & Black" which became the Black National Anthem of the Congress of Racial Equality (CORE)—Anthem develops a robust recording of Black social movements in the twentieth century that will forever alter the way you hear race and nation. Shana L. Redmond is Assistant Professor of American Studies and Ethnicity at the University of Southern California. She is a former musician and labor organizer.

Valley of the Dudes Apr 13 2021 In this M/M homage to the classic novel, Valley of the Dolls, Lambda-winning author Ryan Fields introduces us to six gay men searching for love and fame in the celebrity-fueled worlds of Broadway and Hollywood. The wide-eyed lawyer Rush Goodwin abandons his quaint New England life for the bright lights of New York City, where he meets singers/actors Cody and Anderson, and their partners, who are all just as young and innocent as he is. When Rush meets his new boss, handsome lawyer Lance Sharp, it's love at first sight and the beginning of a turbulent affair. As fame and fortune knock on each of their doors, Rush and his friends each learn, in their own different ways, that nothing ever goes according to plan. They each find themselves seeking the comforts of drugs (nicknamed 'dudes' to those in the know) to deal with the stress of success, which leads to its own spiral down the proverbial rabbit hole of broken hearts and dreams. But sometimes, we learn from our mistakes, and Rush and Lance find themselves when they let go and follow their hearts.
