Features: Eleven big-band charts arranged by a variety of top writers; Play-along CD with demo track; Solo improvisation opportunities

The Big Bands Mar 18 2021 In this book you will find an astounding 400 biographies that highlight the history and personnel of the great bands. It is organized into four sections: "The Big Bands--Then" (the scene, the leaders, the public, the musicians, vocalists, arrangers and businessmen, recordings, radio, movies and the press); "Inside the Big Bands" (profiles of 72 top bands); "Inside More of the Big Bands" (hundreds of additional profiles arranged by categories ("The Arranging Leaders," "The Horn-playing Leaders," etc.)); and "The Big Bands Now." *The Big Bands* is one of the best books on the subject. It is both readable and an invaluable reference source for the study of jazz standards since many were written by big band leaders or musicians or were popularized through their performances and recordings. The index is comprehensive with names but lists no songs. George T. Simon was one of the original organizers and members of the Glenn Miller Orchestra for which he played the drums. He was also one of the first writers for *Metronome Magazine* where he remained from 1935 until 1955.

How to Play in a Rock Or Jazz Band Aug 11 2020 Remember that scene towards the end of Back to the Future where Marty McFly plays "Johnny B. Goode" with the band at the 1955 high school dance? He gives the band a simple set of instructions for a song they've never heard, and they all tear into it like they've been playing together for 20 years. How could they have played a song that they didn't know and had never heard, without any rehearsal or sheet music in front of them? Was it just movie magic? No, it wasn't! With his simple instructions, McFly told the accompanying band all they needed to know. The band had enough training and experience to interpret those instructions and communicate musically with each other to deliver a very convincing performance. This book, and the accompanying play-along recordings, is designed to give every member of the band, and soloists, that same training and experience. Arming you with the knowledge of scales, chords, harmonic function (music theory), common song structures and forms, as well as the role and function of each member of the band, this collection is as close to playing in real situations as you can get, short of rounding up the rest of the members of a band and playing this material live. Download the Play Along tracks at www.vignessmusic.com

sheets, melody cues and other split-track choices on the included CD, this first-of-its-kind package makes learning to play jazz easier than ever before. FOR STUDY, each tune includes a split-track with: * Melody cue with proper style and inflection * Professional rhythm tracks * Choruses for soloing * Removable bass part * Removable piano part. FOR PERFORMANCE, each tune also has: * An additional full stereo accompaniment track (no melody) * Additional choruses for soloing. Includes 10 songs: Air Mail Special * Christopher Columbus * Four Brothers * In the Mood * Intermission Riff * Jersey Bounce * Opus One * Stompin' at the Savoy * A String of Pearls * Tuxedo Junction.

[Afro-Cuban Big Band Play-Along](#) Aug 03 2022 The Afro-Cuban Big Band Play-Along book and CD gives the drummer/percussionist an opportunity to play contemporary Afro-Cuban music in a big band setting. The book and CD includes six charts from the Grammy(R) Award-winning Caribbean Jazz Project album, Afro-Bop Alliance (featuring Dave Samuels). The tracks, minus the drum/percussion parts, will give the player an opportunity to solo and experiment with a variety of groove and/or style variations.

Jazz Classics Sep 23 2021 (Big Band Play-Along). Easy-to-read, authentic big band parts for ten terrific jazz tunes with a professionally recorded play-along CD that lets instrumentalists perform as part of a big band. Songs: Bags' Groove * Blue 'N Boogie * Blue Train (Blue Trane) * Doxy * Four * Moten Swing * Oleo * Song for My Father * Stolen Moments * Straight No Chaser.

Latin - Tenor Sax Jan 04 2020 (Big Band Play-Along). Big Band Drumming Fill-Osophy Jun 08 2020 The winner of the Drummies! 2014 Best Drumming Book Award, Big Band Drumming Fill-osophy, offers a comprehensive approach to playing and interpreting fills in a big band setting. With advice on how to interpret section and ensemble figures, Steve Fidyk and Dave Black give detailed information that will strengthen the drummer's ability to recognize one-, two-, and four-bar section/ensemble figures quickly and easily. The companion MP3 CD contains over 75 reference and play-along examples extracted from real drum charts. They have been looped or repeated for thorough study. Big Band Drumming Fill-osophy will prove to be an invaluable tool in helping to interpret and play big band drum fills.

Playing Guitar in Jazz Band Oct 01 2019 Playing Guitar in Jazz Band is for beginning to intermediate guitarists who are interested in playing in a jazz big band. Playing this style of guitar can be challenging, as the chord changes are often complex, yet the guitar parts should remain simple enough to avoid detracting from the overall sound of the band. This book breaks down that process by substituting difficult chord shapes with more flexible voicings that are designed to sound good on the guitar. Learn a wide variety of rhythmic patterns and work with authentic chord charts that are exactly like the ones you will encounter in real-life situations. This is the perfect crash course for students who have just joined their first jazz band and the ideal companion for music teachers who want to better understand the role of the guitar in their ensemble. A CD demonstrating the examples from the book is included.

How to play guitar in a big band Feb 03 2020 Improvisation is at the heart of jazz, but knowing how to play stylistically correct in a large jazz ensemble is also a necessity. How to Play Guitar in a Big Band offers tips, suggestions, examples and a play along CD to help you put it all together. The repertoire covers many jazz styles from Basie to Latin and African-influenced music to ECM and contemporary jazz (the Vanguard Jazz Orchestra, Bob Brookmeyer, etc.). Soloist: Bob Sneider.
