**Rebel women** Oct 28 2019 "Rebel women" by Evelyn Sharp is the first biography of an unapologetic rebel and a wonderful writer. The stories revealed various situations that suffragettes went through. The book provides the feminist point of view of the author in regards to society. Evelyn Sharp's story captures the changes in possibilities for talented Victorian women who lived into the mid-twentieth century. Excerpt: "Funny, isn't it?" said the young man on the top of the omnibus. "No," said the young woman from whom he

appeared to expect an answer, "I don't think it is funny." "Take care," said the young man's friend, nudging him, "perhaps she's one of them!" Everybody within hearing laughed, except the woman, who did not seem to be aware that they were talking about her. She was on her feet, steadying herself by grasping the back of the seat in front of her, and her eyes, non-committal in their lack of expression, were bent on the roaring, restless crowd that surged backwards and forwards in the Square below, where progress was gradually becoming an impossibility due to the stream of traffic struggling towards Whitehall."

*Koh-i-Noor* Feb 22 2022 From the internationally acclaimed and bestselling historians William Dalrymple and Anita Anand, the first comprehensive and authoritative history of the Koh-i-Noor diamond, arguably the most celebrated jewel in the world. On March 29, 1849, the ten-year-old leader of the Sikh kingdom of the Punjab was ushered into the magnificent Mirrored Hall at the center of the British fort in Lahore, India. There, in a formal Act of Submission, the frightened but dignified child handed over to the British East India Company swathes of the richest land in India and the single most valuable object in the subcontinent: the celebrated Koh-i-Noor diamond, otherwise known as the Mountain of Light. To celebrate the acquisition, the British East India Company commissioned a history of the diamond woven together from the gossip of the Delhi Bazaars. From that moment forward, the Koh-i-Noor became the most famous and mythological diamond in history, with thousands of people coming to see it at the 1851 Great Exhibition and still more thousands repeating the largely fictitious account of its passage through history. Using original eyewitness accounts and chronicles never before translated into English, Dalrymple and Anand trace the true history of the diamond and disperse the myths and fantastic tales that have long surrounded this awe-inspiring jewel. The resulting history of south and central Asia tells a true tale of greed, conquest, murder, torture, colonialism, and

appropriation that shaped a continent and the Koh-i-Noor itself.  
*Sophia* Aug 31 2022 Follows the princess who, at the age of thirty-one, secretly went to India and returned as a revolutionary to fight for Indian Independence, the welfare of Indian soldiers in World War I, and, above all, women's suffrage.

**Eleanor Marx** Jun 16 2021 Unrestrained by convention, lion-hearted and free, Eleanor Marx (1855-98) was an exceptional woman. Hers was the first English translation of Flaubert's *Mme Bovary*. She pioneered the theatre of Henrik Ibsen. She was the first woman to lead the British dock workers' and gas workers' trades unions. For years she worked tirelessly for her father, Karl Marx, as personal secretary and researcher. Later she edited many of his key political works, and laid the foundations for his biography. But foremost among her achievements was her pioneering feminism. For her, sexual equality was a necessary precondition for a just society. Drawing strength from her family and their wide circle, including Friedrich Engels and Wilhelm Liebknecht, Eleanor Marx set out into the world to make a difference – her favourite motto: 'Go ahead!' With her closest friends - among them, Olive Schreiner, Havelock Ellis, George Bernard Shaw, Will Thorne and William Morris - she was at the epicentre of British socialism. She was also the only Marx to claim her Jewishness. But her life contained a deep sadness: she loved a faithless and dishonest man, the academic, actor and would-be playwright Edward Aveling. Yet despite the unhappiness he brought her, Eleanor Marx never wavered in her political life, ceaselessly campaigning and organising until her untimely end, which – with its letters, legacies, secrets and hidden paternity – reads in part like a novel by Wilkie Collins, and in part like the modern tragedy it was. Rachel Holmes has gone back to original sources to tell the story of the woman who did more than any other to transform British politics in the nineteenth century, who was unafraid to live her contradictions.

**Sylvia Pankhurst** Jul 06 2020 'A wonderful book ... Holmes

sublimely illuminates Sylvia's extraordinary life' The Times 'A masterpiece' Vanessa Redgrave Born into one of Britain's most famous activist families, Sylvia Pankhurst was a natural rebel. A free spirit and radical visionary, history placed her in the shadow of her famous mother, Emmeline, and elder sister, Christabel. Yet artist Sylvia Pankhurst was the most revolutionary of them all. Sylvia found her voice fighting for votes for women, imprisoned and tortured in Holloway prison more than any other suffragette. But the vote was just the beginning of her lifelong defence of human rights. She engaged with political giants, warned of fascism in Europe, championed the liberation struggles in Africa and India and became an Ethiopian patriot. Her intimate life was no less controversial. The rupture between Sylvia, Emmeline and Christabel became worldwide news, while her romantic life drew public speculation and condemnation. Rachel Holmes interweaves the personal and political in an extraordinary celebration of a life in resistance, painting a compelling portrait of one of the greatest unsung political figures of the twentieth century. 'A monument to an astonishing life' Daily Telegraph, Best Biographies of 2020 'A robust and sensitive biography' Sunday Times, History Books of the Year 'A moving, powerful biography' Guardian

Circe Mar 02 2020 "In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe has neither the look nor the voice of divinity, and is scorned and rejected by her kin. Increasingly isolated, she turns to mortals for companionship, leading her to discover a power forbidden to the gods: witchcraft. When love drives Circe to cast a dark spell, wrathful Zeus banishes her to the remote island of Aiaia. There she learns to harness her occult craft, drawing strength from nature. But she will not always be alone; many are destined to pass through Circe's place of exile, entwining their fates with hers. The messenger god, Hermes. The craftsman, Daedalus. A ship bearing a golden fleece. And wily Odysseus, on his epic voyage home. There is danger for a solitary

woman in this world, and Circe's independence draws the wrath of men and gods alike. To protect what she holds dear, Circe must decide whether she belongs with the deities she is born from, or the mortals she has come to love. Breathing life into the ancient world, Madeline Miller weaves an intoxicating tale of gods and heroes, magic and monsters, survival and transformation." --Publisher.

**Sophia** Nov 02 2022 In 1876 Sophia Duleep Singh was born into royalty. Her father, Maharajah Duleep Singh, was heir to the Kingdom of the Sikhs--a realm that stretched from the lush Kashmir Valley to the craggy foothills of the Khyber Pass, and included the mighty cities of Lahore and Peshawar. It was a territory irresistible to the British, who plundered it of everything, including the fabled Koh-I-Noor diamond. Exiled to England, the dispossessed Maharajah transformed his estate at Elveden in Suffolk into a Moghul palace, stocked with leopards, monkeys, and exotic birds. Sophia, goddaughter of Queen Victoria, was raised a genteel aristocratic Englishwoman: presented at court, afforded lodgings at Hampton Court Palace, and photographed wearing the latest fashions. But when, in secret defiance of the British government, she traveled to India, she returned a revolutionary. Sophia devoted herself to battling injustice and inequality: Her causes were the struggle for Indian independence, the fate of the Lascars, the welfare of Indian soldiers in WWI--and, above all, the fight for female suffrage. She was bold and fearless, attacking politicians and swapping her silks for a nurse's uniform to tend wounded soldiers. Meticulously researched and passionately written, this enthralling story of the rise of women and the fall of an empire introduces an extraordinary individual and her role in the defining moments of recent British and Indian history.

**The Rich** Nov 29 2019 From the Orwell Prize shortlisted author of *Freedom for Sale*, *The Rich* is the fascinating history of how economic elites from ancient Egypt to the present day have gained and spent their money. Starting with the Romans and Ancient Egypt

and culminating with the oligarchies of modern Russia and China, it compares and contrasts the rich and powerful down the ages and around the world. What unites them? Have the same instincts of entrepreneurship, ambition, vanity, greed and philanthropy applied throughout? As contemporary politicians, economists and the public wrestle with the inequities of our time - the parallel world inhabited by the ultra-wealthy at a time of broader hardship - it is salutary to look to history for explanations. This book synthesises thousands of years of human behaviour and asks the question: is the development of the globalised super-rich over the past twenty years anything new?

Legacies of slavery Mar 14 2021

**Good Grief: Embracing life at a time of death** Sep 07 2020 'The most life-affirming book ever written about death.' Sandi Toksvig 'One of the most powerful and helpful books about grief that you will ever read.' Anita Anand 'Grief is more than the price of love. It is love. We must learn not just to live with it, but to make it welcome.'

**Victoria Gowramma** Jul 18 2021 Veerarajendra, the exiled raja of Coorg and his eleven-year-old daughter Gowramma, were the first Indian royals to land in Britain in the summer of 1852. In this book, C.P. Belliappa has reconstructed the extraordinary saga of the earliest Indian royalty to live in Victorian England. By unearthing hitherto unpublished material, he explores the true motives behind Veerarajendra's decision to move to England Queen Victoria's designs to marry his daughter to another exiled royal: Maharaja Duleep Singh of Punjab and the remarkable affection bestowed on the young princess by the English queen.

**Deeds Not Words** Apr 02 2020 'An uplifting record of progress and strength... You'll lay the book down feeling not only informed, but galvanised to take action yourself.' Independent 'An incredible book . . . with the potential to change women's lives.' Sandi Toksvig Why is it taking so long? Despite huge progress since the suffragette

campaigns and wave after wave of feminism, women are still fighting for equality. Why will we have to wait until 2069 for the gender pay gap to disappear in the UK? Why, in 2015, did 11% of women lose their jobs due to pregnancy discrimination? Why has 1 in 3 women in the world experienced physical or sexual violence? 'Engaging...part feminist history, part progress scoresheet and part family memoir.' Daily Telegraph In Deeds Not Words suffragette descendant and activist Helen Pankhurst charts the changes in the lives of women over the last 100 years. She celebrates landmark successes and little-known victories, looking at politics, money, identity, violence, culture and social norms and turning to the voices of both pioneers and ordinary women for their perspective. 'An exciting and engaging account of an essential part of British history.' Mary Evans, Emeritus Leverhulme Professor, London School of Economics Combining historical insight with inspiring argument, Deeds not Words reveals how far women have come, how far we still have to go, and how we might get there. It is essential reading for women - and men - on the most important issue of our time. 'Deeds Not Words is so timely. A valuable guide and reference.'

Annie Lennox OBE

*Sri Guru Gobind Singh Jee - A Short Biography* Dec 23 2021 This book is a short biography of the tenth Guru of the Sikhs - Sri Guru Gobind Singh Jee (1666 - 1708 CE). The book gives an overview of the life of the Guru, describing his inspirational teachings and mentioning geographical locations he visited.

**Vivid Faces** Aug 07 2020 OBSERVER BOOKS OF THE YEAR 2015 TIMES LITERARY SUPPLEMENT BOOKS OF THE YEAR and OBSERVER BOOKS OF THE YEAR 2014 WINNER OF THE AMERICAN HISTORICAL ASSOCIATION'S MORRIS D. FORKOSCH PRIZE 2016 'The most complete and plausible exploration of the roots of the 1916 Rebellion... essential reading' Colm Tóibín Vivid Faces surveys the lives and beliefs of the people who made the Irish Revolution: linked together by youth,

radicalism, subversive activities, enthusiasm and love. Determined to reconstruct the world and defining themselves against their parents, they were in several senses a revolutionary generation. The Ireland that eventually emerged bore little relation to the brave new world they had conjured up in student societies, agit-prop theatre groups, vegetarian restaurants, feminist collectives, volunteer militias, Irish-language summer schools, and radical newspaper offices. Roy Foster's book investigates that world, and the extraordinary people who occupied it. Looking back from old age, one of the most magnetic members of the revolutionary generation reflected that 'the phoenix of our youth has fluttered to earth a miserable old hen', but he also wondered 'how many people nowadays get so much fun as we did'. Working from a rich trawl of contemporary diaries, letters and reflections, *Vivid Faces* re-creates the argumentative, exciting, subversive and original lives of people who made a revolution, as well as the disillusionment in which it ended.

*The Patient Assassin* Jul 30 2022 The dramatic true story of a celebrated young survivor of a 1919 British massacre in India, and his ferocious twenty-year campaign of revenge that made him a hero to hundreds of millions—and spawned a classic legend. When Sir Michael O’Dwyer, the Lieutenant Governor of Punjab, ordered Brigadier General Reginald Dyer to Amritsar, he wanted Dyer to bring the troublesome city to heel. Sir Michael had become increasingly alarmed at the effect Gandhi was having on his province, as well as recent demonstrations, strikes, and shows of Hindu-Muslim unity. All these things, to Sir Michael, were a precursor to a second Indian revolt. What happened next shocked the world. An unauthorized gathering in the Jallianwallah Bagh in Amritsar in April 1919 became the focal point for Sir Michael’s law enforcers. Dyer marched his soldiers into the walled garden, blocking the only exit. Then, without issuing any order to disperse, he instructed his men to open fire, turning their guns on the thickest

parts of the crowd, filled with over a thousand unarmed men, women, and children. For ten minutes, the soldiers continued firing, stopping only when they ran out of ammunition. According to legend, eighteen-year-old Sikh orphan Udham Singh was injured in the attack, and remained surrounded by the dead and dying until he was able to move the next morning. Then, he supposedly picked up a handful of blood-soaked earth, smeared it across his forehead, and vowed to kill the men responsible. The truth, as the author has discovered, is more complex—but no less dramatic. Award-winning journalist Anita Anand traced Singh's journey through Africa, the United States, and across Europe until, in March 1940, he finally arrived in front of O'Dwyer himself in a London hall ready to shoot him down. *The Patient Assassin* shines a devastating light on one of history's most horrific events, but it reads like a taut thriller and reveals the incredible but true story behind a legend that still endures today.

**Liberty's Exiles** Jun 04 2020 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER This groundbreaking book offers the first global history of the loyalist exodus to Canada, the Caribbean, Sierra Leone, India, and beyond. At the end of the American Revolution, sixty thousand Americans loyal to the British cause fled the United States and became refugees throughout the British Empire. *Liberty's Exiles* tells their story. This surprising new account of the founding of the United States and the shaping of the post-revolutionary world traces extraordinary journeys like the one of Elizabeth Johnston, a young mother from Georgia, who led her growing family to Britain, Jamaica, and Canada, questing for a home; black loyalists such as David George, who escaped from slavery in Virginia and went on to found Baptist congregations in Nova Scotia and Sierra Leone; and Mohawk Indian leader Joseph Brant, who tried to find autonomy for his people in Ontario. Ambitious, original, and personality-filled, this book is at once an intimate narrative history and a provocative analysis that changes

how we see the revolution's "losers" and their legacies.

Thousands of Heroes Have Arisen Nov 09 2020 This book seeks to tell the story of the Great War through the eyes of the Sikh soldier and Sikh people themselves, by examining their war time experiences from France, from the hospital, from the trench, from the village and an array of lands.

Dog Shows and Doggy People Apr 14 2021 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**The Wicked Wit of Winston Churchill** Dec 31 2019 Sir Winston Churchill remains a British hero, lauded for his oratorical skill. He wrote histories, biographies, memoirs, and even a novel, while his journalism, speeches and broadcasts run to millions of words. From 1940 he inspired and united the British people and guided their war effort. Behind the public figure, however, was a man of vast humanity and enormous wit. His most famous speeches and sayings have passed into history but many of his aphorisms, puns and jokes are less well-known. This enchanting collection brings together hundreds of his wittiest remarks as a record of all that was best about this endearing, conceited, talented and wildly funny Englishman. Also available in the series are collections from Shakespeare, To Be or Not To Be, and Oscar Wilde, I Can Resist

Everything Except Temptation.

**The Royal Rebel** May 28 2022 Rebel, Princess, Suffragette: this is the incredible true story of the life of Princess Sophia Duleep Singh, a forgotten heroine of the early twentieth century.

**The Women of Rothschild** Jun 24 2019 'Captivating, intimate, dazzling epic and revelatory' SIMON SEBAG-MONTEFIORE The story of the family who rose from the Frankfurt ghetto to become synonymous with wealth and power has been much mythologized. Yet half the Rothschilds, the women, remain virtually unknown. From the East End of London to the Eastern seaboard of the United States, from Spitalfields to Scottish castles, from Bletchley Park to Buchenwald, and from the Vatican to Palestine, Natalie Livingstone follows the extraordinary lives of the English branch of the Rothschild women from the dawn of the nineteenth century to the early years of the twenty first. As Jews in a Christian society and women in a deeply patriarchal family, they were outsiders. Determined to challenge and subvert expectations, they supported each other, building on the legacies of their mothers and aunts. They became influential hostesses and talented diplomats, choreographing electoral campaigns, advising prime ministers, advocating for social reform and trading on the stock exchange. Misfits and conformists, conservatives and idealists, performers and introverts, they mixed with Rossini and Mendelssohn, Disraeli, Gladstone and Chaim Weizmann, amphetamine-dealers, temperance campaigners, Queen Victoria, and Albert Einstein. They broke code, played a pioneering role in the environmental movement, scandalised the world of women's tennis by introducing the overarm serve and drag-raced with Miles Davies in Manhattan. Absorbing and compulsive **THE WOMEN OF ROTHSCHILD** gives voice to the complicated, privileged and gifted women whose vision and tenacity shaped history.

**Did I Say That Out Loud?** May 16 2021 'Joyous, wise, reassuring and laugh-out-loud funny. I love these two women so much.'

Elizabeth Day 'I can say with full confidence that Jane Garvey and Fi Glover are the two funniest women on planet earth right now.'

Dolly Alderton 'A book like no other. Honest and very, very funny. Some bits made me want to cheer - a sentence on parenting teenage girls was so good I may get it tattooed on myself, possibly in Hebrew.'

Sara Cox 'You'll laugh, you'll nod your head so vigorously in agreement that you'll end up with whiplash and you'll buy a copy of this book for all your friends for Christmas. If you loved the late, great Victoria Wood, then you'll love Fi and Jane too.'

Red magazine Award-winning broadcasters Fi Glover and Jane Garvey don't claim to have all the answers (what was the question?), but in these hilarious and perceptive essays they take modern life by its elasticated waist and give it a brisk going over with a stiff brush. They riff together on the chuff of life, from pet deaths to broadcasting hierarchies, via the importance of hair dye, the perils and pleasures of judging other women, and the perplexing overconfidence of chino-wearing middle-aged white men named Roger. Did I Say That Out Loud? covers essential life skills (never buy an acrylic jumper, always decline the offer of a limoncello), ponders the prudence of orgasm merchandise and suggests the disconcerting possibility that Christmas is a hereditary disease, passed down the maternal line. At a time of constant uncertainty, what we all need is the wisdom of two women who haven't got a clue what's going on either.

Queen Victoria's Maharajah Mar 26 2022 In this delightful portrait of a unique character, the quixotic Duleep Singh, a deposed Punjabi maharajah, converted to Christianity and moved to England, where he became a favorite of Queen Victoria. But, his extravagance and the parsimony of the India Office eventually led him to declare a holy war to recover his homeland from the British Empire. The account is based on the archives at Windsor and the India Office Library.

**Slavery and the British Country House** Jan 30 2020 In 2007

English Heritage commissioned initial research into links with transatlantic slavery or its abolition amongst families who owned properties now in its care. This was part of the commitment by English Heritage to commemorate the bicentenary of the abolition of the British transatlantic slave trade with work that would make a real difference to our understanding of the historic environment in the longer term. The research findings and those of other scholars and heritage practitioners were presented at the 'Slavery and the British Country House' conference which brought together academics, heritage professionals, country house owners and community researchers from across Britain to explore how country houses might be reconsidered in the light of their slavery linkages and how such links have been and might be presented to visitors. Since then the conference papers have been updated and reworked into a cutting edge volume which represents the most current and comprehensive consideration of slavery and the British country house as yet undertaken.

Difficult Women Jan 12 2021 Well-behaved women don't make history: difficult women do. 'This is the antidote to saccharine you-go-girl fluff. Effortlessly erudite and funny' Caroline Criado-Perez Strikers in saris. Bomb-throwing suffragettes. The pioneer of the refuge movement who became a men's rights activist. Forget feel-good heroines: meet the feminist trailblazers who have been airbrushed from history for being 'difficult' - and discover how they made a difference. Here are their stories in all their shocking, funny and unvarnished glory. \*\* Shortlisted in the 2020 Parliamentary Book Awards \*\* 'All the history you need to understand why you're so furious, angry and still hopeful about being a woman now. A book that is part intellectual weapon in your handbag, part cocktail with a friend' Caitlin Moran 'Compulsive, rigorous, unforgettable, hilarious and devastating' Hadley Freeman 'A great manifesto for all those women who have never been very good at being well-behaved.' Mary Beard 'Difficult Women is full of vivid detail, jam-

packed with research and fizzing with provocation' Sunday Times  
**The Lockhart Plot** Oct 09 2020 This is the extraordinary story of the British plot in the summer of 1918 to overthrow the Bolshevik government in Russia, murder the Bolshevik leaders, and install a new government in Moscow that would re-open the war against the Germans on the Eastern Front. Conceived by the British envoy to the Bolsheviks, Robert Bruce Lockhart, a dashing, cynical, urbane 30-year-old Scot, and involving French, American, and Russian accomplices, the plan ultimately failed - which is why it has until now remained shrouded in mystery. It was a plot in which the fate of the Revolution and the future shape of world history were up for grabs, and the story behind it is a thrilling one involving a game of cat and mouse with the Bolshevik secret police, the Cheka, as well as murder, attempted murder, and a passionate love affair between Lockhart and one of his Russian accomplices, the beautiful Russian aristocrat Moura von Benckendorff.

**Royals and Rebels** Nov 21 2021 In late-eighteenth-century India, the glory of the Mughal emperors was fading, and ambitious newcomers seized power, changing the political map forever. Enter the legendary Maharajah Ranjit Singh, whose Sikh Empire stretched throughout northwestern India into Afghanistan and Tibet. Priya Atwal shines fresh light on this long-lost kingdom, looking beyond its founding father to restore the queens and princes to the story of this empire's spectacular rise and fall. She brings to life a self-made ruling family, inventively fusing Sikh, Mughal and European ideas of power, but eventually succumbing to gendered family politics, as the Sikh Empire fell to its great rival in the new India: the British. *Royals and Rebels* is a fascinating tale of family, royalty and the fluidity of power, set in a dramatic global era when new stars rose and upstart empires clashed.

**Empireland** Sep 27 2019 WINNER OF THE 2022 BRITISH BOOK AWARD FOR NARRATIVE NONFICTION \*\*\*THE BOOK THAT INSPIRED THE CHANNEL 4 DOCUMENTARY

'EMPIRE STATE OF MIND'\*\*\* THE SUNDAY TIMES  
BESTSELLER 'The real remedy is education of the kind that  
Sanghera has embraced - accepting, not ignoring, the past' Gerard  
deGroot, The Times

---

EMPIRE explains why there are millions of Britons living worldwide. EMPIRE explains Brexit and the feeling that we are exceptional. EMPIRE explains our distrust of cleverness. EMPIRE explains Britain's particular brand of racism. Strangely hidden from view, the British Empire remains a subject of both shame and glorification. In his bestselling book, Sathnam Sanghera shows how our imperial past is everywhere: from how we live and think to the foundation of the NHS and even our response to the COVID-19 crisis. At a time of great division, when we are arguing about what it means to be British, *Empireland* is a groundbreaking revelation - a much-needed and enlightening portrait of contemporary British society, shining a light on everything that usually gets left unsaid.

---

'*Empireland* takes a perfectly-judged approach to its contentious but necessary subject' Jonathan Coe 'I only wish this book has been around when I was at school' Sadiq Khan, Mayor of London 'This remarkable book shines the brightest of lights into some of the darkest and most misunderstood corners of our shared history' James O'Brien

*Indian Suffragettes* Jan 24 2022 Popular depictions of campaigns for women's suffrage in films and literature have invariably focused on Western suffrage movements. The fact that Indian women built up a vibrant suffrage movement in the twentieth century has been largely neglected. The Indian 'suffragettes' were not only actively involved in campaigns within the Indian subcontinent, they also travelled to Britain, America, Europe, and elsewhere, taking part in transnational discourses on feminism, democracy, and suffrage. *Indian Suffragettes* focuses on the different geographical spaces in which

Indian women were operating. Covering the period from the 1910s until 1950, it shows how Indian women campaigning for suffrage positioned themselves within an imperial system and invoked various identities, whether regional, national, imperial, or international, in the context of debates about the vote. Significantly, this volume analyses how the global connections that were forged influenced social and political change in the Indian subcontinent, highlighting Indian mobility at a time when they were colonial subjects.

*The Love of Strangers* Oct 21 2021 How a group of Iranian students sought love and learning in Jane Austen's London In July 1815, six Iranian students arrived in London under the escort of their chaperone, Captain Joseph D'Arcy. Their mission was to master the modern sciences behind the rapid rise of Europe. Over the next four years, they lived both the low life and high life of Regency London, from being down and out after their abandonment by D'Arcy to charming their way into society and landing on the gossip pages. *The Love of Strangers* tells the story of their search for love and learning in Jane Austen's England. Drawing on the Persian diary of the student Mirza Salih and the letters of his companions, Nile Green vividly describes how these adaptable Muslim migrants learned to enjoy the opera and take the waters at Bath. But there was more than frivolity to their student years in London. Burdened with acquiring the technology to defend Iran against Russia, they talked their way into the observatories, hospitals, and steam-powered factories that placed England at the forefront of the scientific revolution. All the while, Salih dreamed of becoming the first Muslim to study at Oxford. *The Love of Strangers* chronicles the frustration and fellowship of six young men abroad to open a unique window onto the transformative encounter between an Evangelical England and an Islamic Iran at the dawn of the modern age. This is that rarest of books about the Middle East and the West: a story of friendships.

**Princess Sophia Duleep Singh** Jun 28 2022 My Story: Princess Sophia Duleep Singh - the thrilling story of the princess and suffragette. Born in Britain to Indian and Egyptian parents, Princess Sophia Duleep Singh was a prominent suffragette and campaigned for the women's right to vote. Explore Sophia's incredible life with My Story. Perfect for any child wanting to learn more about history's untold stories Great background reading for Key Stage 2 & 3 My Story: exciting stories with reliable and accurate historical detail Experience history first-hand with My Story.

**Thoughts to Heal** Jul 26 2019 This book is meant to reinvigorate your thought process and give your life a new vision and perspective. This book is a spiritual journey with the teachings of Shri Guru Granth Sahib Ji. The approach is not to be religious or dogmatic but spiritual and liberal. the book contains the teachings of Sri Guru Granth Sahib Ji, which contains the teachings of Sikh Gurus, other saints, and words of eternal wisdom. Each chapter is like peeling a layer of an onion, intended to step by step, on a daily basis, unclutter your mind and sharpen your vision. This book is meant for those who are searching for or are at the edge of a new direction, a new beginning in their life but are unsure whether or not to take the plunge. This may also be helpful to those who have a deep-seated unfulfilled purpose in their life but are just unsure whether or not to do what they would be happy to do in their lives. Modern day youth often finds themselves at cross roads because they find a sea of difference in the value system that they have grown up in and the value system that contemporary society demands. The correct way would be to have a strong value system so that one is unmoved by the conflicting thought processes that one comes across on a daily basis. This book is intended to give that strength and robustness of thought process to those who are always in two minds in choosing what's right for them and what is in front of them.

Daughters of Britannia Dec 11 2020 An authoritative and

entertaining account by one of our most talented writers of the courageous and unusual women who have been the backbone of the British Empire and foreign service. ~English ambassadresses are usually on the dotty side and leaving their embassies drives them completely off their rockers~" Nancy Mitford From the first exploratory expeditions into foreign lands, through the heyday of the British Empire and still today, the foreign service has been shaped and run behind the scenes by the wives of ambassadors and minor civil servants. Accompanying their spouses in the most extraordinary, tough, sometimes terrifying circumstances, they have struggled to bring their civilization with them. Their stories ~ from ambassadresses downwards ~ never before told, are a feast of eccentricity, genuine hardship and genuine heroism, and make for a hilarious, compelling and fascinating book.

*The Beauty Game* Aug 19 2021 Following the success of India's beauty queens, and the burgeoning cosmetics industry, this book looks at how beauty impacts middle-class city women. It examines how a new, more global image of beauty is being created and promoted by the industry and the media, and whether this is demeaning, exploiting or even objecting.

Sophia Oct 01 2022 Shortlisted for the Slightly Foxed Best First Biography Prize Winner of the Eastern Eye Alchemy Festival award for Literature In 1876 Sophia Duleep Singh was born into royalty. Her father, Maharajah Duleep Singh, was heir to the Kingdom of the Sikhs, a realm that stretched from the lush Kashmir Valley to the craggy foothills of the Khyber Pass and included the mighty cities of Lahore and Peshawar. It was a territory irresistible to the British, who plundered everything, including the fabled Koh-I-Noor diamond. Exiled to England, the dispossessed Maharajah transformed his estate at Elveden in Suffolk into a Moghul palace, its grounds stocked with leopards, monkeys and exotic birds. Sophia, god-daughter of Queen Victoria, was raised a genteel aristocratic Englishwoman: presented at court, afforded grace-and-

favour lodgings at Hampton Court Palace and photographed wearing the latest fashions for the society pages. But when, in secret defiance of the British government, she travelled to India, she returned a revolutionary. Sophia transcended her heritage to devote herself to battling injustice and inequality, a far cry from the life to which she was born. Her causes were the struggle for Indian independence, the fate of the Lascars, the welfare of Indian soldiers in the First World War - and, above all, the fight for female suffrage. She was bold and fearless, attacking politicians, putting herself in the front line and swapping her silks for a nurse's uniform to tend wounded soldiers evacuated from the battlefields. Meticulously researched and passionately written, this enthralling story of the rise of women and the fall of empire introduces an extraordinary individual and her part in the defining moments of recent British and Indian history.

**Spy Princess** Feb 10 2021 This is the riveting story of Noor Inayat Khan, a descendant of an Indian Prince Tipu Sultan (the Tiger of Mysore), who became a British secret agent for SOE during World War II. Shrabani Basu tells the moving story of Noor's life, from her birth in Moscow - where her father was a Sufi preacher - to her capture by the Germans. Noor was one of only three women SOE agents awarded the George Cross and, under torture, revealed nothing, not even her own real name. Kept in solitary confinement, her hands and feet chained together, Noor was starved and beaten, but the Germans could not break her spirit. Then months after she was captured, she was taken to Dachau concentration camp and, on 13th September 1944, she was shot. Her last word was 'Liberté'.

**Daughters of Partition** May 04 2020 16-year-old Taji Kaur is living a blissful life - after a grand and lavish wedding ceremony she has her first baby and is expecting the second in August of 1947. In the backdrop, the British Raj in India is coming to an end and a line of partition is being proposed between India and Pakistan. Taji and her husband, Indian Sikhs, find themselves on the wrong side of the border. Amidst the ravages of riots and bloodshed, they make a

desperate attempt to cross a mountainous region to reach India; but the journey is far from straightforward. This is a heart-wrenching, real-life story of borders, civil unrest, loss, migration, religion and incredible bravery, told through the eyes of one woman who lived through these tragedies.

**The Maharajah's Box** Sep 19 2021 Documents a forensic historical investigator's search surrounding the dormant Swiss bank account of the princess daughter of Maharaja Duleep Singh, the last Emperor of the Sikhs, chronicling Singh's midlife attempt to reclaim his throne. 10,000 first printing.

**Mitterrand** Aug 26 2019 A definitive biography of one of the twentieth century's most glamorous, complicated political figures. Aesthete, sensualist, bookworm, politician of Machiavellian cunning: FranCois Mitterrand was a man of exceptional gifts and exceptional flaws who, during his fourteen years as President, strove to drag his tradition-bound and change-averse country into the modern world. As a statesman and as a human being, he was the incarnation of the mercurial, contrarian France which Britain and America find so perennially frustrating. He embodied the ambiguities and the contradictions of a nation whose modern identity is founded on a stubborn refusal to fit into the Anglo-American scheme of things. Yet he changed France more profoundly than any of his recent predecessors, arguably including even his great rival, Charles de Gaulle. During the war he was both the leader of a resistance movement and decorated for services to the collaborationist regime in Vichy. After flirting with the far Right, he entered parliament with the backing of conservatives and the Catholic Church before becoming the undisputed leader of the Left. As President he brought the French Communists into the government the better to destroy them. And all the while he managed to find time for an extraordinarily complicated private life. This is a human as much as a political biography, and a captivating portrait of a life that mirrored Mitterrand's times.

**Kohinoor** Apr 26 2022 This riveting tale of the Kohinoor, the world's most coveted gem, unearths fascinating new information as it moves from the Mughal court to Persia to Afghanistan; from Maharaja Ranjit Singh's durbar in Punjab to the Queen of England's Crown. A thrilling tale, full of violence, drama and intrigue.
