One Plus One Oct 03 2022 Suppose your life sucks. A lot. Your husband has done a vanishing act, your stepson is being bullied and your daughter has a once in a lifetime opportunity ... that you can't afford to pay for. That's Jess's life in a nutshell-until an unexpected knight in shining armor offers to rescue them. Only Jess's knight turns out to be Geeky Ed, the obnoxious tech millionaire whose vacation home she happens to clean. But Ed has big problems of his own, and driving the dysfunctional family to the Math Olympiad feels like his first unselfish act in ages. Maybe ever.

Me Before You & After You Sep 21 2021 THE INTERNATIONAL PHENOMENON, ME BEFORE YOU, WHICH HAS SOLD OVER 8 MILLION COPIES WORLD WIDE AND IS NOW A FILM STARRING EMILIA CLARKE AND SAM CLAFLIN TOGETHER WITH THE NUMBER ONE BESTSELLING SEQUEL AFTER YOU IN ONE EBOOK Me Before You Lou Clark knows lots of things. She knows how many footsteps there are between the bus stop and home. She knows she likes working in The Buttered Bun tea shop and she knows she might not love her boyfriend Patrick. What Lou doesn't know is she's about to lose her job or that knowing what's coming is what keeps her sane. Will Traynor knows his motorcycle accident took away his desire to live. He knows everything feels very small and rather joyless now and he knows exactly how he's going to put a stop to that. What Will doesn't know is that Lou is about to burst into his world in a riot of

colour. And neither of them knows they're going to change the other for all time. After You Lou Clark has lots of questions. Like how it is she's ended up working in an airport bar, spending every shift watching other people jet off to new places. Or why the flat she's owned for a year still doesn't feel like home. Whether her close-knit family can forgive her for what she did eighteen months ago. And will she ever get over the love of her life. What Lou does know for certain is that something has to change. Then, one night, it does. But does the stranger on her doorstep hold the answers Lou is searching for - or just more questions? Close the door and life continues: simple, ordered, safe. Open it and she risks everything. But Lou once made a promise to live. And if she's going to keep it, she has to invite them in . . . *** 'A tender, funny and hopeful look at love, grief and life. Hello, Summer Sep 29 2019 New York Times bestselling author and Queen of the Beach Reads Mary Kay Andrews delivers her next blockbuster, Hello Summer. It's a new season... Conley Hawkins left her family's small town newspaper, The Silver Bay Beacon, in the rearview mirror years ago. Now a star reporter for a big-city paper, Conley is exactly where she wants to be and is about to take a fancy new position in Washington, D.C. Or so she thinks. For small town scandals... When the new job goes up in smoke, Conley finds herself right back where she started, working for her sister, who is trying to keep The Silver Bay Beacon afloat—and she doesn't exactly have warm feelings for Conley. Soon she is given the unenviable task of overseeing the local gossip column, "Hello,

Summer.” And big-time secrets. Then Conley witnesses an accident that ends in the death of a local congressman—a beloved war hero with a shady past. The more she digs into the story, the more dangerous it gets. As an old heartbreaker causes trouble and a new flame ignites, it soon looks like their sleepy beach town is the most scandalous hotspot of the summer.

Saving Drew Aug 01 2022 Recovering from a shoulder injury that could end his career as starting pitcher of the New York Empire, Drew MacIntire comes to Silver Bay for solitude and privacy from the media frenzy his surgery has created. After he dances with the beautiful baker, Baylee, at his sister’s wedding, his heart not only wants baseball back, but a future with her as well. Baylee Nelson is settled into her simple, small town life in Silver Bay with her young son, Casey. When Drew saunters into her bakery intent on asking her out, she can’t help but be thrilled. He’s handsome, sexy, kind, and also takes interest in Casey. Baylee knows she needs to keep things casual. She and Drew live in separate worlds, and she needs to keep her focus on her business and son, but Drew didn’t get to the top by giving up easily. Drew and Baylee are falling hard, but with spring training approaching, it seems like the third strike for their future... Can their love withstand the media glare and challenges of a long distance romance?

Clergy Education in America Jul 20 2021 "The first 100 years of the education of the clergy in the United States is rightly understood as classical professional education—that is, a formation into an identity and calling to serve the wider public through specialized knowledge and skills. This book argues that pastors, priests, and rabbis were best formed into capacities of culture building through the construction of narratives, symbols, and practices that served their religious communities and the wider public. This kind of education was closely aligned with liberal arts pedagogies of studying classical texts, languages, and rhetorical practices. The theory of culture here is indebted to Geertz and Bruner's social-semiotic view, which identifies culture as the social construction of narrative, symbols, and practices that shape the identity and meaning-making of certain communities. The theological framework of analysis is indebted to Lindbeck's cultural-linguistic view, which emphasizes the role of doctrine as grammatical rules that govern narratives, doctrinal grammars, and social practices for distinct religious communities. This framework is pushed toward the renewal and reconstruction of religious frameworks by the postmodern work of Sheila Devaney and Kathryn Tanner. The book also employs several other concepts from social theory, borrowed from Jurgen Habermas, Max Weber, Pierre Bourdieu, Michael Young, and Bernard Anderson"--

Lipstick on a Pig Mar 28 2022 Willow Bay's Summer Festival was supposed to mean fun... not murder!The annual summer festival has come to Willow Bay, and for Angela, that means being in charge of the petting zoo. She thought the worst she was going to have to deal with was overly energetic piglets and some argumentative goats, but all that changed when a woman appeared dead in the pig pen on just the second morning of the festival.Unfortunately for Angela, Sophie and Charlotte, the victim worked for a law firm, and they quickly find that getting information out of lawyers is a lot more difficult than they expected. And on top of everything else, Angela discovers that Matt Smith is trying to buy the property her vet clinic sits on.Angela's on a mission to stop Matt Smith from turning Willow Bay into a modern monstrosity, as well as finding the murderer. But when Angela finds herself in the murderer's crosshairs, she realizes she

needs to find the guilty party before she becomes the next victim...Lipstick on a Pig is the fourth book in the Willow Bay Witches series of paranormal cozy mysteries. It's a full-length novel full of funny and sarcastic best friends, a touch of magic, a snarky talking cat and a little bit of romance.

The Giver of Stars Jun 26 2019 #1 NEW YORK TIMES BESTSELLER | A REESE'S BOOK CLUB PICK "A great narrative about personal strength and really captures how books bring communities together." —Reese Witherspoon From the author of the forthcoming Someone Else's Shoes, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond in Depression-era America Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, The Giver of Stars is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.

Snowflakes on Silver Cove Apr 28 2022 Come and spend a picture perfect romantic Christmas at White Cliff Bay Libby Joseph is famous for her romantic Christmas stories. Every December, readers devour her books of falling in love

against the magical backdrop of the Christmas season. If only Libby believed in the magic herself... Struggling to finish her current novel, Libby turns to her best friend and neighbour George Donaldson to cheer her up. But George also needs a bit of support himself. Nervous about getting back into the dating saddle after splitting from his wife, he and Libby strike a deal. She will teach George how to win over the ladies, and Libby will in turn be inspired to inject her novel with a good dose of romance. As Libby and George explore the beautiful White Cliff Bay on a series of romantic Christmas-themed dates, Libby finds herself having more fun than she's had in ages and...discovers feelings that she never knew she had for George. But is it too late? Will George win someone else's heart or can Libby act like the heroine in one of her stories and reach for her own love this Christmas under the mistletoe? Snuggle up with a piece of Christmas cake and mulled wine, and spend the festive season at White Cliff Bay. You won't want to leave! Christmas at Lilac Cottage also out now. Read what everyone is saying about Holly Martin's books: 'Holly Martin writes about life and love with such big-hearted warmth and flair.' Belinda Jones 'I adored this book. Romantic and written with the fabulous humour that makes Holly's books such a delight. It's utterly gorgeous, funny, and swoonsome.' Rachael Lucas 'A beautiful book about Christmas, real love and friendship.' Rebecca Raisin 'Holly Martin can write, that's for damn sure, and this is one that you're going to want to read again and again and again.' The Purr-Fect Crime (a Paranormal Cozy Mystery) (Willow Bay Witches 1) Jan 02 2020 Magic is about to meet murder in Willow BayAngela Martin lives a pretty normal life. As normal as the life of a witch who can talk to animals can be, anyway. Until she shows up to work one day and finds a dead body. Of course, in a small town like Willow Bay this means everyone is obviously on edge. Between the cops who have never investigated a murder before, the crazy hot but infuriating guy Angela is sure has something to do with the murder and clients threatening to move to Canada, Angela starts to wonder if things are ever going to be normal again. But as Angela comes closer to the truth, she finds herself in the murderer's crosshairs. Will she be able to solve the case before she becomes the next victim? The Purr-fect Crime is the first book in the Willow Bay Witches series of paranormal cozy mysteries. It's a full-length novel full of funny and sarcastic best friends, a touch of magic, a snarky talking cat and a little bit of romance.

Memories of Silver Bay Dec 01 2019 A woman scorned-A child in distress-A foggy, eerie setting-A whole cast of suspicious characters-all are elements in the suspenseful saga presented in Memories of Silver Bay. In this novel the author introduces us to ordinary characters who are thrust into extra-ordinary situations that ultimately draw them to put their trust in God when they feel they cannot trust the people around them. Amanda, the main character, is an ordinary school teacher in the winter who takes a job as a museum curator in the summer. Although she is a capable historian and lecturer about this area in northern Michigan, she knows very little about taking care of a child who comes to her door in the middle of the night. Before that night, her mind was preoccupied with her broken engagement to her childhood sweetheart. Now her questions are all about this mysterious child: who is she, where did she come from, what do I feed her, what if she gets sick, is she in danger, and am I in

danger because she is with me? As the events unfold and different characters emerge, Amanda faces more questions: Are Greg and Bob interested in me romantically, or do they have sinister intentions behind their friendliness? Is Mr. Jennings hiding a dark secret? What really happened to Kay Parsons? Readers face the same questions the characters face, and mystery buffs will be challenged to come up with answers before the end of the book. Hopefully this book will become a real page turner for readers who love mystery and romance.

Silver Bay Nov 04 2022 From the "New York Times" bestselling author of "Me Before You" and "One Plus One," in an earlier work available in the U.S. for the first time, a surprising and moving romance set in an old-fashioned seaside town on the verge of unwelcome change Liza McCullen will never fully escape her past. But the unspoiled beaches and tight-knit community of Silver Bay offer the freedom and safety she craves--if not for herself, then for her young daughter, Hannah. That is, until Mike Dormer arrives as a guest in her aunt's hotel. The mild-mannered Englishman with his too-smart clothes and distracting eyes could destroy everything Liza has worked so hard to protect: not only the family business and the bay that harbors her beloved whales, but also her conviction that she will never love--never deserve to love--again. For his part, Mike Dormer is expecting just another business deal--an easy job kick-starting a resort in a small seaside town ripe for development. But he finds that he doesn't quite know what to make of the eccentric inhabitants of the ramshackle Silver Bay Hotel, especially not enigmatic Liza McCullen, and their claim to the surrounding waters. As the development begins to take on a momentum of its own, Mike's and Liza's worlds collide in this hugely affecting and irresistible tale full of Jojo Moyes's signature humor and generosity.
