Shylock Is My Name Feb 12 2021 'Who is this guy, Dad? What is he doing here?' With an absent wife and a daughter going off the rails, wealthy art collector and philanthropist Simon Strulovitch is in need someone to talk to. So when he meets Shylock at a cemetery in Cheshire's Golden Triangle, he invites him back to his house. It's the beginning of a remarkable friendship. Elsewhere in the Golden Triangle, the rich, manipulative Plurabelle (aka Anna Livia Plurabelle Cleopatra A Thing of Beauty is a Joy Forever Christine) is the face of her own TV series, existing in a bubble of plastic surgery and lavish parties. She shares prejudices and a barbed sense of humour with her loyal friend D'Anton, whose attempts to play Cupid involve Strulovitch's daughter - and put a pound of flesh on the line. Howard Jacobson's version of The Merchant of Venice bends time to its own advantage as it asks what it means to be a father, a Jew and a merciful human being in the modern world.

Visions of Venice in Shakespeare Sep 29 2019 Despite the growing critical relevance of Shakespeare's two Venetian plays and a burgeoning bibliography on both *The Merchant of Venice* and *Othello*, few books have dealt extensively with the relationship between Shakespeare and Venice. Setting out to offer new perspectives to a traditional topic, this timely collection fills a gap in the literature, addressing the new historical, political and economic questions that have been raised in the last few years. The essays in this volume consider Venice a real as well as symbolic landscape that needs to be explored in its multiple resonances, both in Shakespeare's historical context and in the later tradition of reconfiguring one of the most represented cities in Western culture. Shylock and *Othello* are there to remind us of the dark sides of the myth of Venice, and of the inescapable fact that the issues raised in the Venetian plays are tremendously topical; we are still haunted by these theatrical casualties of early modern multiculturalism.

*The Merchant of Venice* Jan 02 2020 *The Merchant of Venice* has always been regarded as one of Shakespeare's most interesting plays. Before the nineteenth century critical reaction is relatively fragmentary. However between then and the late twentieth century the critical tradition reveals the tremendous vitality of the play to evoke emotion in the theatre and in the study. Since the middle of the twentieth century reactions to the drama have been influenced by the Nazi destruction of European Jewry. The first volume to document the full tradition of criticism of *The Merchant of Venice* includes an extensive introduction which charts the reactions to the play up to the beginning of the twenty first century and reflects changing reactions to prejudice in this period. Material by a variety of critics appears here for the first time since initial publication. Reactions are included from: Malone, Hazlitt, Jameson, Heine, Knight, Lewes, Halliwell-Phillips, Furnivall, Irving, Ruskin, Swinburne, Masefield, Gollancz and Quiller-Couch.

The Bibliographer and Reference List Apr 04 2020

*The Merchant of Venice* Oct 23 2021 Describes the play about a lawsuit that will determine a matter of life and death, suggests a fresh interpretation, and discusses Shakespeare's themes and technique

*Venice's Secret Service* Dec 01 2019 *Venice's Secret Service* is the untold and arresting story of the world's earliest centrally-organised state intelligence service. Long before the inception of SIS and the CIA, in the period of the Renaissance, the Republic of Venice had masterminded a remarkable centrally-organised state intelligence organisation that played a pivotal role in the defence of the Venetian empire. Housed in the imposing Doge's Palace and under the direction of the Council of Ten, the notorious governmental committee that acted as Venice's spy chiefs, this 'proto-modern' organisation served prominent intelligence functions including operations (intelligence and covert action), analysis, cryptography and steganography, cryptanalysis, and even the development of lethal substances. Official informants and amateur spies were shipped across Europe, Anatolia, and Northern Africa, conducting Venice's stealthy intelligence operations. Revealing a plethora of secrets, their keepers, and their seekers, *Venice's Secret Service* explores the social and managerial processes that enabled their existence and that furnished the foundation for an extraordinary intelligence organisation created by one of the early modern world's most cosmopolitan states.

Cloud 9-1 GCSE Revision Notes for William Shakespeare's *the Merchant of Venice* Feb 24 2022 This book is aimed at GCSE students of English Literature who are studying William Shakespeare's *The Merchant of Venice*. The focus is on what examiners are looking for, especially since the changes to the curriculum in 2015, and here you will find each scene covered in detail. We hope this will help

you and be a valuable tool in your studies and revision.

The Merchant of Venice Feb 01 2020 This volume, while it raises all the questions appertaining to the cultural, historical and critical contexts of the play, has as its primary focus the play as theatrical performance. This focus is not taken in isolation, but observed in terms of all the social, material and practical aspects of theatrical production. The questions raised are those that face actors, stage managers and directors, scenic and costume designers, in the rehearsal room and on the stage.

The Merchant of Venice Mar 28 2022 So you now know the play - but how do you structure your essay? This clean & simple new guide from Accolade Press will walk you through how to plan and structure essay responses to questions on William Shakespeare's *The Merchant of Venice*. By working through seven mock questions, these detailed essay plans will show you how to go about building a theme based answer - while the accompanying notes will illustrate not only how to masterfully structure your response, but also how to ensure all AQA's Assessment Objectives are being satisfied. R.P. Davis has a First Class degree in English Literature from UCL, and a Masters in Literature from Cambridge University. Aside from teaching GCSE English (which he's done for nearly a decade now), he has also written a string of bestselling thriller novels.

Shylock and the Jewish Question Mar 04 2020 "Yaffe provides a wide-ranging and probing reflection on the portrayal of Jews and Judaism in early modern thought. His innovative approach to the problem of Shakespeare's treatment of Shylock can stand for the originality of his book as a whole... Yaffe's interpretations are likely to prove controversial, but they are always thought-provoking." -- Virginia Quarterly Review Much attention has been paid to the place of Shylock in the history of anti-Semitism. Most scholars have agreed with Harold Bloom that Shakespeare's famous villain is drawn with a "murderous anti-Semitism" and that Shakespeare uncritically mirrors the rife anti-Semitism of his times. While others see only gross caricature in The Merchant of Venice, however, Martin Yaffe finds a subtle analysis of the Jew's place in a largely Christian society. In Shylock and the Jewish Question, Yaffe challenges the widespread assumption that Shakespeare is, in the final analysis, unfriendly to Jews. He finds that Shakespeare's consideration of Judaism in The Merchant of Venice provides an important contrast to Marlowe's virulent The Jew of Malta. In many ways, he argues, Shakespeare's play is even more accepting than Francis Bacon's notably inclusive New Atlantis or the Jewish philosopher Benedict Spinoza's argument for tolerance in the Theologico-Political Treatise. "Although Yaffe focuses on the Jewish question, his study is a lead-in to a study of the rise of liberal democracy, the development of religious toleration, the relation of church and state, and the inter-relation between politics, economics and religion -- all of these being vital in history's evolution towards modernity." -- Serge Liberman, Australian JewishNews "In a critique that promises to refuel scholarly controversy over the portrait of Shylock... Yaffe's retro-prospective approach to its political philosophy suggests interesting possibilities for contrasting popular anti-Semitic culture and the more tolerant, enlightened statesmanship of the seventeenth-century." -- Frances Barasch, Shakespeare
