that the sermon had upon the imagination of New England Puritans. In this book Emory Elliott puts forth a complex and striking thesis: that Puritan religious literature provided the myths and metaphors that helped the people to express their deepest doubts and fears, feelings created by their particular cultural situation and aroused by the crucial social events of seventeenth-century America. In his early chapters, the author defines the psychological needs of the second- and third-generation Puritans, arguing that these needs arose from the generational conflict between the founders and their children and from the methods of child rearing and religious education employed in Puritan New England. In the later chapters, he reveals how the ministers responded to the crisis in their society by reshaping theology and constructing in their sermons a religious language that helped to fulfill the most urgent psychological needs of the people. Originally published in 1975. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

and imagination in the work of one of the greatest of Free Church theologians, P. T. Forsyth. At a time of fragmentation, when theological study has become too much removed from the task of the preacher, Forsyth's work can remind us of the invigorating power of Christian doctrine interpreted and expounded in situations of pastoral and political exigency. Its capacity for the renewal of the church is evident again from this rich and timely anthology, compiled and introduced by Jason Goroncy.

*Race, Religion, and the Pulpit* Jul 20 2021 During the Great Migration of African Americans from the South to the cities of the Northeast, Midwest, and West, the local black church was essential in the making and reshaping of urban areas. In Detroit, there was one church and one minister in particular that demonstrated this power of the pulpit—Second Baptist Church of Detroit (“Second,” as many members called it) and its nineteenth pastor, the Reverend Robert L. Bradby. In *Race, Religion, and the Pulpit: Rev. Robert L. Bradby and the Making of Urban Detroit*, author Julia Marie Robinson explores how Bradby’s church became the catalyst for economic empowerment, community building, and the formation of an urban African American working class in Detroit. Robinson begins by examining Reverend Bradby’s formative years in Ontario, Canada; his rise to prominence as a pastor and community leader at Second Baptist in Detroit; and the sociohistorical context of his work in the early years of the Great Migration. She goes on to investigate the sometimes surprising nature of relationships between Second Baptist, its members, and prominent white elites in Detroit, including Bradby’s close relationship to Ford Motor Company and Henry Ford. Finally, Robinson details Bradby’s efforts as a “race leader” and activist, roles that were tied directly to his theology. She looks at the parts the minister played in such high-profile events as the organizing of Detroit’s NAACP chapter, the Ossian Sweet trial of the mid-1920s, the Scottsboro Boys trials in the

Detroit in the 1940s. Race, Religion, and the Pulpit presents a full and nuanced picture of Bradby's life that has so far been missing from the scholarly record. Readers interested in the intersections of race and religion in American history, as well as anyone with ties to Detroit's Second Baptist Church, will appreciate this thorough volume.

**More Power in the Pulpit** Mar 28 2022 In this companion and sequel to the best-selling *Power in the Pulpit* (2002), which has sold over 11,000 copies, more of America's best-known and most influential African American preachers describe how they go about preparing their sermons. Each preacher also presents a sermon that highlights his or her particular method of sermon preparation. This book is an excellent how-to manual for pastors and students, presenting sage advice and wisdom on the art of preaching and an inspirational look at the work of some of the most prominent figures in the life of the black church.

*Passion in the Pulpit* Apr 04 2020 Biblical exegesis doesn't stop with the words alone. Faithful preachers exegete the emotion of the text as well. It's easy to let our own personalities dictate the emotional dimension of our sermons, but the best preachers mirror the Bible's emotive intent in their sermons. In *Passion in the Pulpit*, Jerry Vines and Adam Dooley will teach you how to exegete not just the verbal content of Scripture, but its emotional appeal as well. They show you the role the Bible's emotional intent should play in each stage of sermon prep, and: Offer exegetical steps to discern the biblical pathos Teach you how to avoid manipulation while making your sermons emotional Help you determine the appropriate limitations of emotional appeal Give you verbal, vocal, and visual techniques to help convey the biblical emotional intent in your sermons When we elevate the Bible's emotional intent above our own, we preach truth rather than personality.

preacher Cleophus J. LaRue brings together the voices of twelve of America's most influential African-American preachers. Each of these renowned preachers describes his or her method of sermon preparation and includes a sample sermon for illustration. An excellent how-to manual for pastors and students, *Power in the Pulpit* is both sage wisdom on the art of preaching and an inspiring look at some of the most prominent figures in the black church.

**The Homilist; or, The pulpit for the people, conducted by D. Thomas. Vol. 1-50; 51, no. 3- ol. 63** Sep 29 2019

**Undone by Easter** Aug 28 2019 Face the prospect of preaching your next Easter sermon with joy and confidence, rather than worry about finding something new to say. Preachers dread the arrival of Easter, because these holy days bring the daunting task of finding new ways to tell the old stories everyone's heard so many times before. But what if it were only we preachers who are bored with these stories? asks Will Willimon. What if people keep showing up at Easter because the story of God's victory over death continues to hold power for them? What if the point were not to capitulate to the culture's insatiable appetite for novelty, but to tell the old stories faithfully, trusting in the power of the Spirit to make the text, the congregation, and yes, even the preacher come alive again in the preaching event?

At the Pulpit Jun 26 2019

*Pulpit Power and Eloquence* Apr 16 2021

From Pulpit to Fiction Jan 02 2020 This book examines the authority and power of a «sermonic text» through its fictive qualities. The author argues that a sermonic text functions in the manner of a work of fiction and creates an event and space that forces a decision upon the reader. The text creates a place where the Kingdom of God is about to happen and is happening.

Consequently, the reader is forced to make a decision. Will he or she «go and do likewise», or reject the Kingdom of God? In this

reader into its space and event. If the reader of the sermonic text chooses temporally to enter the event of the text, the reader has the potential to participate in its dynamics and is forced to make a decision either to believe or not believe. Like a work of fiction, it does not require those external guarantees of authority that are found in the community of faith: its doctrines, creeds and ecclesiology. Rather, the authority of the sermonic text is intrinsic as in a work of fiction and stands on its own. The discussion is interdisciplinary, drawing upon literary theory, cultural theory and theology.

*Power in the Pulpit* Oct 03 2022 "I would not be who I am and I would not be doing what I do if it were not for God's grace toward me through the reading and applying of this book." —David Platt. It's still used in Bible schools and seminaries today, and it shows no signs of slowing down: *Power in the Pulpit* is an ideal introduction to preaching. Dr. Jerry Vines and Dr. Jim Shaddix have achieved a balanced approach to sermon preparation in *Power in the Pulpit*. This primer combines the perspective of a pastor of forty years with that of someone who devotes daily time to training pastors in the context of theological education. It offers practical preaching instruction from a tradition that sees biblical exposition as a paramount and frequent event in the life of the local church. *Power in the Pulpit* is the combined work of Dr. Vines's two earlier publications on preaching: *A Practical Guide to Sermon Preparation* (Moody Publishers, 1985) and *A Guide to Effective Sermon Delivery* (Moody Publishers, 1986). Dr. Shaddix carefully organized and supplemented the material to offer this useful resource that closes the gap between classroom theory and what a pastor actually experiences in his weekly sermon preparation.

bookshelf beside Spurgeon's 'Lectures to my Students' and Lloyd-Jones's 'Preaching.' I'll never forget the first time I read Spring's chapter on a minister's personal piety; it overwhelmed me, and moved me to tears, to silence, to confession, and to prayer for mercy and help. This is a great book which every minister should read and re-read, if he really wants to get a sense of the magnitude, awesomeness, power, and beauty of his calling." - Dr. Joel R. Beeke

*Preaching Women* Dec 25 2021 Should women who preach, preach as women? *Preaching Women* argues that far from being a gender-neutral space, the pulpit is a critical place in which a gender imbalance can begin to be redressed. There is a vital need for women preachers to speak out of their experience of living as women in today's culture and church Filling a glaring gap in the literature around homiletics, *Preaching Women* considers reasons why women preachers should preach from their experiences as women, what women bring to preaching that is missing without us, and how women preachers can go about the task of biblical preaching. With a foreword by Libby Lane.

*The Preacher King* May 18 2021 The Preacher King investigates Martin Luther King Jr.'s religious development from a precocious "preacher's kid" in segregated Atlanta to the most influential America preacher and orator of the twentieth century. To give the most accurate and intimate portrait possible, Richard Lischer draws almost exclusively on King's unpublished sermons and speeches, as well as tape recordings, personal interviews, and even police surveillance reports. By returning to the raw sources, Lischer recaptures King's truest preaching voice and, consequently, something of the real King himself. He shows how as the son, grandson, and great-grandson of preachers, King early on absorbed the poetic cadences, traditions, and power of the pulpit, more profoundly influenced by his fellow African-American

also reveals a later phase of King's development that few of his biographers or critics have addressed: the prophetic rage with which he condemned American religious and political hypocrisy. During the last three years of his life, Lischer shows, King accused his country of genocide, warned of long hot summers in the ghettos, and called for a radical redistribution of wealth. 25 years after its initial publication, *The Preacher King* remains a critical study that captures the crucial aspect of Martin Luther King Jr.'s identity. Human, complex, and passionate, King was the consummate American preacher who never quit trying to reshape the moral and political character of the nation.

This book is an excellent how-to manual for pastors and students, presenting sage advice and wisdom on the art of preaching and an inspirational look at the work of some of the most prominent figures in the life of the black church.

**The Preacher As Storyteller** May 30 2022 *The Preacher as Storyteller* takes a skills-development approach to its timely homiletics topic. In short, author Austin B. Tucker reasons that "You can greatly improve your preaching by sharpening storytelling skills...A story can touch the latch spring of the heart to let the life-changing gospel come in." This book clearly helps pastors and pastoral students improve the effectiveness of their preaching by better understanding and employing the techniques of great storytelling.

**A Greater Glory** Feb 01 2020 Premier league footballer turned pastor Gavin Peacock tells the story of his career and his faith in *the (his) The Pulpit* thought-provoking and personal read. "Access is [festivalfinder.com](https://www.festivalfinder.com) on

more to life than football, fame and fortune. There is a greater joy and a greater glory to be had.' What makes a man walk away from his life as a professional footballer turned BBC pundit to become a church minister? They say it is every schoolboy's dream to play in the F.A. Cup Final and it's a dream that came true for Gavin Peacock. In his riveting autobiography follow Gavin's journey from a child growing up in a footballing family to Chelsea captain; from a son following in his father's footsteps to a husband and father supporting his own family; from pundit to preacher. Experience his highs and lows as he tells his story and explains the driving force behind it all - his love for football, his love for his family, and most importantly his love for God.

**The Prophet's Pulpit** Mar 04 2020 Muslim preaching has been central in forming public opinion, building grassroots organizations, and developing leadership cadres for the wider Islamist agenda. Based on in-depth field research in Egypt, Patrick Gaffney focuses on the preacher and the sermon as the single most important medium for propounding the message of Islam. He draws on social history, political commentary, and theological sources to reveal the subtle connections between religious rhetoric and political dissent. Many of the sermons discussed were given during the rise of Islamic fundamentalism, and Gaffney attempts to describe this militant movement and to compare it with official Islam. Finally, Gaffney presents examples of the sermons, so readers can better understand the full range of contemporary Islamic expression.

prisoner of the Lord, walk according to your Christian profession. Life struggles are the stepping-stones used to shift you into a position to receive God's favor and anointing. So, use them to your advantage because you are worthy and can reach far beyond the opinions of others. Embrace who you are as heirs of God and joint-heirs with Christ. From Boot Camp to the Pulpit, know that the struggle is real; but God can do exceeding abundantly above all that we ask or think, according to the power that worketh in us. Keep it simple and moving, adhere to the promises of God for He has petitioned you for greatness.

Laugh Your Way to Grace Dec 01 2019 Laughter the GPS System for the Soul Laughter was honored by the ancients as a spiritual healing tool and celebrated by the world's great religions. So why aren't we laughing along the spiritual path today? What would happen if we did? In this personal and funny look at humor as a spiritual practice, Rev. Susan Sparks an ex-lawyer turned comedian and Baptist minister presents a convincing case that the power of humor radiates far beyond punch lines. Laughter can help you: Remove the fearful mask of a God who doesn't laugh Debunk the myths that you don't deserve joy Find perspective when faced with adversity Exercise forgiveness for yourself and others Reclaim play as a spiritual practice Heal emotionally, physically, and spiritually Keep your faith when God is silent Live with elegance, beauty, and generosity of spirit Whatever your faith tradition or if you have none at all join this veteran of the punch line and the pulpit in reclaiming the forgotten humor legacy found in thousands of years of human spiritual history."

**Faith Beyond Fear** Oct 30 2019 John Henry Newman's pulpit at St Mary's, Oxford, was a powerhouse of religious innovation and reinvigoration in English religion through the 1830s and 1840s.

vision of belief provoked personal and societal awakenings. Today, we are in need once again of reimagining the challenges of our world, and the meaning of Christian faith, in ways that cut through the religious jumble, and speak to the fears and failings of our time. This volume collects sermons by one of that pulpit's most recent preachers. Anxiety, pain, hope, and judgement are key themes. There are liturgical themes and feasts taken in fresh directions, and always an insistence on deconstructing easy answers and pious lingo. These are exercises in reading Scripture, and reading our lives, in ways that speak beyond the borders of religious identity and certainty. These sermons draw us deeper into the reality of our own predicaments and fears, to discover a presence and power that might surprise and disrupt us, and help us to reimagine faith in the modern world.

*Power and the Pulpit in Puritan New England* Mar 16 2021

*There's a Woman in the Pulpit* Jun 30 2022 Learn and laugh with these women of the church, bound together by a deep commitment to ministry. Over fifty clergywomen representing fourteen denominations explore their holy—and unflinchingly human—moments as they juggle the sometimes isolating expectations from their congregations and the shared realities, graces and humor of everyday life.

[Sermon Analysis for Pulpit Power](#) Aug 21 2021

*Preaching With Confidence* Jun 06 2020 Speaking the Word of God confidently is the obligation of the preacher, insists James Daane, for the Word is not merely advisory; it is efficacious. When God speaks, the world does more than listen - it changes. But in far too many contemporary pulpits, Daane charges, the mysterious power of God's word is no longer proclaimed with confidence and authority. Too often the person in the pulpit functions only as a discussion leader; too often sharing Ó has replaced the sermon. In this brief but pointed essay on the theology of preaching, Daane calls ministers back to their

The National Preacher and Village Pulpit Feb 12 2021

Annals of the American Pulpit Jul 28 2019

**When Sorrow Comes** Sep 21 2021 Since World War II, Protestant sermons have been an influential tool for defining American citizenship in the wake of national crises. In the aftermath of national tragedies, Americans often turn to churches for solace. Because even secular citizens attend these services, they are also significant opportunities for the Protestant religious majority to define and redefine national identity and, in the process, to invest the nation-state with divinity. The sermons delivered in the wake of crises become integral to historical and communal memory—it matters greatly who is mourned and who is overlooked. Melissa M. Matthes conceives of these sermons as theo-political texts. In *When Sorrow Comes*, she explores the continuities and discontinuities they reveal in the balance of state power and divine authority following the bombing of Pearl Harbor, the assassinations of JFK and MLK, the Rodney King verdict, the Oklahoma City bombing, the September 11 attacks, the Newtown shootings, and the Black Lives Matter movement. She argues that Protestant preachers use these moments to address questions about Christianity and citizenship and about the responsibilities of the Church and the State to respond to a national crisis. She also shows how post-crisis sermons have codified whiteness in ritual narratives of American history, excluding others from the collective account. These civic liturgies therefore illustrate the evolution of modern American politics and society. Despite perceptions of the decline of religious authority
