*Ranger Confidential* Feb 12 2021 For twelve years, Andrea Lankford lived in the biggest, most impressive national parks in the world, working a job she loved. She chaperoned baby sea turtles on their journey to sea. She pursued bad guys on her galloping patrol horse. She jumped into rescue helicopters bound for the heart of the Grand Canyon. She won arguments with bears. She slept with

a few too many rattlesnakes. Hell yeah, it was the best job in the world! Fortunately, Andrea survived it. In this graphic and yet surprisingly funny account of her and others' extraordinary careers, Lankford unveils a world in which park rangers struggle to maintain their idealism in the face of death, disillusionment, and the loss of a comrade killed while holding that thin green line between protecting the park from the people, the people from the park, and the people from each other. Ranger Confidential is the story behind the scenery of the nation's crown jewels—Yosemite, Grand Canyon, Yellowstone, Great Smokies, Denali. In these iconic landscapes, where nature and humanity constantly collide, scenery can be as cruel as it is redemptive.

At Briarwood School for Girls Sep 02 2022 The award-winning author of Eveningland “combines a coming-of-age tale, a ghost story and a meditation on history in his engrossing latest novel” (Minneapolis Star Tribune). It's 1994 and Lenore Littlefield is a junior at Briarwood School for Girls. She plays basketball. She hates her roommate. History is her favorite subject. She has told no one that she's pregnant. Everything, in other words, is under control. Meanwhile, Disney has announced plans to build a new theme park just up the road, a “Technicolor simulacrum of American History” right in the middle of one of the most history-rich regions of the country. If successful, the development will forever alter the character of Prince William County, VA, and have unforeseeable consequences for the school. When the threat of the theme park begins to intrude on the lives of the faculty and students at Briarwood, secrets will be revealed and unexpected alliances will form. Lenore must decide whom she can trust—will it be a middle-aged history teacher struggling to find purpose in his humdrum life? A lonely basketball coach tasked with directing the school play? A reclusive playwright still grappling with her own Briarwood legacy? Or a teenage ghost equally adept at communicating with the living via telephone or Ouija board? Following a cast of memorable

characters as they reckon with questions about fate, history, and the possibility of happiness, At Briarwood School for Girls is “an inventive coming of age tale” (Southern Living). “A stunning novel with a hint of the supernatural that’s sure to delight readers.”—Publishers Weekly “Irresistible and satisfying.”—Christine Schutt, author of *Florida: A Novel*

**Little Monsters** Dec 13 2020 For fans of *Pretty Little Liars*, *Little Monsters* is a new psychological thriller, from the author of *The Darkest Corners*, about appearances versus reality and the power of manipulation amongst teenage girls. Kacey is the new girl in Broken Falls. When she moved in with her father, she stepped into a brand-new life. A life with a stepbrother, a stepmother, and strangest of all, an adoring younger half sister. Kacey’s new life is eerily charming compared with the wild highs and lows of the old one she lived with her volatile mother. And everyone is so nice in Broken Falls—she’s even been welcomed into a tight new circle of friends. Bailey and Jade invite her to do everything with them. Which is why it’s so odd when they start acting distant. And when they don’t invite her to the biggest party of the year, it doesn’t exactly feel like an accident. But Kacey will never be able to ask, because Bailey never makes it home from that party. Suddenly, Broken Falls doesn’t seem so welcoming after all—especially once everyone starts looking to the new girl for answers. Kacey is about to learn some very important lessons: Sometimes appearances can be deceiving. Sometimes when you’re the new girl, you shouldn’t trust anyone. Praise for *Little Monsters*: "Thomas creates a disturbing portrait of how bad news and gossip can curdle when mixed together."-Oprah.com "An eerie and masterly psychological thriller...[that] culminates in a shocking and disturbing ending. Thomas expertly captures the pointed nuances and the fickle, manipulative bonds of adolescent girls’ friendships."-SLJ "Taut and suspenseful...this gritty page-turner will easily hook a broad range of readers"-Booklist "An intense psychological thriller that all but ensures the

lights will be left on between dusk and dawn."-Publishers Weekly "Gritty and realistic...this mystery will leave readers in awe."-VOYA "A twisted story of obsession and manipulation, *Little Monsters* captivated me right up to its surprising conclusion—and left me wondering how well I really know my friends."-Chelsea Sedoti, author of *The Hundred Lies of Lizzie Lovett*

**Natalie's Secret** Jun 06 2020 When her mother makes her leave Manhattan to attend summer camp in Pennsylvania, Natalie tries to overcome her aversion to nature and makes new friends.

*Deadly Little Sins* Oct 03 2022 After a summer of virtual house arrest in New York City, Anne Dowling finds herself back at Wheatley, where her favorite teacher and only adult ally, Ms. Cross, has disappeared and someone is determined to stop Anne from learning the truth about that and a gruesome murder.

**Dolphin Confidential** Nov 23 2021 A “compelling” up-close memoir of a career spent among marine mammals and a portrait of the daily lives of dolphins (Publishers Weekly). Working among charismatic and clever dolphins in the wild is a unique thrill—and this book invites us shore-bound dreamers to join Maddalena Bearzi as she travels alongside them. In a fascinating account, she takes us inside the world of a marine scientist and offers a firsthand understanding of marine mammal behavior, as well as the frustrations and delights that make up dolphin research. Bearzi recounts her experiences at sea, tracing her own evolution as a woman and a scientist from her earliest travails to her transformation into an advocate for conservation and dolphin protection. These compelling, in-depth descriptions of her fieldwork also present a captivating look into dolphin social behavior and intelligence. Drawing on her extensive experience with the metropolitan bottlenose dolphins of California in particular, she offers insights into the daily lives of these creatures—as well as the difficulties involved in collecting the data that transforms hunches into hypotheses and eventually

scientific facts. The book closes by addressing the critical environmental and conservation problems facing these magnificent, socially complex, highly intelligent, and emotional beings. "Pairing vivid images of bottlenose dolphins swimming together and caring for one another with descriptions of the meticulous scientific work required to record their behavior, Maddalena Bearzi sheds light on the life of a field biologist...A beautifully written account."—Library Journal

**Honeymoon in High Heels** Nov 11 2020 New York Times and USA Today Bestselling series!

"Gemma Halliday's Maddie Springer is like the west coast version of Janet Evanovich's Stephanie Plum - only more stylish!" - LG Book Club Fashion designer Maddie Springer has just tied the knot and is on her way to honeymoon paradise in Tahiti with her hot new husband. Warm sand, cool surf, and a romantic suite all to themselves... what could possibly go wrong? That is until Maddie stumbles on the dead body of a Tahitian dancer, strangled with her own flower lei. Now suddenly her husband is spending more time consulting with the local police than cavorting in their private hot tub for two. If Maddie wants to have a honeymoon at all, it's up to her and her friends to track down the island killer before paradise turns deadly again. \*\*This is a novella, or short novel, length work\*\* Other Books in the High Heels Series: #1 Spying in High Heels #2 Killer in High Heels #3 Undercover in High Heels #3.5 Christmas in High Heels (short story) #4 Alibi in High Heels #5 Mayhem in High Heels #5.5 Honeymoon in High Heels (short story) #5.75 Sweetheart in High Heels (novella) #6 Fearless in High Heels #7 Danger in High Heels #8 Homicide in High Heels #9 Deadly in High Heels Here's what critics are saying about The High Heels Mysteries: "A saucy combination of romance and suspense that is simply irresistible." - Chicago Tribune "Stylish... nonstop action...guaranteed to keep chick lit and mystery fans happy!" - Publishers' Weekly, starred review "Smart, funny and snappy...the perfect beach read!" - Fresh Fiction "A roller coaster ride full of fun

and excitement!" - Romance Reviews Today "Gemma Halliday writes like a seasoned author leaving the reader hanging on to every word, every clue, every delicious scene of the book. It's a fun and intriguing mystery full of laughs and suspense." - Once Upon A Romance Here's what readers are saying about The High Heels Mysteries: "Do you like Janet Evanovich, James Patterson, Sue Grafton, J.D. Robb, or Stephanie Bond? Then you'll LOVE Gemma Halliday's High Heels series!" - Nikki "The high heels books are one part Fashion Police's Joan Rivers, one part Janet Evanovich's Stephanie Plum, and one part Agatha Christie cozy—which all add up to pure fun." - Jessica "A wicked mystery... as heartwarming as any Nicholas Sparks book!" - Melissa

**The Mockingbirds** Jan 02 2020 Some schools have honor codes. Others have handbooks. Themis Academy has the Mockingbirds. From the glossy pages of its admissions brochure, the prestigious Themis Academy appears perfect in every way: exceptional academics, extraordinary students, the kind of extracurriculars to make an Ivy League proud, and zero instances of student misbehavior. But this boarding school isn't as pristine as it appears. There's a dark underbelly to the perfect record the Themis administration flaunts. Student infractions are rampant, and it's up to a secret vigilante society, the Mockingbirds, to maintain order on campus—a responsibility their members take very seriously. Alex Patrick never thought she would need the Mockingbirds. But when she's date-raped by another student, she doesn't know where else to go. As much as she'd like to forget what happened, she can't escape the daily reminders of what went wrong that terrible night. Before she can summon the courage to take a stand, she'll have to accept that her battle for justice is not hers alone. Standing up for someone, especially yourself, is worth the fight.

**The Defined Dish** Sep 29 2019 Gluten-free, dairy-free, and grain-free recipes that sound and look way too delicious to be healthy from The Defined Dish blog, fully endorsed by Whole30.

**Apple Confidential 2.0** Apr 16 2021 Chronicles the best and the worst of Apple Computer's remarkable story.

Wicked Little Secrets Nov 04 2022 In Kara Taylor's *Wicked Little Secrets*, Anne Dowling becomes entangled in a web of secrets involving a missing student and a conspiracy at Wheatley Prep in this fast-paced, juicy follow-up to *Prep School Confidential* Anne Dowling—a fresh, original, and funny new YA whose heroine has knowing, irreverent voice readers will love—is back for her second semester at Wheatley Prep. Although things have settled (somewhat) since her roommate Isabella's death, Anne's still kind of obsessed with the death of Wheatley student Matthew Weaver thirty years ago, since she found a picture of him and his crewmates with the words "they killed him" scrawled on the back among Isabella's things. When Anne learns that her boyfriend Brent's dad is one of the now-powerful Wheatley alumni who rowed crew with Matthew, and that the crew team continues to induct new members with a creepy-sounding ritual called "The Drop," she knows further investigation could put her relationship with Brent in danger. Determined to discover the truth, she reaches out to Anthony, Isabella's townie brother, who helps her delve deeper into the secrets in Wheatley's past. Secrets someone would kill to keep hidden. As the school's Spring Formal—and its notorious afterparty—approaches, Anne sees the perfect opportunity to do some off-campus digging into the lives of Wheatley's VIPs in this thrilling, unputdownable read—but if she's not careful, she'll be the next student who never comes back.

*Pharmacy School Confidential* Jun 18 2021 This book is for anyone actively pursuing enrollment in a school of pharmacy. However, currently enrolled students will appreciate its relevance, too. This book provides hard-to-find details to sharpen your sense of what is important to pharmacy school faculty. Such knowledge can smooth your transition into professional school, perhaps increase your

scholastic performance, and ultimately help you land the perfect job in your field. During my tenure on the faculty of an accredited, 4-year public college of pharmacy in the south, I have had the fascinating role of interviewing prospective applicants, seeing first-year students on “day 1” of class, and watching graduates leave after commencement...and a smidgen of everything in between. In my role in the college, I teach, listen, and learn from our approximately 200 matriculating students each year. My additional role as a first-year student mentor gave me eye-opening insight about the minute details of students' adjustment to pharmacy school and how this affects their personal behaviors and scholastic performance. Furthermore, serving on the college's professional education committee allowed me to see how courses integrate to provide an education worthy of a PharmD. Finally, my work with the admissions committee informed me about student hurdles for entry into pharmacy school. Information is power, but inside information is the true coin of the realm. To this end, this book provides an intriguing glimpse into the professional school educational system that few see “behind the scenes”. Specifically, I demystify the pharmacy school admissions process and deconstruct the first, and often most demanding, year of the program. Then, the remaining years and beyond are discussed. Because students seldom receive such direct, honest feedback about college faculty, a generous description of the role of the instructor is given, along with expectations and general pet peeves. Facts about course materials and testing, which are notoriously difficult to obtain, are provided, too. Sources for information within this book chiefly include peer-reviewed scientific literature, coupled with a few personal observations. An index allows quick relocation of specific sections, and a bibliography lists all cited sources. Every pharmacy student begins school with high hopes and grand plans, seeking the most for his educational dollar. Graduates want the scientific knowledge and clinical skills to be perfectly poised as highly desirable potential employees,

enjoying multiple job offers. Thus, this book was written to assist students to maximize their return on their relatively brief time spent in professional training.

That Weekend Jul 08 2020 "A bold and expertly plotted page-turner." --Courtney Summers, New York Times bestselling author of *Sadie* From the author of *The Cheerleaders*, comes a thriller about best friends on a weekend getaway that goes horribly, dangerously wrong. *THREE BEST FRIENDS, A LAKE HOUSE, A SECRET TRIP -- WHAT COULD GO WRONG?* It was supposed to be the perfect prom weekend getaway. But it's clear something terrible happened when Claire wakes up alone and bloodied on a hiking trail with no memory of the past forty-eight hours. Now everyone wants answers--most of all, Claire. She remembers Friday night, but after that . . . nothing. And now Kat and Jesse--her best friends--are missing. What happened on the mountain? And where are Kat and Jesse? Claire knows the answers are buried somewhere in her memory. But as she's learning, everyone has secrets--even her best friends. And she's pretty sure she's not going to like what she remembers.

*How We Fall Apart* Jan 14 2021 *Crazy Rich Asians* meets *One of Us is Lying* in this electrifying YA thriller where students at an elite prep school are forced to confront their secrets when their ex-best friend turns up dead. Nancy Luo is shocked when her former best friend, Jamie Ruan, top-ranked junior at Sinclair Prep, goes missing, and then is found dead. Nancy is even more shocked when word starts to spread that she and her friends - Krystal, Akil, and Alexander - are the prime suspects, thanks to "the Proctor," someone anonymously incriminating them via the school's social media app. They all used to be Jamie's closest friends, and she knew each of their deepest, darkest secrets. Now, somehow the Proctor knows them, too. The four must uncover the true killer before The Proctor exposes more than they can bear and costs them more than they can afford, like Nancy's full

scholarship. Soon, Nancy suspects that her friends may be keeping secrets from her, too. Katie Zhao's YA debut is an edge-of-your-seat drama set in the pressure-cooker world of academics and image at Sinclair Prep, where the past threatens the future these teens have carefully crafted for themselves. *How We Fall Apart* is the irresistible, addicting, Asian-American recast of *Gossip Girl* that we've all been waiting for.

**Negotiating for Success: Essential Strategies and Skills** Apr 04 2020 We all negotiate on a daily basis. We negotiate with our spouses, children, parents, and friends. We negotiate when we rent an apartment, buy a car, purchase a house, and apply for a job. Your ability to negotiate might even be the most important factor in your career advancement. Negotiation is also the key to business success. No organization can survive without contracts that produce profits. At a strategic level, businesses are concerned with value creation and achieving competitive advantage. But the success of high-level business strategies depends on contracts made with suppliers, customers, and other stakeholders. Contracting capability—the ability to negotiate and perform successful contracts—is the most important function in any organization. This book is designed to help you achieve success in your personal negotiations and in your business transactions. The book is unique in two ways. First, the book not only covers negotiation concepts, but also provides practical actions you can take in future negotiations. This includes a Negotiation Planning Checklist and a completed example of the checklist for your use in future negotiations. The book also includes (1) a tool you can use to assess your negotiation style; (2) examples of “decision trees,” which are useful in calculating your alternatives if your negotiation is unsuccessful; (3) a three-part strategy for increasing your power during negotiations; (4) a practical plan for analyzing your negotiations based on your reservation price, stretch goal, most-likely target, and zone of potential agreement; (5) clear

guidelines on ethical standards that apply to negotiations; (6) factors to consider when deciding whether you should negotiate through an agent; (7) psychological tools you can use in negotiations—and traps to avoid when the other side uses them; (8) key elements of contract law that arise during negotiations; and (9) a checklist of factors to use when you evaluate your performance as a negotiator. Second, the book is unique in its holistic approach to the negotiation process. Other books often focus narrowly either on negotiation or on contract law. Furthermore, the books on negotiation tend to focus on what happens at the bargaining table without addressing the performance of an agreement. These books make the mistaken assumption that success is determined by evaluating the negotiation rather than evaluating performance of the agreement. Similarly, the books on contract law tend to focus on the legal requirements for a contract to be valid, thus giving short shrift to the negotiation process that precedes the contract and to the performance that follows. In the real world, the contracting process is not divided into independent phases. What happens during a negotiation has a profound impact on the contract and on the performance that follows. The contract's legal content should reflect the realities of what happened at the bargaining table and the performance that is to follow. This book, in contrast to others, covers the entire negotiation process in chronological order beginning with your decision to negotiate and continuing through the evaluation of your performance as a negotiator. A business executive in one of the negotiation seminars the author teaches as a University of Michigan professor summarized negotiation as follows: "Life is negotiation!" No one ever stated it better. As a mother with young children and as a company leader, the executive realized that negotiations are pervasive in our personal and business lives. With its emphasis on practical action, and with its chronological, holistic approach, this book provides a roadmap you can use when navigating through your life as a

negotiator.

**All Girls** Mar 28 2022 'A sincere, poignant and moving story of a group of teenage girls coming to terms with the world they've inherited' Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones and the Six* An all-girls boarding school in a hilly corner of Connecticut, Atwater is a haven for progressive thinking and feminist intellectuals. The students are smart, driven and worldly; they are also teenagers, learning to find their way. But when they arrive on campus for the start of the fall term, they're confronted with startling news: an Atwater alumna has made a troubling allegation of sexual misconduct against an unidentified teacher. As the weeks wear on and the administration's efforts to manage the ensuing crisis fall short, these extraordinary young women come to realise that the adults in their lives may not be the protectors they previously believed. *All Girls* unfolds over the course of one tumultuous academic year and is told from the point of view of a small cast of diverse, interconnected characters as they navigate the social mores of prep school life and the broader, more universal challenges of growing up. The trials of adolescent girlhood are pitched against the backdrop of sexual assault, consent, anxiety and the ways that our culture looks to young women as trendsetters, but otherwise silences their voices and discounts their opinions. The story that emerges is a richly detailed, impeccably layered, and emotionally nuanced depiction of what it means to come of age in a female body today.

**Inappropriation** Oct 23 2021 'Inappropriation unpacks and skewers our confused age in the guise of a winning and authentic coming of age story. Only read Lexi Freiman's assured and enormously enjoyable debut novel if you want to discover an incisive new voice full of dark, merciless wit.' Steve Toltz Starting at a prestigious private Australian girls' school, fifteen-year-old Ziggy Klein is confronted with an alienating social hierarchy that hurls her into the arms of her grade's most

radical feminists. Plagued by fantasies of offensive sexual stereotypes and a psychotherapist mother who thinks bum-pinching is fine if it comes from the heart chakra, Ziggy sets off on a journey of self-discovery that moves from the Sydney drag scene to the extremist underbelly of the internet to the coastal bohemia of a long-dissolved matriarchal cult. As PC culture collides with her friends' morphing ideology and her parents' kinky sex life, Ziggy's understanding of gender, race, and class begins to warp. Ostracised at school, she seeks refuge in Donna Haraway's seminal feminist text, *A Cyborg Manifesto*, and discovers an indisputable alternative identity. Or so she thinks. A controversial Indian guru, a mean clique of blondes all called Cate, and her own Holocaust-surviving grandmother propel Ziggy through a series of misidentifications, culminating in a date-rape revenge plot so confused, it just might work. 'Lexi Freiman is a savage writer, hilarious and brilliant, and in *Inappropriation*, she has reframed the traditional coming-of-age story, tackling it with irreverence and acid wit. This is a daring book, thrillingly of our moment.' Emma Cline, author of *The Girls* 'Inappropriation's crackling, electric prose is an uncomfortable joyride. You'll laugh out loud and squirm and wince, but you sure won't put it down. This novel is an original treasure-sentence by sentence, there is just no book like it.' Alissa Nutting, author of *Made for Love* and *Tampa* 'Inappropriation is sly and risky, but also sweet, a wickedly funny machine built to make us laugh and think. The comic novel has a bold new voice in Lexi Freiman, and she could not have come along at a better time.' Sam Lipsyte, author of *The Fun Parts: Stories* and *The Ask* 'Inappropriation reads like a modern-day *Gulliver's Travels*, exploring the psyche of a generation searching for a better world in all the wrong places. Wry and funny and unabashedly provocative, Lexi Freiman is a gimlet-eyed satirist of the cultural morasses and political impasses of our times.' Alexandra Kleeman, author of *Intimations*

*Model Rules of Professional Conduct* Sep 21 2021 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

*Special Topics in Calamity Physics* Dec 25 2021 Marisha Pessl's *Special Topics in Calamity Physics* is an unforgettable debut novel that combines the storytelling gifts of Donna Tartt and the suspense of Alfred Hitchcock: a darkly hilarious coming-of-age tale and a richly plotted suspense story, told with dazzling intelligence and wit. 'I wrote this account one year after I'd found Hannah Dead. I thought I'd managed to erase all traces of that night within myself. But I was wrong. Every night when I tried to sleep, I'd close my eyes and see her again, exactly as I found her, hanging from a pine tree by an orange electrical cord, her neck twisted like a tulip stem, her eyes seeing nothing. Or else that was the problem. They'd seen everything.' *Special Topics in Calamity Physics* is a mesmerizing debut. As teenager Blue van Meer tells her story we are hurled into a dizzying world of murder and butterflies, womanizing and wandering, American McCulture, The Western Canon, political radicalism and juvenile crushisms. Structured around a syllabus for a Great Works of Literature class (with hand-drawn Visual Aids), Blue's wickedly funny yet poignant tale reveals how the imagination finds meaning in the most bewildering times, the ways people of all ages strive for connection, and how the darkest of secrets can set us free. 'Beneath the foam of this exuberant debut is a dark, strong

drink' Jonathan Franzen, author of, The Corrections 'Any [Donna] Tartt fan disappointed that her second novel had little in common with her debut should rush out and buy this book immediately... It's a brilliant debut, guaranteed to join the ranks of The Secret History and The Virgin Suicides as one of those rare books to become a cult hit and instant classic' Sunday Telegraph 'One of the most impressive debut novels I have ever read ... It stops you doing anything apart from reading it ' Independent on Sunday 'Special Topics in Calamity Physics made me stay up all night reading; in the morning it seemed like one of those parties where everyone is too cool for you but you desperately want to know them anyway . . . I loved this book' Audrey Niffenegger, author of The Time Traveler's Wife Marisha Pessl was born in 1977 and lives in New York. This is her first novel.

When You Were Here Feb 01 2020 Filled with humor, raw emotion, a strong voice, and a brilliant dog named Sandy Koufax, When You Were Here explores the two most powerful forces known to man-death and love. Daisy Whitney brings her characters to life with a deft touch and resonating authenticity. Danny's mother lost her five-year battle with cancer three weeks before his graduation-the one day that she was hanging on to see. Now Danny is left alone, with only his memories, his dog, and his heart-breaking ex-girlfriend for company. He doesn't know how to figure out what to do with her estate, what to say for his Valedictorian speech, let alone how to live or be happy anymore. When he gets a letter from his mom's property manager in Tokyo, where she had been going for treatment, it shows a side of a side of his mother he never knew. So, with no other sense of direction, Danny travels to Tokyo to connect with his mother's memory and make sense of her final months, which seemed filled with more joy than Danny ever knew. There, among the cherry blossoms, temples, and crowds, and with the help of an almost-but-definitely-not Harajuku girl, he begins to see how it may not have been ancient magic or mystical treatment that kept his mother

going. Perhaps, the secret of how to live lies in how she died.

**Hotbox** Sep 09 2020 Matt Lee and Ted Lee take on the competitive, wild world of high-end catering, exposing the secrets of a food business few home cooks or restaurant chefs ever experience. Hotbox reveals the real-life drama behind cavernous event spaces and soaring white tents, where cooking conditions have more in common with a mobile army hospital than a restaurant. Known for their modern take on Southern cooking, the Lee brothers steeped themselves in the catering business for four years, learning the culture from the inside-out. It's a realm where you find eccentric characters, working in extreme conditions, who must produce magical events and instantly adapt when, for instance, the host's toast runs a half-hour too long, a hail storm erupts, or a rolling rack of hundreds of ice cream desserts goes wheels-up. Whether they're dashing through black-tie fundraisers, celebrity-spotting at a Hamptons cookout, or following a silverware crew at 3:00 a.m. in a warehouse in New Jersey, the Lee brothers guide you on a romp from the inner circle—the elite team of chefs using little more than their wits and Sterno to turn out lamb shanks for eight hundred—to the outer reaches of the industries that facilitate the most dazzling galas. You'll never attend a party—or entertain on your own—in the same way after reading this book.

Acing Your First Year of Law School May 18 2021 Provides advice for first year law students on a variety of issues to help them avoid the pitfalls that are common amongst first year students. THIS BOOK IS PART OF OUR STUDENT SURVIVAL PACK...6 books for one low price (see Hein Item #324340).

*The Darkest Corners* May 30 2022 "Gripping from start to finish . . . with twists that left me shocked."—Victoria Aveyard, #1 New York Times bestselling author of Red Queen For fans of Gillian Flynn and Pretty Little Liars, *The Darkest Corners* is a psychological thriller about the lies little girls

tell, and the deadly truths those lies become. There are secrets around every corner in Fayette, Pennsylvania. Tessa left when she was nine and has been trying ever since not to think about what happened there that last summer. She and her childhood best friend Callie never talked about what they saw. Not before the trial. And certainly not after. But ever since she left, Tessa has had questions. Things have never quite added up. And now she has to go back to Fayette—to Wyatt Stokes, sitting on death row; to Lori Cawley, Callie's dead cousin; and to the one other person who may be hiding the truth. Only the closer Tessa gets to what really happened, the closer she gets to a killer—and this time, it won't be so easy to run away. And don't miss Kara's next "eerie and masterly psychological thriller" Little Monsters—on sale now (SLJ)!

Real Friends vs. the Other Kind Feb 24 2022 "If you're like us, you probably have questions about friendships. Maybe you're not sure if someone is a real friend or the other kind." So goes the story of Jack, Jen, Chris, Abby, Mateo, and Michelle—six students trying to figure it all out in middle school. Real Friends vs. the Other Kind, the second book in the Middle School Confidential series, follows these characters as they work to forge friendships while navigating tough social situations. The book offers insider information on making friends, resolving disputes, and dealing with other common middle school concerns—like gossip, exclusion, and cyberbullying. There's also expert advice on crushes, peer pressure, and being there for friends who need help. Filled with character narratives, quizzes, quotes from real kids, tips, tools, and resources, this book is a timely and engaging survival guide for the middle school years.

**Making of Them** Aug 21 2021 In the 21st century British society is still shaped by a private education system devised to gentrify the Victorian middle classes and produce gentlemen to run the Empire. Yet it is not on the political agenda; it is rarely the subject of public debate, and we remain

blind to its psychological implications. Can we afford to go on ignoring this issue? Will we continue to sacrifice the welfare of our children to satisfy our antiquated social aspirations? Why do the British still send their children away to boarding school? What are the attitudes underpinning this practice which mystifies foreigners? What does it mean for a child to be sent away from home and immediately have to survive in an unfamiliar custom-ridden world, without love, family life or privacy? Will it be 'the making of them', or will it be a trauma from which he or she may never recover? In this thought-provoking book, now a classic, psychotherapist, psychohistorian and former boarder Nick Duffell reveals the bewildering dilemmas confronting the boarding school child and discovers a dark secret at the heart of the British psyche. Drawing on three decades of working with Boarding School Survivors, he describes the process towards living beyond 'strategic survival', and offers pointers towards a philosophy of education that honours the needs and the intelligence of the natural child.

**Creativity Class** Jun 26 2019 How China's art students develop their aesthetic styles and enter the nation's creative economy The last three decades have seen a massive expansion of China's visual culture industries, from architecture and graphic design to fine art and fashion. New ideologies of creativity and creative practices have reshaped the training of a new generation of art school graduates. Creativity Class is the first book to explore how Chinese art students develop, embody, and promote their own personalities and styles as they move from art school entrance test preparation, to art school, to work in the country's burgeoning culture industries. Lily Chumley shows the connections between this creative explosion and the Chinese government's explicit goal of cultivating creative human capital in a new "market socialist" economy where value is produced through innovation. Drawing on years of fieldwork in China's leading art academies and art test prep

schools, Chumley combines ethnography and oral history with analyses of contemporary avant-garde and official art, popular media, and propaganda. Examining the rise of a Chinese artistic vanguard and creative knowledge-based economy, *Creativity Class* sheds light on an important facet of today's China.

**Law School Confidential** Jun 30 2022 I WISH I KNEW THEN WHAT I KNOW NOW! Don't get to the end of your law school career muttering these words to yourself! Take the first step toward building a productive, successful, and perhaps even pleasant law school experience—read this book! Written by students, for students, *Law School Confidential* has been the "must-have" guide for anyone thinking about, applying to, or attending law school for more than a decade. And now, in this newly revised third edition, it's more valuable than ever. This isn't the advice of graying professors or battle-scarred practitioners long removed from law school. Robert H. Miller has assembled a blue-ribbon panel of recent graduates from across the country to offer realistic and informative firsthand advice about what law school is really like. This updated edition contains the very latest information and strategies for thriving and surviving in law school—from navigating the admissions process and securing financial aid, choosing classes, studying and exam strategies, and securing a seat on the law review to getting a judicial clerkship and a job, passing the bar exam, and much, much more. Newly added material also reveals a sea change that is just starting to occur in legal education, turning it away from the theory-based platform of the previous several decades to a pragmatic platform being demanded by the rigors of today's practices. *Law School Confidential* is a complete guide to the law school experience that no prospective or current law student can afford to be without.

**The Last Boy at St. Edith's** Oct 11 2020 Seventh-grader Jeremy Miner, the only boy in a school of

475 girls, unleashes a series of pranks in hopes of getting expelled.

*Campus Confidential* Mar 16 2021 *Campus Confidential* is the ultimate insider's guide to surviving and thriving in college. Written in a friendly, conversational style, *Campus Confidential* offers a comprehensive, chronological treatment of the college experience by the author, a Yale graduate, and a blue-ribbon panel of fourteen diverse "mentors" from colleges and universities around the country. But this is not just another fluff-filled freshman handbook. *Campus Confidential* is the complete guide to the college experience—providing solid, road-tested advice for every stage of the process, from high school students getting ready to apply, to college seniors looking for jobs or applying to graduate school, and everything in between.

*The Law of Law School* Aug 09 2020 Offers one hundred rules that every first year law student should live by "Dear Law Student: Here's the truth. You belong here." Law professor Andrew Ferguson and former student Jonathan Yusef Newton open with this statement of reassurance in *The Law of Law School*. As all former law students and current lawyers can attest, law school is disorienting, overwhelming, and difficult. Unlike other educational institutions, law school is not set up simply to teach a subject. Instead, the first year of law school is set up to teach a skill set and way of thinking, which you then apply to do the work of lawyering. What most first-year students don't realize is that law school has a code, an unwritten rulebook of decisions and traditions that must be understood in order to succeed. *The Law of Law School* endeavors to distill this common wisdom into one hundred easily digestible rules. From self-care tips such as "Remove the Drama," to studying tricks like "Prepare for Class like an Appellate Argument," topics on exams, classroom expectations, outlining, case briefing, professors, and mental health are all broken down into the rules that form the hidden law of law school. If you don't have a network of lawyers in your family

and are unsure of what to expect, Ferguson and Newton offer a forthright guide to navigating the expectations, challenges, and secrets to first-year success. Jonathan Newton was himself such a non-traditional student and now shares his story as a pathway to a meaningful and positive law school experience. This book is perfect for the soon-to-be law school student or the current 1L and speaks to the growing number of first-generation law students in America.

**Prep School Confidential** Aug 01 2022 When Anne's misbehavior sends her from her Upper East Side prep school to a prestigious boarding school outside of Boston, her only goal is to get back home until her roommate, Isabella, is murdered and Anne decides to get to the bottom of the mystery, whatever the cost. Original.

*Call Girl Confidential* May 06 2020 You've probably heard of Anna Gristina, the notorious "Soccer Mom Madam," who allegedly operated a multimillion-dollar escort service with clients from the Forbes billionaires list to Capitol Hill. But you haven't heard of the woman who helped bring the Soccer Mom Madam down—until now. *Call Girl Confidential* is Rebecca Kade's compelling, intimate account of her career as an escort...and her work as an undercover agent for the Manhattan District Attorney's Office. Strictly raised as a Southern Baptist, Rebecca Kade never dreamed she would compromise her values by someday becoming a high-priced escort. But when her rock star former lover took her to court in a drawn-out custody battle for their daughter, Rebecca's legit day job barely covered her exorbitant legal fees. She needed to make money and lots of it—fast. Rebecca first became an escort for Kristin Davis, aka "The Manhattan Madam," and her classic beauty made her an instant favorite with the host of wealthy, powerful men who were willing to pay thousands to sleep with her. When she went to work for Anna Gristina, the stakes were even higher and the clientele more prominent. From Wall Street bankers and CEOs to famous U.S. politicians and Middle

Eastern princes as well as Grammy winners, Rebecca met the world's most influential movers and shakers. Then her deepest fears came true. Kristin Davis was arrested, and Anna Gristina also landed on authorities' radar after going undetected for fifteen years. Rebecca had two choices: refuse to cooperate and go to jail—risking never seeing her daughter again—or comply fully, even if it meant giving up Gristina, who trusted Rebecca implicitly. She agreed to go undercover for the DA's office. And the more incriminating evidence she collected, the more she placed herself in danger. Candid and fascinating, this revealing memoir gives readers a glimpse into the little-known life of a high-priced escort turned confidential informant.

**Lulu Dark Can See Through Walls** Oct 30 2019 When someone steals her purse and her identity, high-school junior and reluctant girl sleuth Lulu Dark investigates.

*Kitchen Confidential Updated Ed* Mar 04 2020 A deliciously funny, delectably shocking banquet of wild-but-true tales of life in the culinary trade from Chef Anthony Bourdain, laying out his more than a quarter-century of drugs, sex, and haute cuisine—now with all-new, never-before-published material

*The Cheerleaders* Jul 20 2021 "Sharp, brilliantly plotted, and totally engrossing."--KAREN M. MCMANUS, New York Times bestselling author of *One of Us Is Lying* "A crafty, dark, and disturbing story."--KATHLEEN GLASGOW, New York Times bestselling author of *Girl In Pieces* "A little bit Riverdale and a little bit Veronica Mars."--RILEY SAGER, bestselling author of *Final Girls* A Goodreads Best Young Adult Book of the Year Nominee From the author of *The Darkest Corners* and *Little Monsters* comes an all-new edge-of-your-seat thriller set in upstate New York about an eerie sequence of seemingly unrelated events that leaves five cheerleaders dead. There are no more cheerleaders in the town of Sunnybrook. First there was the car accident--two girls dead after

hitting a tree on a rainy night. Not long after, the murders happened. Those two girls were killed by the man next door. The police shot him, so no one will ever know his reasons. Monica's sister was the last cheerleader to die. After her suicide, Sunnybrook High disbanded the cheer squad. No one wanted to be reminded of the girls they'd lost. That was five years ago. Now the faculty and students at Sunnybrook High want to remember the lost cheerleaders. But for Monica, it's not that easy. She just wants to forget. Only, Monica's world is starting to unravel. There are the letters in her stepdad's desk, an unearthed, years-old cell phone, a strange new friend at school. . . . Whatever happened five years ago isn't over. Some people in town know more than they're saying. And somehow, Monica is at the center of it all. There are no more cheerleaders in Sunnybrook, but that doesn't mean anyone else is safe. More Praise for Kara Thomas: "Gripping from start to finish . . . with twists that left me shocked."--VICTORIA AVEYARD, #1 New York Times bestselling author of Red Queen "You'll be up all night tearing through the pages."--BUSTLE "This deliciously deceptive thriller...is a must-have."--SLJ

Looking For Alaska Jul 28 2019 The authors definitive edition of this unmissable first novel from bestselling and award-winning author of THE FAULT IN OUR STARS and TURTLES ALL THE WAY DOWN. Contains: • a brand-new introduction from John Green • never-before-seen passages from original manuscript • a Q&A with the author, responding to fans' favourite questions

*Med School Confidential* Apr 28 2022 *Med School Confidential* from Robert H. Miller and Daniel M. Bissell uses the same chronological format and mentor-based system that have made *Law School Confidential* and *Business School Confidential* such treasured and popular guides. It takes the reader step-by-step through the entire med school process--from thinking about, applying to, and choosing a medical school and program, through the four-year curriculum, internships, residencies,

and fellowships, to choosing a specialty and finding the perfect job. With a foreword by Chair of the Admissions Committee at Dartmouth Medical School Harold M. Friedman, M.D., *Med School Confidential* provides what no other book currently does: a comprehensive, chronological account of the full medical school experience.

**Wicked Little Secrets** Jan 26 2022 Anne Dowling is still fascinated by the death of Wheatley student Matthew Weaver 30 years before that of her roommate, Isabella, but further investigation could endanger her relationship with Brent as the Spring Formal and its notorious afterparty approach. Original.

*Sat Prep Black Book* Aug 28 2019 "What the College Board doesn't want you to know" --Cover.

Canine Confidential Dec 01 2019 For all the love and attention we give dogs, much of what they do remains mysterious. Just think about different behaviors you see at a dog park: We have a good understanding of what it means when dogs wag their tails—but what about when they sniff and roll on a stinky spot? Why do they play tug-of-war with one dog, while showing their bellies to another? Why are some dogs shy, while others are bold? What goes on in dogs' heads and hearts—and how much can we know and understand? *Canine Confidential* has the answers. Written by award-winning scientist—and lifelong dog lover—Marc Bekoff, it not only brilliantly opens up the world of dog behavior, but also helps us understand how we can make our dogs' lives the best they can possibly be. Rooted in the most up-to-date science on cognition and emotion—fields that have exploded in recent years—*Canine Confidential* is a wonderfully accessible treasure trove of new information and myth-busting. Peeing, we learn, isn't always marking; grass-eating isn't always an attempt to trigger vomiting; it's okay to hug a dog—on their terms; and so much more. There's still much we don't know, but at the core of the book is the certainty that dogs do have deep emotional lives, and that as

their companions we must try to make those lives as rich and fulfilling as possible. It's also clear that we must look at dogs as unique individuals and refrain from talking about "the dog." Bekoff also considers the practical importance of knowing details about dog behavior. He advocates strongly for positive training—there's no need to dominate or shame dogs or to make them live in fear—and the detailed information contained in *Canine Confidential* has a good deal of significance for dog trainers and teachers. He also suggests that trainers should watch and study dogs in various contexts outside of those in which they are dealing with clients, canine and human, with specific needs. There's nothing in the world as heartwarming as being greeted by your dog at the end of the workday. Read *Canine Confidential*, and you'll be on the road to making your shared lives as happy, healthy, and rewarding as they can possibly be.
