**The Cambridge Companion to William Carlos Williams** Oct 08 2020 An invaluable introductory guide for students, this Companion features thirteen new essays from leading international experts on William Carlos Williams, covering his major poetry and prose works. It addresses central issues of recent Williams scholarship and considers his relationships with contemporaries as well as the importance of his legacy.

Selected Poems of William Carlos Williams Sep 26 2019 Among the great figures who have led the revolution in poetry William Carlos Williams was unique in his closeness to the center of American life. Over a span of fifty years he worked to achieve an idiom which would reflect the American rhythm, both of speech and living. -- From publisher's description.

**Spring and All (Facsimile Edition)** Jul 17 2021 A beautiful facsimile of the 1923 original edition which is considered "one of the greatest poems of the twentieth century". (The New York Times) Spring and All is a manifesto of the imagination — a hybrid of alternating sections of prose and free verse that coalesce in dramatic, energetic, and beautifully cryptic statements of how language re-creates the world. Spring and All contains some of Williams's best-known poetry, including Section I, which opens, "By the road to the contagious hospital," and Section XXII, where Williams penned his most famous poem, "The Red Wheelbarrow." Now, almost 90 years since its first publication, New Directions publishes this facsimile of the original 1923 Contact Press edition, featuring a new introduction by C. D. Wright.

Selected Poems Jun 27 2022 With the publication of this book, Charles Tomlinson's edition of Williams's Selected Poems, New Directions has introduced a gathering larger and more comprehensive than the original 1963 edition. Opening with Professor Tomlinson's superbly clear and helpful introduction this selection reflects the most up-to-date Williams scholarship. In addition to including many more pieces, Tomlinson has organized the whole in chronological order. "It isn't what he [the poet] says that counts as a work of art," Williams maintained, "it's what he makes, with such intensity of purpose that it lives with an intrinsic movement of its own to verify its authenticity."

Many Loves and Other Plays Aug 25 2019 For this volume, originally published in cloth in 1961, William Carlos Williams collected, and revised, four

full-length plays and the libretto of an opera on George Washington. As might be expected of the man who did most in our time to create a new and truly American idiom for poetry, Dr. Williams' writing for the stage challenges producers and actors to extend the range of modern drama.

**In the American Grain** Mar 13 2021 William Carlos Williams's examination of American history in a series of reflective essays.

The Collected Stories of William Carlos Williams Jul 05 2020 A collection of fifty-two stories includes works from earlier collections as well as the long story "The Farmer's Daughters"

The Revolution in the Visual Arts and the Poetry of William Carlos Williams Apr 13 2021 This book is a major step toward a fuller exploration of the connection between the visual arts and Williams' concept of the Modernist poem and of his achievement in transcending an art-for-art's-sake formalism to create poems that both reflect their own nature as a work of art and vividly evoke the world of which they are a part.

**Paterson** Nov 20 2021

*The Doctor Stories* Jun 15 2021 Gathers poems, a selection from the author's autobiography, and a dozen stories about doctors, patients, errors in judgement, and breakthroughs

The Correspondence of William Carlos Williams and Louis Zukofsky Aug 18 2021 Chronicles the professional and personal relationship between renowned poet William Carlos Williams and literary innovator Louis Zukofsky.

*Imaginations* Jul 29 2022 Five early works by the enigmatic American writer reveal the beginnings of his intensive search for a new prose style

**The William Carlos Williams Reader** Feb 09 2021 Selections from Williams' drama, fiction, prose, autobiography and major poetry are critically introduced

**Poems** Sep 30 2022 Before William Carlos Williams was recognized as one of the most important innovators in American poetry, he commissioned a printer to publish 100 copies of *Poems* (1909), a small collection largely imitating the styles of the Romantics and the Victorians. This volume collects the self-published edition of *Poems*, Williams's foray into the world of letters, with previously unpublished notes he made after spending nearly a year in Europe rethinking poetry and how to write it. As *Poems* shows his first tentative steps into poetry, the notes show him as he prepares to make a giant transformation in his art. Shortly after *Poems* appeared, Williams went through a series of experiences that changed his life—a trip to Europe, a marriage to the sister of the woman he genuinely loved, and the establishment of his medical practice. In Europe he was introduced to a consideration of an unlikely trio: Heinrich Heine, Martin Luther, and Richard Wagner, resulting in an exposure that subsequently influenced his developing style. Williams looked back on *Poems* as apprentice work, calling them, bad Keats, nothing else—oh well, bad Whitman too. But I sure loved them... booklet—except the intent, and never republished the collection. Now that Williams's work is widely read and appreciated, his reputation secure, his development as a poet is a matter worth serious study, *Poems* can be seen as a point of departure, a clear record of where Williams began before his life and ideas about poetry made seismic shifts. Virginia M. Wright-Peterson's succinct introduction puts *Poems* in the context of his life and times, discusses the reception of the volume, his reconsideration of the poems, and what they reveal about his poetic ambitions.

By Word of Mouth Sep 06 2020 This is a bilingual collection of various Spanish and Latin American poets.

**Spring and All** Dec 22 2021 2015 Reprint of 1923 Edition. Full Facsimile of the original edition. Not reproduced with Optical Recognition Software. A practicing physician for more than 40 years, William Carlos Williams became an experimenter, innovator and revolutionary figure in American poetry. In reaction against the rigid, rhyming format of 19th-century poets, Williams, his friend Ezra Pound and other early-20th-century poets formed the core of what became known as the "Imagist" movement. Their poetry focused on verbal pictures and moments of revealed truth, rather than a structure of consecutive events or thoughts and was expressed in free verse rather than rhyme. The two most famous sections of *Spring and All*

All are poems I and XXII. The former, which opens "By the road to the contagious hospital," is commonly known by the title "Spring and All," and the latter is generally known as "The Red Wheelbarrow."

**Yes, Mrs. Williams** Dec 10 2020 The distinguished American poet, William Carlos Williams, portrays the life, thoughts, and character of his mother through recreations of her conversations.

The Spanish American Roots of William Carlos Williams Oct 20 2021 As David Ignatow's foreword notes, the time is ripe for a multicultural canonical modernist, and Marzan himself, a poet with Puerto Rican roots, has produced an insightful study of Williams' sometimes hidden, sometimes obvious debt to his Spanish American heritage. At the same time, Marzan raises serious questions about how 'ethnic' literature shapes the modern canon. -- American Literature I have been waiting for some time for a study of Williams's Latin American roots, and this book fills that bill. . . . It's a significant addition to the Williams canon. --Paul Mariani, author of William Carlos Williams: A New World Naked William Carlos Williams wrote from an all-encompassing American vision that recalls the spirit of Walt Whitman. Paradoxically, though, this most-American poet sprang from foreign roots--a Puerto Rican mother and a father who was an English-born Caribbean islander. In this poetically evocative work, Julio Marzan explores the Latin American roots of Williams' poetry. In particular, he focuses on the dualities and contradictions between Williams' public, North American persona, Bill, and his private, poetically encrypted Latin persona, Carlos. He shows how Williams' poetry draws on Latin American and Spanish sources, particularly the poetry of Spaniard Luis de Gongora, to encode a Latin subtext in poems that ostensibly present a mainstream, Anglo vision. These explorations uncover a wealth of complexity in Williams and his poetry. Reflecting the experience of many immigrants, his life and work embody the unreconcilable desires to assimilate and win acceptance in a new land while remaining separate and immersed in the beloved culture of one's birth. A published poet, Julio Marzan is also editor of *Inventing a Word: An Anthology of Twentieth-Century Puerto Rican Poetry*.

**William Carlos Williams** May 03 2020 Analyzes Williams's poetry and prose and examines two salient concepts, "conversation" and "attention."

**William Carlos Williams and the Maternal Muse** Nov 28 2019

**The Autobiography of William Carlos Williams** Nov 01 2022 Presents the autobiography of the respected American poet, novelist, essayist, playwright, and physician.

*Paterson* Apr 25 2022 Presents the contemporary American poet's extended lyrical work in which the life and history of a city become the symbol of humanity

**A River of Words** Jan 11 2021 2009 Caldecott Honor Book An ALA Notable Book A New York Times Best Illustrated Children's Book A Charlotte Zolotow Honor Book NCTE Notable Children's Book When he wrote poems, he felt as free as the Passaic River as it rushed to the falls. Willie's notebooks filled up, one after another. Willie's words gave him freedom and peace, but he also knew he needed to earn a living. So he went off to medical school and became a doctor -- one of the busiest men in town! Yet he never stopped writing poetry. In this picture book biography of William Carlos Williams, Jen Bryant's engaging prose and Melissa Sweet's stunning mixed-media illustrations celebrate the amazing man who found a way to earn a living and to honor his calling to be a poet.]] 07 02

William Carlos Williams and the Painters, 1909-1923 Jul 25 2019

*Selected Poems* Aug 06 2020 A collection of poetry by William Carlos Williams whose early work was influenced by Pound and the Imagists.

Subsequently he discarded imagism as possessing no formal necessity implicit in it and his own poetically guiding concept no ideas but in things dictated his poetry.

**Interviews with William Carlos Williams** May 15 2021 Dr. Williams discusses his own work and that of such contemporaries as Pound and Eliot

and reveals his thoughts on a wide variety of twentieth-century concerns

**I Wanted to Write a Poem** Sep 18 2021 WCW, I Wanted to Write a Poem. Williams discusses the procedure of poetry.

William Carlos Williams Nov 08 2020 A collection of thirty poems with illustrations and brief introductory remarks.

The Collected Poems of William Carlos Williams Jan 23 2022 Collection of poems by the American twentieth century poet.

**The Prose of William Carlos Williams** Jun 23 2019

*The Ethics of William Carlos Williams's Poetry* Jun 03 2020 The poet as an inheritor of an Emersonian tradition, and Paterson as an ethical autobiography in progress.

*William Carlos Williams and the Diagnostics of Culture* Apr 01 2020 Brian Bremen's innovative re-examination of William Carlos Williams's life and work traces the development of Williams's poetics, focusing in particular on his ongoing fascination with the effects of poetry and prose. In an analysis informed by the insight of contemporary cultural critics, Bremen traces Williams's thought from the confused romanticism of *Spring and All* to the methodological empiricism of Paterson, examining in the process Williams's correspondence with life-long friend Kenneth Burke and their shared theoretical interests. Through this fresh conceptual frame-work, Bremen shows how Williams's role as poet becomes more congruous with his role as doctor. In addition, Bremen looks closely at Williams's economic and social theories in light of those of Ezra Pound and T.S. Eliot, making a case for the consistency of Williams's thought on medicine, gender, economics, poetry and prose, and history. William Carlos Williams and the *Diagnostics of Culture* is essential reading for scholars not only of Williams, but also of Modernism, twentieth-century literature, and cultural criticism and history.

**Selected Essays of William Carlos Williams** Aug 30 2022 Throughout his life, Dr. Williams tirelessly defended and promoted the best in modern literature and art. He contributed widely to leading literary magazines, wrote prefaces and introductions, and lectured at many universities. This selection represents his finest work in criticism. Much of it concerns poetry and poets--T. S. Eliot, Dylan Thomas, Karl Shapiro, E. E. Cummings, Ezra Pound, Carl Sandburg, Robert Lowell and many others. Williams also spoke out on painters and paintings as well as music and literature. There are essays on James Joyce, Shakespeare, Federico Garcia Lorca, the basis of faith in art, the American Revolution, H. L. Mencken's *The American Language*, Ford Madox Ford, American primitive painters, Antheil's music, and the work of Gertrude Stein.

Asphodel, that Greeny Flower & Other Love Poems Mar 01 2020 A dozen poems on love by a New Jersey obstetrician (1883-1963) who often wrote them on office prescription pads. In the title poem, first published when he was 72, he wrote: "What power has love but forgiveness? / In other words / by its intervention / what has been done / can be undone."

*William Carlos Williams* Mar 25 2022 William Carlos Williams (1883-1963) emerged alongside Pound, Eliot, Stevens, Frost, and Yeats as one of the foremost poets of the 20th century. Paterson, Williams's epic masterpiece, raised everyday American speech to the highest levels of poetic imagination. A finalist for the national Book Award and a New York Times Notable Book, *William Carlos Williams: A New World Naked* is a remarkable, rich blend of art and scholarship. From a small-town doctor who delivered more than 3,000 babies to an extraordinary revolutionary, Paul Mariani unfolds Williams' life and times while simultaneously letting the reader inside the poet's mind and language in this definitive masterwork.

**The Poetic World of William Carlos Williams** Oct 27 2019

**The Visual Text of William Carlos Williams** Jan 29 2020 Sayre, literary scholar and art historian, demonstrates that Williams' work, heavily influenced by painters and photographers of the Stieglitz circle, is actually founded in the visual dimension of the printed word and must be

approached as both graphic design and the representation of visual experience itself. He traces Williams' preoccupation with a visual order of poetry from his early work to the sophisticated replacement of painting by words in Paterson, Book Five and Pictures from Brueghel. Shows how Williams came to conceive of the poem as a visual order within which the disarray of the American scene could be composed. He advances a substantially new conception of Williams, forcing readers to reconsider their views. ISBN 0-252-01059-0 : \$12.95.

The Selected Letters of William Carlos Williams Feb 21 2022 The correspondence of the American writer illuminates his life and presents his observations on poetry

**William Carlos Williams** Dec 30 2019 This set comprises of 40 volumes covering nineteenth and twentieth century European and American authors. These volumes will be available as a complete set, mini boxed sets (by theme) or as individual volumes. This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995.

A book of poems May 27 2022 Hab?a sido un arbusto desmedrado que prolonga sus filamentos hasta encontrar el humus necesario en una tierra neuva. Y c?mo me nutr?a! Me nutr?a con la beatitud con que las hojas tr?mulas de clor?fila se extienden al sol; con la beatitud con que una ra?z encuentra un cad?ver en descompositi?n; con la beatitud con que los convalecientes dan sus pasos vacilantes en las ma?anas de primavera, ba?adas de luz...
