Secret Journey to Planet Serpo Sep 23 2019 Documents how 12 people, as part of a top-secret U.S. government program, traveled to the planet Serpo and lived there for 13 years • Based on the debriefing of the Serpo team and the diary of the expedition's commander • Explains how the aliens helped us reverse-engineer their antigravity spacecraft and develop technology to solve our planet-wide energy problems • Reveals how our government has an ongoing relationship with the Serpo aliens On July 16, 1965, a massive alien spacecraft from the Zeta Reticuli star system landed at the Nevada test site north of Las Vegas. Following a plan set in motion by President Kennedy in 1962, the alien visitors known as the Ebens welcomed 12 astronaut-trained military personnel aboard their craft for the 10-month journey to their home planet, Serpo, 39 light-years away. In November 2005, former and current members of the Defense Intelligence Agency--directed by Kennedy to organize the Serpo exchange program--came forward to reveal the operation, including details from the 3,000-page debriefing of the 7 members of the Serpo team who returned after 13 years on the planet. Working with the DIA originators of the Serpo project and the diary kept by the expedition's commanding officer, Len Kasten chronicles the complete journey of these cosmic pioneers, including their remarkable stories of life on an alien planet, superluminal space travel, and advanced knowledge of alien technologies. He reveals how the Ebens presented the U.S. with "The Yellow Book"--a complete history of the universe recorded holographically, allowing the reader to view actual scenes from pre-history to the present. He explains how the Ebens helped us reverse-engineer their antigravity spacecraft and develop technology to solve our planet-wide energy problems--knowledge still classified. Exposing the truth of human-alien interaction and interplanetary travel, Kasten reveals not only that the Ebens have returned to Earth eight times but also that our government continues to have an ongoing relationship with them--a relationship with the potential to advance the human race into the future.

Tre giorni per morire Oct 05 2020 Una finestra in frantumi. Un'impronta di sangue. Ed è solo l'inizio...Un atroce crimine ha colpito al cuore la periferia più ricca di Atlanta. Rientrando nella sua villetta nel verde di Ansley Park, Abigail Campano trova ad accoglierla vetri rotti, tracce di sangue e il corpo martoriato di una ragazza. Inizialmente, pensa che quelle membra straziate siano della figlia Emma: disperata, la donna si avventa su quello che ritiene essere l'aggressore. Poi, lentamente, la verità comincia a farsi strada: non è di Emma quel corpo riverso sul pavimento; non è il suo assassino quel ragazzo che Abigail ha appena ucciso, a mani nude. Le indagini vengono affidate alla polizia di Atlanta, ma torbidi giochi di potere e un errore di valutazione da parte delle autorità, rendono inevitabile l'intervento di Will Trent, agente speciale del Georgia Bureau of Investigation. Perché c'è qualcosa in quei vetri rotti, in quelle tracce di sangue, nello sguardo spento di Abigail che solo Will

Trent saprà leggere: ma dovrà fare in fretta, costretto a una corsa contro il tempo per evitare che altre vite vengano spezzate in nome di un segreto che nessuno sembra voler svelare. Tre giorni per morire segna il grande ritorno di Karin Slaughter, la regina del thriller americano, e della serie best seller inaugurata con *L'ombra della verità*.

Parrot in the Oven Sep 28 2022 Dad believed people were like money. You could be a thousand-dollar person or a hundred-dollar person -- even a ten-, five-, or one-dollar person. Below that, everybody was just nickels and dimes. To my dad, we were pennies. Fourteen-year-old Manny Hernandez wants to be more than just a penny. He wants to be a vato firme, the kind of guy people respect. But that's not easy when your father is abusive, your brother can't hold a job, and your mother scrubs the house as if she can wash her troubles away. In Manny's neighborhood, the way to get respect is to be in a gang. But Manny's not sure that joining a gang is the solution. Because, after all, it's his life -- and he wants to be the one to decide what happens to it.

Statement of Disbursements of the House as Compiled by the Chief Administrative Officer from .. Feb 09 2021 Covers receipts and expenditures of appropriations and other funds.

Impact of Design Research on Industrial Practice May 24 2022 Showcasing exemplars of how various aspects of design research were successfully transitioned into and influenced, design practice, this book features chapters written by eminent international researchers and practitioners from industry on the Impact of Design Research on Industrial Practice. Chapters written by internationally acclaimed researchers of design analyse the findings (guidelines, methods and tools), technologies/products and educational approaches that have been transferred as tools, technologies and people to transform industrial practice of engineering design, whilst the chapters that are written by industrial practitioners describe their experience of how various tools, technologies and training impacted design practice. The main benefit of this book, for educators, researchers and practitioners in (engineering) design, will be access to a comprehensive coverage of case studies of successful transfer of outcomes of design research into practice; as well as guidelines and platforms for successful transfer of research into practice.

Lorca After Life Mar 10 2021 A reflection on Federico García Lorca's life, his haunting death, and the fame that reinvigorated the marvelous in the modern world "A galaxy of critical insights into the cultural shock waves circling and crisscrossing Lorca's execution and his unknown resting place, there is not a single book on Lorca like this one."--Andrés Zamora, Vanderbilt University There is something fundamentally unfinished about the life and work of Federico García Lorca (1898-1936), and not simply because his life ended abruptly. Noël Valis reveals how this quality gives shape to the ways in which he has been continuously re-imagined since his death. Lorca's execution at the start of the Spanish Civil War was not only horrific but transformative, setting in motion many of the poet's afterlives. He is intimately tied to both an individual and a collective identity, as the people's poet, a gay icon, and fabled member of a dead poets' society. The specter of his violent death continues to haunt everything connected to Lorca, fueling the desire to fill in the gaps in the poet's biography.

Abisso senza fine Sep 04 2020 La madre di Faith non risponde al telefono e la porta di casa sua è aperta, con un'impronta insanguinata sulla maniglia. L'agente Faith Mitchell sa di dover chiedere un codice 30, anche se non l'ha mai usato prima in vita sua: assistenza per un agente in pericolo. Al

centralino le raccomandano di non entrare, ma Faith non può aspettare. Questo le dice il suo istinto, e tutto quello che ha imparato all'accademia svanisce dalla sua mente nel momento in cui varca la soglia con la canna del fucile dritta di fronte a sé. Trova un cadavere e un uomo che tiene la pistola alla testa di un ostaggio, ma di sua madre nessuna traccia. Quando la polizia fa irruzione la situazione precipita e Faith diventa non solo una testimone, ma anche una sospettata di omicidio. Per trovare sua madre avrà bisogno di tutto l'aiuto dell'agente speciale Will Trent e della dottoressa Sara Linton, ex medico legale e pediatra all'ospedale cittadino. I tre dovranno mettere assieme i frammenti di un caso complicato e brutale, cercandoli nei legami più profondi e oscuri della città, tra corruzione e segreti, lealtà e promesse. Per trovare sua madre Faith dovrà scoprire la verità. O seppellirla per sempre.

Latin America 2012 Feb 21 2022 A comprehensive, timely and entertaining account of the political, cultural and economic dynamics of more than 30 discrete countries of the Western Hemisphere, this book is updated each year, providing students with the most recent information possible. The information is presented in an objective, balanced, non-ideological context, allowing the readers to formulate their own opinions. In addition to examining individual countries, the book views Latin America as a mosaic region as a whole and emphasizes its growing influence on the world stage. Besides providing accurate and timely information on the historical and political forces that have shaped each nation, it also examines the leading cultural figures and forces, from 18th century writers to 20th century composers and singing stars to 21st century filmmakers and actors. Finally, it describes the social and economic challenges that continue to afflict this exciting and emerging region.

The Sunless Soul Jul 26 2022 Author Victor Martinez writes poems about the challenges in his life as he describes the pain, sadness, and anger he feels about living in a wheelchair. He also writes about his thoughts on love: what it feels like, the deep human craving people have for it, and how he yearns to experience its embrace. In addition, Victor questions God through his poems. The Sunless Soul offers a creative panoply of thoughts, feelings, and emotions about a variety of topics. These poems can be described as life itself because every poem and every theme offers us a deeper understanding of the world we live in. The main characters in this remarkable book are random and profound beliefs and feelings that lighten our burdens and brighten our souls. Twenty one-year-old Victor Martinez has been in a wheelchair since he was hit by a vehicle at age five. He writes about what young people his age are thinking and feeling. His poetry is his way of helping others get through the tough times and appreciate what they have. Although he was born in Mexico, he grew up in Phoenix, Arizona, and that is where he continues to live and write. You can look forward to more poetic verse by Victor Martinez.
