Gunbearer Oct 28 2019 Sidi Mubarak Mumbai, a Yao tribesman, trekked many years with legendary British explorers on their dangerous marches into the Dark Continent--his first employers for such expeditions were Richard Burton, John Hanning Speke, and James Augustus Grant. Mumbai began his journeys with them when he was barely eighteen years of age. He was serving in the Seyyid's army at a minor jungle river post on the vast mainland when hired as Speke's gunbearer for his new and future profession--and during the next six turbulent years, grew to full manhood amidst tribal wars, safari mutinies, and the enticements of generous women. This two volume saga of Equatorial Africa's early history is a vivid account of seeking what was not lost, as related by a candid African observer--a moving counterpoint to the often evasive personal reports constructed by travelers of the Victorian era. He openly reveals what has been kept prudishly hidden or removed from former journals about British 'gentlemen'--whose smoldering passions, petty jealousies, and quarrels endangered their own lives, and those of their hired bearers. Unfortunately, the enmity between two was also borne home to England--where it was deliberately fanned into flame by a malicious mutual friend, resulting in the sudden death of Speke--and even that was a debated mystery. In these two companion volumes, Part One and Part Two of GUNBEARER--the journal of S.M. Mumbai, an African delivers a unique recital of his fateful encounter with Captains Speke, Burton, and Grant, unfolding their diverse relationships--and knowing "Spikka sahib" better than any, he records how the resulting tragedy truly occurred. These two volumes give a unique evocation of what it was like to safari in Africa in the mid-19th Century. The author's "voice" allows us to saturate ourselves in the colors, textures, odors, sounds, and sensations of treks through wildest Africa, transporting the reader to a long-vanished world. The novel tries to do justice to a long forgotten historical pair of figures, one being the explorer, Speke, whose untimely death and rivalry with the more famous Burton cheated him of almost all credit for his incredible exploits. But the second character you won't soon forget is the narrator, Sidi Mubarak Mumbai, better known as "Bombay", whose vocabulary and viewpoint are quite unique to English literature. These are two epical journeys... to suffer and travel with the Captains and their sad little companion creates a haunting effect. As a cautionary tale for our own lives, GUNBEARER presents us with a message that we may be powerless to adapt to the desperate and trivial vanities in our personal lives. It is the hardest lesson of all to learn. Jan Merlin has presented the story in the form of a masterpiece of literature.

Cold and Ultracold Collisions in Quantum Microscopic and Mesoscopic Systems Sep 07 2020 Cold and ultracold collisions occupy a strategic position at the intersection of several powerful themes of current research in chemical physics, in atomic, molecular and optical physics, and even in condensed matter. The nature of these collisions has important consequences for optical manipulation of inelastic and reactive processes, precision measurement of molecular and atomic properties, matter-wave coherences and quantum-statistical condensates of dilute, weakly interacting atoms. This crucial position explains the wide interest and explosive growth of the field since its inception in 1987. The author reviews elements of the quantum theory of scattering theory, collisions taking place in the presence of one or more light fields, and collisions in the dark, below the photon recoil limit imposed by the

presence of any light field. Finally, it reviews the essential properties of these mesoscopic quantum systems and describes the key importance of the scattering length to condensate stability.

The Whispering Trees Oct 09 2020 The Whispering Trees, award winning writer Abubakar Adam Ibrahim's debut collection of short stories, employs nuance, subtle drama and deadpan humour to capture colourful Nigerian lives. There's Kyakkyawa, who sparks forbidden thoughts in her father and has a bit of angels and witches in her; there's the mysterious butterfly girl who just might be an incarnation of Ohikwo's long dead mother; there's also a flummoxed white woman caught between two Nigerian brothers and an unfolding scandal, and, of course, the two medicine men of Mazade who battle against their egos, an epidemic and an enigmatic witch.

The Book of Fatal Errors Apr 02 2020 Award-winning author Dashka Slater spins a tale of friendship, magic, and eternal life in *The Book of Fatal Errors*, an evocative and witty middle-grade fantasy. Rufus doesn't just make mistakes – he makes fatal errors. Clumsy and awkward, he feels entrapped by his teasing classmates and their constant laughter. But now it is summer. Rufus is free. He roams the wildlands of his grandfather's mysterious homestead, blissfully unaware of the danger up ahead. And there is much danger. Rufus and his snooty cousin Abigail soon become entangled in the tantalizing world of the feylings, mischievous fairy-like creatures desperate to find their way home. In helping the feylings, Rufus tumbles down a dark path rich with age-old secrets and difficult truths. Any move he makes might be his final fatal error. Or perhaps, his most spectacular beginning.

Love's Mountain Quest (Hearts of Montana Book #2) May 04 2020 Young widow Joanna Watson is struggling to make a new home for her five-year-old son, Samuel, in the little mountain town of Settler's Fort. When she returns home from work to find Samuel and the woman watching him missing, with no lawman in town, she enlists a man she prays has enough experience in this rugged country to help. Isaac Bowen wants nothing more than a quiet, invisible life in these mountains, far away from the bad decisions of his past. But he has a strong suspicion of who's behind the kidnapping, and if he's right, he knows all too well the evil they're chasing. As they press on against the elements, Joanna fights to hold on to hope, while Isaac knows a reckoning is coming. They find encouragement in the tentative trust that grows between them, but whether it can withstand the danger and coming confrontation is far from certain in this wild, unpredictable land.

Popular Dainties Nov 29 2019 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Freud on the Psychology of Ordinary Mental Life Mar 02 2020 Freud, although best known for his elucidation of the unusual in human mental life, also attempted to illuminate ordinary human experience, such as people's appreciation of humor, their capacity to become engrossed in fiction, and their disposition to a variety of emotional experiences, including the uncanny, the stirrings prompted by beauty, and their disposition to mourn. His insights into the everyday and his sense of where within it the productive questions lie reveal an incisiveness that defies both earlier and subsequent thought on his topics. This book works to expose that vision and to demonstrate its fertility for further inquiry. It reconstructs several of Freud's works on ordinary mental life, tracking his method of inquiry, in particular his search for the child within the adult, and culminating in a deployment of his tools

independently of his analyses. It shows how to read Freud for his insight and generativity and how to push beyond the confines of his analyses in pursuit of new lines of exploration.

Voices of Hope Sep 27 2019 Fueled by media reports of gender bias in the schools, the debate over single sex education has been recently renewed. "Voices of Hope" asks for a reconsideration of the framing of that debate. For whom is single sex education better? For the attainment of which goals? What do girls gain by being schooled with male peers? What is lost? In this longitudinal study of more than fifty high school girls at four New England independent schools, Carole B. Shmurak follows their development from ninth grade through the first year of college. Case studies capture the girls' own voices as they describe their hopes for their futures and the events that subsequently affect those futures.

More Miracle Than Bird Jul 26 2019 For fans of Paula McLain's *The Paris Wife* and Amor Towles's *Rules of Civility*, Alice Miller's sweeping debut novel charts the love story of two of literature's most fascinating characters: Georgie Hyde-Lees and her husband, W. B. Yeats. On the eve of World War I, twenty-one-year-old Georgie Hyde-Lees—on her own for the first time—is introduced to the acclaimed poet W. B. Yeats at a soirée in London. Although Yeats is famously eccentric and many years her senior, Georgie is drawn to him, and when he extends a cryptic invitation to a secret society, her life is forever changed. A shadow falls over London as zeppelins stalk overhead and bombs bloom against the skyline. Amidst the chaos, Georgie finds purpose tending to injured soldiers in a makeshift hospital, befriending the wounded and heartbroken Lieutenant Pike, who might need more from her than she is able to give. At night, she escapes with Yeats into a darker world, becoming immersed in the Order, a clandestine society where ritual, magic, and the conjuring of spirits is practiced and pursued. As forces—both of this world and the next—pull Yeats and Georgie closer together and then apart, Georgie uncovers a secret that threatens to undo it all. In bright, commanding prose, debut author Alice Miller illuminates the fascinating and unforgettable courtship of Georgie Hyde-Lees and W. B. Yeats. A sweeping tale of faith and love, lost and found and fought for, *More Miracle than Bird* ingeniously captures the moments—both large and small—on which the fates of whole lives and countries hinge.

Why the Rites of Reconciliation Matter Jul 18 2021 How difficult it can be to forgive others or to accept forgiveness or to accept that someone who had offended the community has been reconciled and accepted back into it. For two millennia Christians have pondered the scope of the forgiveness Jesus taught and lived. They have celebrated practices and rites that have enabled the faithful to forgive, to be forgiven, and to accept that God brings reconciliation even when we find it almost impossible to forgive. This book traces that history to the present, offering a sense not only of how the rites of reconciliation matter to Catholics but how our struggles with forgiveness are a real contribution to reconciliation in our world.

The Brightest Light Jun 28 2022 The Skyway Men have ruled the underworld of the skylands for centuries-- killing, stealing and doing whatever it takes to increase their wealth and power. Pistols, money and fear are their weapons of choice. After a decade exiled to a small piece of farmland that flies the quietest windlanes, Kade is thrust back into the world of death, corruption, shady deals and dirty deeds. But it's just like old times. He doesn't know who to trust. He doesn't know who's on which side. He doesn't even know which side he's on any more. All Kade knows for sure is that murder and mayhem aren't what they used to be.

Urban School Leadership Aug 07 2020 This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political tasks of this role. Effectively combining practical lessons and research, *Urban School Leadership* includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of this difficult job. *Urban School Leadership* is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels. This very practical book is grounded in the important experiences and impressive judgment of one of our nation's most successful school superintendents"—Jon Schnur, co-founder and CEO, *New Leaders for New Schools* "Tom Payzant is one of the finest urban educators of our generation. *Urban School Leadership* is compelling, crisp, and wise—providing a clear path for those dedicated to improving the trajectory of children's lives."—Timothy F.C. Knowles, executive director, Center for Urban School Improvement, University of Chicago "Urban School Leadership is a must read for anyone interested in the landscape of urban public education in America."—Beverly Hall, superintendent, Atlanta Public Schools

China CEO Feb 22 2022 CHINA CEO: A Case Guide for Business Leaders in China Some Western business leaders are moving into China without any clear knowledge of the many pitfalls they will encounter: the weak rule of law, forceful governmental intervention, a scarcity of managerial talent, the likelihood of counterfeiting, the fast paced business environment and surprisingly aggressive local competitors. This book uses case studies to both illuminate and examine these key managerial challenges. Each case focuses on a specific topic and is complemented with commentaries from professors and executives who have extensive front-line experience in China. The cases are the product of three-year research and are well-tested in MBA and executive courses. The authors' philosophy is that readers can learn most effectively through the experience of others captured in real cases! The book includes a broad range of companies, such as Emerson, Eli Lilly, General Motors, Peugeot, Carrefour, Daimler-Chrysler, Picanol. It also includes more personal experiences concerning the many challenges of expatriate-living in China, some of whom have started their own businesses. The book provides concise but insightful analysis to help readers to get the most from the case studies. As a result, this book will help you get better prepared to face the varied challenges you will find in China. These cases complement the material presented in a previous work, China CEO: Voices of Experience from 20 International Business Leaders, also published by John Wiley & Sons.
