*Honeymoon Dive* Aug 19 2021 At 10.42 a.m. on 22 October 2003, while diving on the wreck of the SS Yongala on the Great Barrier Reef, an American tourist photographed his new wife for their honeymoon album. Instead the photo would become a vital police exhibit. On the right-hand side of the shot, Tina Watson's body lay 27 metres down on the ocean floor, one arm outstretched, reaching upwards. This is the photograph that shocked millions across Australia and the US. How could a healthy young woman have died, a mere seven minutes into her dive, when Gabe Watson, her buddy and husband of only eleven days, was a certified rescue diver? And why did he later relay sixteen different versions of what happened that day to other divers, police, friends and family? Did he cold-bloodedly shut off her air or did he panic after claiming her flailing arms dislodged his mask and regulator? When he ascended to the surface, was it to get help or to callously abandon his bride to her ultimate fate? These remain the captivating questions at the heart of this true-life thriller. Researched across two continents, *Honeymoon Dive* is in turns disturbing and enthralling as it painstakingly reconstructs events behind one of Australia's most darkly fascinating tragedies.

**Diving into Love** Jul 06 2020 She already left one fiancé. She didn't need another. When Bree Garrett's former college roommate invites Bree to move to Starlight Ridge, a small tourist town on the Californian coast, she is all too happy to leave the deserts of New Mexico and the memories of her former life. She only has three conditions: One- No one can find out about her fear of water—totally embarrassing when you live next to the ocean. Two- No seafood. She can't stomach it. Yeah, she sees the irony of points number one and two. Three- No blind dates. The last thing she needs is a relationship. Her ex-fiancé would agree. Easier said than done when the only job available is at a surf shop and the owner, Caleb, is under the impression that Bree has applied to be a scuba instructor, and not a cashier, as she had intended. Bree tries to clear up the misunderstanding, but it's hard when she seems to lose her voice—and her breath—every time Caleb is near. How could she not when he happens to be attractive, single and, as it turns out, also doesn't like seafood? Bree and Caleb struggle against the pull of the tide that seems determined to bring them together. But, despite their differences, maybe this is one battle that is okay to lose. *Diving into Love* is the first book in the Starlight Ridge romance series. **The Island of Sea Women** Jan 30 2020 THE NEW YORK TIMES BESTSELLER "A mesmerizing new historical novel" (O, The Oprah Magazine) from Lisa See, the bestselling author of *The Tea Girl of Hummingbird Lane*, about female friendship and devastating family secrets on a small Korean island. Mi-ja and Young-sook, two girls living on the Korean island of Jeju, are best friends who come from very different backgrounds. When they are old enough, they begin working in the sea with their village's all-female diving collective, led by Young-sook's mother. As the girls take up their positions as baby divers, they know they are beginning a life of excitement and responsibility—but also danger. Despite their love for each other, Mi-ja and Young-sook find it impossible to ignore their differences. The *Island of Sea Women* takes place over many decades, beginning during a period of Japanese colonialism in the 1930s and 1940s, followed by World War II, the Korean War, through the era of cell phones and wet suits for the women divers. Throughout this time, the residents of Jeju find themselves caught between warring empires. Mi-ja is the daughter of a Japanese collaborator. Young-sook was born into a long line of haenyeo and will inherit her mother's position leading the divers in their village. Little do the two friends know that forces outside their control will push their friendship to the breaking point. "This vivid...thoughtful and empathetic" novel (The New York Times Book Review) illuminates a world turned upside down, one where the women are in charge and the men take care of the children. "A wonderful ode to a truly singular group of women" (Publishers Weekly), *The Island of Sea Women* is a "beautiful story...about the endurance of friendship when it's pushed to its limits, and you...will love it!" (Cosmopolitan).

**Dive Smack** Feb 10 2021 "A tense psychological drama with a voice that pulls you in and a twist you won't see coming."—Gretchen McNeil, author of *Ten A 2018 Junior Library Guild Selection* Theo Mackey only remembers one thing for certain about the fire that destroyed his home: he lit the match. Sure, it was an accident. But the blaze killed his mom and set his dad on a path to self-destruction. Everything else about that fateful night is full of gaping holes in Theo's mind, for good reason. Maybe it's better that way. As captain of the Ellis Hollow Diving Team, with straight A's and solid friends, he's only one semester away from securing a scholarship, and leaving his past behind. But when a family history project gets assigned at school, new memories come rushing to the surface, memories that make Theo question what he really knows about his family, the night of the fire, and if he can trust anyone—including himself. **Shadow Divers** Dec 11 2020 New York Times Bestseller In the tradition of Jon Krakauer's *Into Thin Air* and Sebastian Junger's *The Perfect Storm* comes a true tale of riveting adventure in which two weekend scuba divers risk everything to solve a great historical mystery—and make history themselves. For John Chatterton and Richie Kohler, deep wreck diving was more than a sport. Testing themselves against treacherous currents, braving depths that induced hallucinatory effects, navigating through wreckage as perilous as a minefield, they pushed themselves to their limits and beyond, brushing against death more than once in the rusting hulks of sunken ships. But in the fall of 1991, not even these courageous divers were prepared for what they found 230 feet below the surface, in the frigid Atlantic waters sixty miles off the coast of New Jersey: a World War II German U-boat, its ruined interior a macabre wasteland of twisted metal, tangled wires, and human bones—all buried under decades of accumulated sediment. No identifying marks were visible on the submarine or the few artifacts brought to the surface. No historian, expert, or government had a clue as to which U-boat the men had found. In fact, the official records all agreed that there simply could not be a sunken U-boat and crew at that location. Over the next six years, an elite team of divers embarked on a quest to solve the mystery. Some of them would not live to see its end. Chatterton and Kohler, at first bitter rivals, would be drawn into a friendship that deepened to an almost mystical sense of brotherhood with each other and with the drowned U-boat sailors—former enemies of their country. As the men's marriages frayed under the pressure of a shared obsession, their dives grew more daring, and each realized that he was hunting more than the identities of a lost U-boat and its nameless crew. Author Robert Kurson's account of this quest is at once thrilling and emotionally complex, and it is written with a vivid sense of what divers actually experience when they meet the dangers of the ocean's underworld. The story of *Shadow Divers* often seems too amazing to be true, but it all happened, two hundred thirty feet down, in the deep blue sea.

The Rouses found the ultimate cost of chasing their personal challenge: death from what divers dread the most—decompression sickness, or "the bends." **The Dive** Oct 01 2022 The sea was our common home, and I felt our connection went back a very long way -- to a time that predated man's emergence from the water. In 1996, Francisco "Pipin" Ferreras, a native Cuban and a world champion in the dangerous and controversial sport of free diving, met Audrey Mestre, a beautiful French marine biology student who had sought him out in Cabo San Lucas for her research. A passionate romance immediately bloomed between the two, and their love was bonded by a shared fascination with and devotion to the ocean. When the couple moved back to Miami, Audrey took up the sport herself and quickly proceeded to break the female world record (115 meters). They soon became free diving's power couple, testing the limits of their wills and bodies by descending to unthinkable depths, training and touring together, encouraging and motivating each other. Then, on October 12, 2002, in a dive off the coast of the Dominican Republic, tragedy struck: Audrey's attempt to break the world record with a dive of 170 meters ended in her death. Suddenly, Pipin -- haunted by questions, reeling from the loss of his soul mate -- could no longer find solace in the sea that had always been his true home. Now, for the first time, Pipin tells his story. He shares the heart-pounding adventure and fierce competition that fuel the sport of free diving and his own addiction to it. He addresses the controversy that has followed him throughout his career and that spun out of control after Audrey's death. And he relates the haunting story of his relationship with Audrey -- a unique and complicated tale of love and obsession taken to extreme depths.

**Swan Dive** Aug 26 2019 "Don't expect just tulle and toe shoes. In this fascinating insider's tale, NYCB dancer Pazcoguin reveals her world. . . . A striking debut."

—People Award-winning New York City Ballet soloist Georgina Pazcoguin, aka the Rogue Ballerina, gives readers a backstage tour of the real world of elite ballet—the gritty, hilarious, sometimes shocking truth you don't see from the orchestra circle. In this love letter to the art of dance and the sport that has been her livelihood, NYCB's first Asian American female soloist Georgina Pazcoguin lays bare her unfiltered story of leaving small-town Pennsylvania for New York City and training amid the unique demands of being a hybrid professional athlete/artist, all before finishing high school. She pitches us into the fascinating, whirling shoes of dancers in one of the most revered ballet companies in the world with an unapologetic sense of humor about the cutthroat, survival-of-the-fittest mentality at NYCB. Some swan dives are literal: even in the ballet, there are plenty of face-plants, backstage fights, late-night parties, and raucous company bonding sessions. Rocked by scandal in the wake of the #MeToo movement, NYCB sits at an inflection point, inching toward progress in a strictly traditional culture, and Pazcoguin doesn't shy away from ballet's dark side. She continues to be one of the few dancers openly speaking up against the sexual harassment, mental abuse, and racism that in the past went unrecognized or was tacitly accepted as par for the course—all of which she has painfully experienced firsthand. Tying together Pazcoguin's fight for equality in the ballet with her infectious and deeply moving passion for her craft, *Swan Dive* is a page-turning, one-of-a-kind account that guarantees you'll never view a ballerina or a ballet the same way again.
