Live Your Dreams Jun 20 2021 We've all heard about that great experience of P-L-A-Y lately, right! I started down a path of mapping out numerous ideas, sketching them, and creating my own graphics (and I was never a graphics expert). Well it wasn't about making a picture perfect image. It was about getting the concepts down on paper and then taking things to the next step. I built my plan, like any new business person would do, before I put it into PLAY. What you see today is a series of creative media service offerings. When in the midst of chaos find that stillness within you. My ideas came from within and it all started here? take a look at <http://JeanCrissMedia.com>. We'll help you grow your business and LIVE Your Dreams

The Gifted Jun 28 2019 The Gifted: How to Live the Life of Your Dreams is an inspirational, groundbreaking book from author, motivational speaker and licensed psychotherapist Daphne Michaels. Describing and celebrating the nine gifts we are all born with, Michaels teaches readers how to recognize each gift and use it on their journey of personal development and spiritual growth. Michaels shows us that the first three gifts we must recognize are Awareness, Potential and Stillness. These three allow us to identify and use with real life-changing power the remaining six: Disharmony, Harmony, Ease, Clarity, Freedom and Engagement. By approaching these nine gifts with real-world metaphors, Michaels answers common questions about personal transformation -- such as how it works and what kind of commitment it takes to reach a life of authentic happiness. Even Disharmony, Michaels explains, does not need to rule us. It is ours to use in positive ways as we discover the real purpose of Harmony in our lives. The final gift, Engagement, allows us to use all of the gifts with a joy and power we never imagined possible.

Life Shift Dec 03 2019 Find your power, transform your obstacles, surrender to success Aleta St. James has spent the past twenty-five years as an emotional healer and life coach developing a system for creating deep and dramatic life changes with lasting results. In Life Shift, she shares the secret of how to bring enormous success and deep satisfaction into your life. In an effort to fully compete in a man's world, contemporary women have become alpha females. We rely on masculine traits -- the testosterone energies of action, focus, determination, and self-reliance -- to create success and achieve our goals. We are now coming to realize that while we have mastered these means for pursuing our dreams, we have neglected the equally valuable and complementary energies of magnetism, receptivity, and intuition -- the Magnetic Female. In Life Shift, Aleta presents her techniques for breaking through our emotional blocks and allowing our Magnetic Female and alpha energies to interact and harmonize with each other. She teaches skills that open the doors to a powerful cocreative relationship between these two forces within us and guides us to use these tools to identify our desires, engage our dreams, and realize our destinies. Using her renowned system, which integrates the teachings of primal therapy, Tibetan Buddhism, Hinduism, bioenergetics, and other life-enhancing practices and philosophies, Aleta shares with us all of the tools necessary to live our ideal lives. This Life-Shift Tool Kit incorporates techniques for realigning the physical, emotional, mental, and spiritual bodies, inviting rather than pursuing success, recognizing the power of release, eliminating emotional blocks, and reorganizing energy centers within the body. Aleta also offers her expert techniques in regenerative organic breathing, physical and emotional release work, color healing, light therapy, focused reflections, power mantras, prayers and blessings, love baths, and support circles. Weaving together Aleta's own dramatic story of inspiration, success stories from her elite clientele, and lessons from her journeys to spiritual "power spots," Life Shift teaches you how to transform feelings of failure, frustration, doubt, and loneliness into a creative power that becomes a magnetic force attracting joy, fulfillment, success, and love.

Here is a little book that may help you navigate through the birth to the embodiment of a dream. They will show you some tools to make your dreams come true or at least show you that it is possible . The birth of this book came unexpectedly and surprisingly. I had just published my first book in the Paths to Yourself collection. It dealt with a subject that concerns many of us: how to build a healthy and lasting relationship of love or friendship? I was talking with a friend of this publication. He told me that one of his dreams was to write too, but in Thai. I replied that he can surely fulfill this dream considering that he has been speaking and writing in this language for a long time: his wife is from Laos and their language of communication is Thai. But it seemed to him a difficult dream to reach ... To joke, I told him I should write a book on « How to make one's dreams come true? » because I have some 25 years of experience in the field ... and I do not hesitate to do everything possible to realize mine. In addition, I accomplished almost all the dreams I really wanted. There is still one, still running, but which I will reveal later in this book;) . This friend told me that he would be the first to read this book if I write it one day ... Putting a dream in to practice And now this new challenge, which I think will help others embody their dreams or at least part of them, has led my brain to think, almost without even wanting to, about a possible structure of this book. Barely two days passed after I had had this conversation with my friend and I was already writing it. So check out this little FREE guide to help you make your dreams come true!
