Congressional Record Nov 19 2021 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Yearbook of the United Nations 2013 Feb 20 2022 With its comprehensive coverage of political and security matters, human rights issues, economic and social questions, legal issues, and institutional, administrative and budgetary matters, the Yearbook of the United Nations stands as the most authoritative reference work on the activities and concerns of the Organization. Fully indexed, the Yearbook includes the texts of all major General Assembly, Security Council and Economic and Social Council resolutions and decisions, putting all of these in a narrative context of United Nations consideration, decision and action.

Harmonized Tariff Schedule of the United States (2006) May 26 2022 Contains the legal text of the Harmonized Tariff Schedule (HTS), as amended & modified, together with statistical annotations. Legal instruments & admin. actions affecting the 2005 ed. of the HTS are set forth in the section entitled Changes in the Current Ed. Info. about statistical annotations is in the final section of the preface. The legal text of the HTS includes all provisions enacted by Congress or proclaimed by the Pres. These legal provisions are the Gen. Rules of Interpretation; Additional U.S. Rules of Interpretation; Ch. 1-99, headings & subheadings through the 8-digit level (with their numbers, article descriptions, tariff rates & special tariff programs). Appendices: Chemicals, Pharmaceuticals, & Intermediate Chemicals for Dyes. In binders.

United States Code: 2006 Edition Supplement IV Aug 05 2020

[What's Your Poo Telling You?](#) Sep 05 2020 "With universal appeal (everyone poos, after all), this witty, illustrated description of over two dozen dookies (each with a medical explanation written by a doctor) details what one can learn about health and well-being by studying what's in the bowl. A floater? It's probably due to a buildup of gas. Now think back on last night's dinner, a burrito perhaps? All the greatest hits are here: The Log Jam, The Glass Shard, The Deja Poo, The Hanging Chad ... the list goes on. Sidebars, trivia, over 60 euphemisms for number two, and unusual case histories all make this the ultimate bathroom reader. Who knew you could learn so much from your poo?"--Publisher's description.

Harmonized Tariff Schedule of the United States Jan 22 2022

Documentary History of the First Federal Congress of the United States of America, March 4, 1789-March 3, 1791 Dec 29 2019 Volumes 12 and 13 of this highly acclaimed documentary edition cover the first Congress's second session, from January to August 1790. Among other important issues in this critical period, Congress debated Hamilton's report on the public credit, federal assumption of state Revolutionary War debts, and antislavery petitions from Pennsylvania Quakers. The editors once more have assembled the most complete and reliable text of the debates by examining a variety of sources: stenographer Thomas Lloyd's shorthand notes, his Congressional Register, and contemporary newspaper accounts.

United States Code Sep 29 2022 "The United States Code is the official codification of the general and permanent laws of the United States of America. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second Session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First Session, enacted between January 2, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited "U.S.C. 2012 ed." As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U.S.C. 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared and published under the supervision of Ralph V. Seep, Law Revision Counsel. Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office"--Preface.

[Fiscal Year 2016 Appendix, Budget of the United States Government](#) Dec 21 2021 Officially released on February 2, 2015. As one of the reference volumes of the FY2016 Budget request of the President, the popular Fiscal Year Budget Appendix volume presents detailed financial information on individual programs, Federal agencies and appropriation accounts that constitute the budget in tables and graphs. Includes for each Government department and agency the text of proposed appropriations language, budget schedules for each account, new legislative proposals, and explanations of the work to be performed and the funds needed, and proposed general provisions applicable to the appropriations of entire agencies or groups of agencies. Federal agency personnel, policy makers, think tank advocates, lawmakers, media organizations, and others interested in a "line item by line item" view of the President's proposed Fiscal year Budget will want this resource in their personal library collection. Public and academic libraries will want to make this annual reference product available for the general public in their Government collections. Students studying Public Finance, political scientists, and researchers will appreciate this detailed information with authoritative data legends presented in tables and graphs.
