Mother Teresa: Saint of the Slums

Mar 04 2020 In the 1940's, Calcutta had become decimated by famine, poverty, war and unemployment. Slums began to surface throughout the city and thousands were homeless, dying of disease or starvation. Alone and forgotten, these poorest of the poor were desperate for someone, anyone, to recognize their plight and help them. That help arrived in the form of Mother Teresa. Albanian-born, Mother Teresa knew from a young age that she wanted to become a nun and devote her life to God. What she could not envision, however, was exactly where that service to God would take her. Sent to Calcutta to teach history and geography from within the safe confines of a convent, Mother Teresa could not ignore the plight of the homeless and the dying. So she chose to give up

those most in need. With nothing but her faith to guide her, she took to the slums with the hope that she could make a difference in the lives of at least a few lost souls. And with her pure heart and beautiful spirit, she wound up touching millions.

Dark Night of the Soul

Jun 06 2020 "In the dark night of the soul, bright flows the river of God." —St. John of the Cross Why does God allow us to fall into this empty void? Does He not love us? Will He not help us? How do we deal with feeling abandoned in hopeless darkness? Is there a light at the end of the tunnel? In sixteenth-century Spain, a poor monk became a spiritual giant. His life was devoted to prayer, poverty, solitude, and silence in pursuit of the beauty and goodness of God. When his intimacy with Jesus led to imprisonment, John used the time to compose a spiritual masterpiece in which he takes readers on a deeply spiritual journey through hardships and temptations to complete union with God. Eventually Agnes arrived in Calcutta where she taught young, well-to-do girls. They knew her as Sister Teresa. Unsatisfied, Teresa searched for her calling in life. One day she decided to work with "the poorest of the poor." She conducted her first class in a public park. Only five street children attended. Despite the hardships, she stayed with the work. She knew that God had sent her to care for these people who had no one else to love them. Teresa dressed in a simple white sari with a blue border. A safety pin held a cross at her left shoulder. She became a familiar sight in the slum streets of Calcutta.

Teresa not only helped the poor, she became one of them. She told the girls she trained, "We will pattern our lives after their poverty. We are poor by choice. We want to be poor like Christ, who, being rich, chose to be born and live and work among the poor." Who Was Mother Teresa? Dec 13 2020

Born a humble girl in what is now Albania, Agnes Bojaxhiu lived a charitable life.

She pledged herself to a religious order at the age of 18 and chose the name Sister Teresa, after the patron saint of missionaries. While teaching in India, where famine and violence had devastated the poor, Teresa shed her habit and walked the streets of Calcutta tending to the needs of the destitute. Her charity work soon expanded internationally, and her name remains synonymous with compassion and devotion to the poor.

world's media, Mother Teresa of Calcutta appears to be on the fast track to sainthood. But what makes Mother Teresa so divine? In this frank and damning exposé of the Teresa cult, Hitchens details the nature and limits of one woman's mission to help the world's poor. He probes the source of the heroic status bestowed upon an Albanian nun whose only declared wish was to serve God. He asks whether Mother Teresa's good works answered any higher purpose than the need of the world's privileged to see someone, somewhere, doing something for the Third World. He unmasks pseudo-miracles, questions Mother Teresa's fitness to adjudicate on matters of sex and reproduction, and reports on a version of saintly ubiquity which affords genial relations with dictators, corrupt tycoons and convicted frauds. Is Mother Teresa merely an essential salve to the conscience of the rich West, or an expert PR machine for the Catholic Church? In its caustic

The 20th century had no shortage of influential leaders, both good and bad. But while dictators, generals, and presidents came and went, the last quarter of the 20th century could rely on one thing: the papacy of Blessed Pope John Paul II. In becoming one of Catholicism's most popular leaders, and one shortly destined for sainthood, John Paul II indeed became one of the most famous and influential men of the 20th century. The first pope in centuries to not hail from Italy, John Paul II was responsible for a global outreach of epic proportions that brought him to over 100 countries, helped end communism in Europe, and brought people of different faiths closer together than ever before. It's often said that nobody in history has been seen and viewed in person by more people, an amazing feat for a man of humble origins born in Poland before World War II, a place that continues to especially venerate him.

today. For the last few decades of the 20th century, the Catholic Church was blessed to have two of its most influential leaders guiding the Church and spreading its faith and message at the same time. Pope John Paul II made history by becoming the first non-Italian pope in several centuries, guiding the church for over 25 years. But while he led the Church, a remarkable woman born Agnes Gonxha Bojaxhiu (1910-1997) became one of the Church's greatest missionaries and humanitarians. She would come to be known to the world as Mother Teresa. It would be nearly impossible to overstate the impact Mother Teresa had on the Catholic Church and the world during her life. In addition to founding the Missionaries of Charity, a sisterhood of Roman Catholics that now operates in over 125 countries and has over 4,500 sisters, Mother Teresa spent nearly half a century spreading her religious congregation across the world, while using it to help the sick and poor.

participation and planning, she opened hundreds of missions, providing essential services that ranged from hospices to schools, and from orphanages to soup kitchens. Her work won her a Nobel Peace Prize in 1979, and Mother Teresa was consistently ranked among the world's most admired people for the last 20 years of her life. Shortly after her death in 1997, the beatification process for Mother Teresa was begun, and in 2003 she was beatified as Blessed Mother Teresa of Calcutta. Francesco Forgione might be a name lost to history, but over the course of his life, he became one of Catholicism's most well known figures during the 20th century as Padre Pio. It was a remarkable path for a man who was legendarily afflicted by a series of illnesses and most famously bore the stigmata, very noticeably bearing what appeared to be the crucifixion wounds Jesus's hands suffered. Padre Pio was also known for his eccentricities, including unique forms of deep meditation and experiencing visions. **Access Free**

surprisingly, despite all the spiritual work Padre Pio did, he was the subject of substantial controversy during his own life. Since founding it in 1948 she has raised millions of dollars and, with over a million volunteers in more than 100 countries, it remains one of the most recognized brands in the world. How did one nun who never received any formal education in business build such an impressive global organization? Frank, realistic, and firmly grounded in practicality, Mother Teresa's leadership style helped to inspire and organize people across the world. This book shares ten essential leadership principles drawn from Mother Teresa's example and applies them to today's business world. Authors Ruma Bose, an entrepreneur who volunteered with Mother Teresa, and Lou Faust, a leading business expert, are the first to examine her in this light—as a leader whose management style and dedication to a singular vision led to one of the world's most unlikely success stories. divine providence. Her genius was the simplicity of her vision and her dedication to its implementation. It was in the way she treated her people, refusing to distance herself from the everyday work of a typical sister of the Missionaries of Charity. It was in how she handled tough choices—like accepting donations from brutal Haitian dictator François “Papa Doc” Duvalier. These were the principles that made her the great leader of a global organization, and they can be applied by anyone in any organization—no sainthood required.

story of her life. Growing up in a Polish-American Catholic family, Donna-Marie was blessed with hard-working parents who provided a stable home for their eight children. At times her childhood was golden and carefree, but other times it was tarnished by pain that she felt was best left unspoken as she sought God for help and strength. After she left home after high school, her path took some harrowing turns. A Vietnam veteran fiancé snapped and held her against her will. She suffered pregnancy loss, serious illness, divorce, and single motherhood. Perhaps her greatest trial was an epic custody battle in which she needed to defend both her reputation as a mother and the safety of her five children. Yet through all the dark valleys, Donna-Marie kept the fire of her faith burning. Helping her to see the beauty of the crosses in her life, and to rely on the presence and the providence of God, were saintly souls who became her friends and mentors. One of these

In considering Mother Teresa, her private visions, and her secret sufferings, David Scott has discovered scores of early episodes and chance encounters that point to later, larger meanings. These remarkable patterns, he suggests, show that Mother Teresa's life was choreographed from above, as if a divine script had been written for her from before her birth.
