[In the Land of Good Living](#) Nov 21 2021 A wickedly smart, funny, and irresistibly off-kilter account of an improbable thousand-mile journey on foot into the heart of modern Florida, the state that Russell calls "America Concentrate." In the summer of 2016, Kent Russell--broke, at loose ends, hungry for adventure--set off to walk across Florida. Mythic, superficial, soaked in contradictions, maligned by cultural elites, segregated from the South, and literally vanishing into the sea, Florida (or, as he calls it: "America Concentrate") seemed to Russell to embody America's divided soul. The journey, with two friends intent on filming the ensuing mayhem, quickly reduces the trio to filthy drifters pushing a shopping cart of camera equipment. They get waylaid by a concerned citizen bearing a rifle; buy cocaine from an ex-wrestler; visit a spiritual medium. The narrative overflows with historical detail about how modern Florida came into being after World War II, and how it came to be a petri dish for life in a suddenly, increasingly diverse new land of minority-majority cities and of unrivaled ethnic and religious variety. Russell has taken it all in with his incomparably focused lens and delivered a book that is both an inspired travelogue and a profound rumination on the nation's soul--and his own. It is a book that is wildly vivid, encyclopedic, erudite, and ferociously irreverent--a deeply ambivalent love letter to his sprawling, brazenly varied home state.

Discovering the Miracle of the Scarlet Thread in Every Book of the Bible Jun 24 2019 Yes you can understand the Bible! Discovering the Miracle of the Scarlet Thread in Every Book of the Bible takes the mystery and confusion out of the Bible and makes God's Word come alive with new insights and a fresh excitement that will have you searching for more. Dr. Richard Booker unveils the mysteries and secrets of the Bible by explaining its master theme, and then reveals a simple plan so you can discover God's personal revelation for yourself. The author provides exciting biblical background, an interesting survey of each book in the Bible, each book's master theme, practical principles, forms, and guidelines for your own life-enriching Bible study. The sometimes hard-to-understand teachings of Jesus in their original culture and context come alive and become real through discovering the miracle of the scarlet thread. Then Jesus began to explain everything which had been written in the Scriptures about Him. Jesus started with the books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you think about His Word His life-changing and eternal Word.

Unto a Good Land Aug 19 2021 "Unto a Good Land offers a distinctive narrative history of the American people -- from the first contacts between Europeans and North America's native inhabitants, through the creation of a modern nation, to the standing of the United States as a world power. Written by a team of distinguished historians led by David Edwin Harrell, Jr. and Edwin S. Gaustad, this textbook shows how grasping the uniqueness of the bAmerican experiment depends on understanding the role of religion as well as social, cultural, political, and economic factors in shaping U.S. history. A common shortcoming of most United States history textbooks is that while, in recent decades, they have expanded their coverage of social and cultural history, they still tend to shortchange the role of religious ideas, practices, and movements in the American past. "Unto a Good Land addresses this shortcoming in a balanced way. The authors recognize that religion is only one of many factors that have influenced our past -- one, however, that has often been neglected in textbook accounts. This volume gives religion its appropriate place in the story." Unprecedented coverage of the forces that have shaped the history of the United States While none of America's rich history is left out, this volume is the first U.S. history textbook to give serious attention to the religious dimension of American life. This textbook is not a religious history; instead, it offers an account of American history that includes religious ideas, practices, and movements whenever they played a shaping role. "Comprehensive and current This volume traces the American story from the earliest encounters between the first North American inhabitants and Europeans through the 2004 presidential election. Complete and balanced treatment is also given to issues of gender, race, and ethnicity, as well as cultural, political, and economic forces." A clear and compelling narrative The authors are more than expert historians; they are also talented writers who recognize history to be the retelling of human life. United by a seamless narrative structure, these chapters restore the history to history. "Multiple formats specially designed for flexible classroom use "Unto a Good Land is available as a single hardcover edition or as two paperback volumes, offering maximum flexibility when adapting curriculum for one- and two-semester courses in U.S. history. The two paperback volumes can be used for U.S. history survey courses divided at 1865 or 1900 -- or at any date in between." Informative special features to complement the text In addition to the book's exceptional narrative, an array of special features enhances the instructional value of the text and points students to resources for further study. "Includes assistance for teaching and test preparation The instructor's manual for "Unto a Good Land provides helpful suggestions for lesson plans and assignments, and the test bank provides multiple-choice and essay questions for use as study aids, quizzes, or tests." Suitable for instruction at both secular and religious colleges and universities Drawing on their experience in both secular and religious schools, the authors have ensured that this textbook is suitable for U.S. history classes in a wide variety of settings.

[A Promised Land](#) Jun 04 2020 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making--from the president who inspired us to believe in the power of democracy -- and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency--a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective--the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day. 'What is unexpected in A Promised Land is the former president's candour' David Olusoga, Observer

African Land Questions, Agrarian Transitions and the State Mar 02 2020 This empirically grounded study provides a critical reflection on the land question in Africa, research on which tends to be tangential, conceptually loose and generally inadequate. It argues that the most pressing research concern must be to understand the precise nature of the African land question, its land reforms and their effects on development. To unravel the roots of land conflicts in Africa requires thorough understanding of the complex social and political contradictions which have ensued from colonial and post-colonial land policies, as well as from Africa's 'development' and capital accumulation trajectories, especially with regard to the land rights of the continent's poor. The study thus questions the capacity of emerging neo-liberal economic and political regimes in Africa to deliver land reforms which address growing inequality and poverty. It equally questions the understanding of the nature of popular demands for land reforms by African states, and their ability to address these demands under the current global political and economic structures dictated by neo-liberalism and its narrow regime of ownership. The study invites scholars and policy makers to creatively draw on the specific historical trajectories and contemporary expression of the land and agrarian questions in Africa, to enrich both theory and practice on land in Africa.

*The Good Land in which We Live. A Discourse, Etc* May 16 2021

**Mewassin: The Good Land** Sep 19 2021 The fur trade that rode the Canadian river highway from York factory to the West was dwindling, and the settlers, following the missionaries, are moving in to claim the new land. John and Adolphe, among these early pioneers, emigrated from Scotland and France to travel west, where they meet Father Lacombe, Louis Riel, and the women who will teach them how to straddle two cultures. Métis women, fairer than the men, and uncommonly pretty, open the eyes of these voyagers, their minds, and their hearts. "Once again, Lillian Ross has demonstrated her knowledge of and compassion for Canadian history. Mewassin: The Good Land is a clever portrayal of history through the eyes of the people who made it." – Eric J. Brown, Magnolia Press, author of *Ginny & Anna* "Mewassin: The Good Land is filled with great characters, stirring events, and much history. It is a great read, and possibly her best yet!" – Charles O. Goulet, historical novelist

**Carriage of Goods by Sea, Land and Air** Dec 11 2020 Written by a combination of top academics, industry experts and leading practitioners, this book offers a detailed insight into both unimodal and multimodal carriage of goods. It provides a comprehensive and thoroughly practical guide to the issues that matter today on what is a very complex area of law. From the papers delivered at the 8th International Colloquium organised by Swansea Law School's prestigious Institute of International Shipping and Trade Law, this original work considers current opinions, trends and issues arising from contracts of carriage of goods by sea, land, air, and multi-modal combinations of these, not to mention the legal position of vital participants such as freight forwarders, terminal operators and cargo insurers. The topics under discussion range through issues such as paperwork, piracy, liability for defective containers, damage in transit, the CMR Convention, and the possible effects of the Rotterdam Rules. An indispensable resource for transport lawyers, industry professionals, academics and post-graduate students of maritime law.

**The Wonderful Wizard of Oz** Jul 06 2020 Travel to the land of Oz with Dorothy and find out what inspired the forthcoming film blockbuster *Oz: The Great and Powerful*

**My Mother's Land** Nov 29 2019 Finally living her dream of teaching in Spain, Dena is on top of the world—until she receives a call that her mother is in the hospital. When her mom passes away, Dena is left with the helpless sorrow that comes when you've lost a piece of your heart. Time passes, but she feels stuck. She decides the only way she can truly move forward is to take a few steps back and return to her mother's home town: Monrovia, Liberia. As Dena sets out to uncover her mother's pre-war life, in a post-war nation, equipped with little more than optimism and an invitation from an aunt she barely knows, she expects to meet a few relatives and maybe see the house her mother grew up in. What she finds is a country bursting with natural beauty and idiosyncrasies, feisty yet hospitable family members, dreary rainstorms and mouthwatering cuisine. Despite an unexpected language barrier in an English-speaking country, Dena begins to feel at home, finding that life there involves a little bribery, a lot of laughs... and a great deal of self-discovery.

**Tourism, Land Grabs and Displacement** Nov 09 2020 This book examines the global scope of tourism-related grabbing of land and other natural resources. Tourism is often presented as a peaceful and benevolent sector that brings people from different cultural backgrounds together and contributes to employment, poverty alleviation, and global sustainable development. This book sheds light on the lesser known and much darker side of tourism as it unfolds in the Global South. While there is no doubt that tourism has been an engine of economic growth for many so-called developing countries, this has often come at the cost of widespread dispossession and displacement of Indigenous and non-Indigenous communities. In many countries of the Global South, tourism development is increasingly prioritised by governments, businesses, international financial institutions and donors over the legitimate land and resource rights of local people. This book examines the actors, drivers, mechanisms, discourses and impacts of tourism-related land grabbing and displacement, drawing on more than thirty case studies from Latin America and the Caribbean, sub-Saharan Africa, South and Southeast Asia, the Middle East and the Southwest Pacific. The book provides solid grounds for an informed debate on how different actors are responsible for the adverse impacts of tourism on land rights infringements, what forms of resistance have been deployed against tourism-related land grabs and displacement, and how those who have violated local land and resource rights can be held accountable. Tourism, Land Grabs and Displacement will be essential reading for students and scholars of land and resource grabbing, tourism studies, development studies and sustainable development more broadly, as well as policymakers and practitioners working in those fields.

**This Tender Land** Feb 22 2022 INSTANT NEW YORK TIMES BESTSELLER! "If you liked *Where the Crawdads Sing*, you'll love *This Tender Land*... This story is as big-hearted as they come." –Parade The unforgettable story of four orphans who travel the Mississippi River on a life-changing odyssey during the Great Depression. In the summer of 1932, on the banks of Minnesota's Gilead River, Odie O'Banion is an orphan confined to the Lincoln Indian Training School, a pitiless place where his lively nature earns him the superintendent's wrath. Forced to flee after committing a terrible crime, he and his brother, Albert, their best friend, Mose, and a brokenhearted little girl named Emmy steal away in a canoe, heading for the mighty Mississippi and a place to call their own. Over the course of one summer, these four orphans journey into the unknown and cross paths with others who are adrift, from struggling farmers and traveling faith healers to displaced families and lost souls of all kinds. With the feel of a modern classic, *This Tender Land* is an enthralling, big-hearted epic that shows how the magnificent American landscape connects us all, haunts our dreams, and makes us whole.

**The Best Land Under Heaven: The Donner Party in the Age of Manifest Destiny** Aug 07 2020 "A book so gripping it can scarcely be put down. . . . Superb." – New York Times Book Review "WESTWARD HO! FOR OREGON AND CALIFORNIA!" In the eerily warm spring of 1846, George Donner placed this advertisement in a local newspaper as he and a restless caravan prepared for what they hoped would be the most rewarding journey of a lifetime. But in eagerly pursuing what would a century later become known as the "American dream," this optimistic-yet-motley crew of emigrants was met with a chilling nightmare; in the following months, their jingoistic excitement would be replaced by desperate cries for help that would fall silent in the deadly snow-covered mountains of the Sierra Nevada. We know these early pioneers as the Donner Party, a name that has elicited horror since the late 1840s. With *The Best Land Under Heaven*, Wallis has penned what critics agree is "destined to become the standard account" (Washington Post) of the notorious saga. Cutting through 160 years of myth-making, the "expert storyteller" (True West) compellingly recounts how the unlikely band of early pioneers met their fate. Interweaving information from hundreds of newly uncovered documents, Wallis illuminates how a combination of greed and recklessness led to one of America's most calamitous and sensationalized catastrophes. The result is a "fascinating, horrifying, and inspiring" (Oklahoman) examination of the darkest side of Manifest Destiny.

**Stranger in a Strange Land** Apr 02 2020 The original uncut edition of *STRANGER IN A STRANGE LAND* by Hugo Award winner Robert A. Heinlein – one of the most beloved, celebrated science-fiction novels of all time. Epic, ambitious and entertaining, *STRANGER IN A STRANGE LAND* caused controversy and uproar when it was first published and is still topical and challenging today. Twenty-five years ago, the first manned mission to Mars was lost, and all hands presumed dead. But someone survived... Born on the doomed spaceship and raised by the Martians who saved his life, Valentine Michael Smith has never seen a human being until the day a second expedition to Mars discovers him. Upon his return to Earth, a young nurse named Jill Boardman sneaks into Smith's hospital room and shares a glass of water with him, a simple act for her but a sacred ritual on Mars. Now, connected by an incredible bond, Smith, Jill and a writer named Jubal must fight to protect a right we all take for granted: the right to love.

**Disputed Land** Oct 28 2019 Leonard and Rosemary Cannon summon their middle-aged offspring, along with partners and children, to the family home in the Welsh Marches for the Christmas holiday. As the gathered family settle in to their first Christmas together for some years, the grown siblings – Rodney, Johnny and Gwen – are surprised when they are invited to each put stickers on the furniture and items they wish to inherit from their parents. *Disputed Land* is narrated by Leonard and Rosemary's thirteen-year-old grandson, Theo, who observes how from these innocent beginnings age-old fissures open up in the relationships of those around him.

**Good Land** Jul 18 2021 An unsentimental memoir of forty years of farming on the High Plains of Kansas chronicles the author's childhood memories of unending hard work, his relationship with his taskmaster father, his initiation into mechanized farming, and the impact of progress on his family. IP.

**The Eternal Church** Aug 26 2019 Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present.

**A World of Good** Sep 07 2020 My journey from Jerusalem to the USA is filled with inspiration and perseverance.

**Protecting our water, soil and air** Mar 14 2021 This code (CoGAP) consolidates and updates the former three separate codes for water, soil and air. The publication offers practical interpretation of legislation and provides good advice on best practice; 'good agricultural practice' means a practice that minimises the risk of causing pollution while protecting natural resources and allowing economic agriculture to continue. It has been written by technical specialists from Defra and Natural England. All farm staff and contractors on the farm who handle, store, use, spread or dispose of any substances that could pollute water, soil or air should be aware of their responsibilities and know about the causes and results of pollution. They should know how and when to operate and maintain the equipment they use, and know what to do in an emergency. The CoGAP provides an important point of reference, based around the main operations that farmers, growers and land managers might undertake; the advice covers activities carried out in the field, but also management plans, farm infrastructure and waste management.

Finding Good Farmland Jan 24 2022 Buying farmland is a major investment, so be sure you make an informed choice. This practical guide covers every factor you should consider before making a purchase, including government regulations, residential concerns from the surrounding area, soil conditions, and savvy financing. Whether you intend to grow abundant crops or graze a robust herd of livestock, Finding Good Farmland provides a roadmap to the land that's right for you.

The Land of Good Dreams Apr 14 2021 Just when she lost everything, ... a mysterious world of light welcomes her in. For Samantha, life isn't fair, not even close. Now in new foster care, and a new school, emptiness and loneliness consume her. This new family has promise, but it's hard for her to hope for things. Can this family's love be enough to give Samantha a chance to start over? The chronic nightmares are not helping. If only she could end the suffering of reliving that tragic night, unable to alter the outcome. In an unexpected twist of events, Samantha finds herself in The Land of Good Dreams. Where animals talk, flowers giggle, and light overcomes darkness. This world offers her amazing adventures with unique friendships, especially with the boy she shares a close connection with. There is something special about this place, and the more time she spends there, the spark of hope grows. If you love uplifting stories and engaging characters, with some enchanting fantasy, this book is for you. Get it now to start enjoying this young adult coming of age fantasy fiction story.

Goleta Mar 26 2022

Two wars generations apart, two women brought inextricably together.

The Last Good Land Sep 27 2019 Books studying the presence of Spain in American literature, and the possible influence of Spain and its literature on American authors, are still rare. In 1955 appeared a pioneer work in this field - Stanley T. Williams' *The Spanish Background of American Literature*. But that book went no further than W.D. Howells' *Familiar Spanish Travels*, published in 1913. *The Last Good Land* covers most of the twentieth century, including such groups as the Lost Generation and African American writers and exiles. It also considers then recent revolution in Spanish cultural and historical thought introduced by Américo Castro, which several American writers discussed in this volume may be said to have anticipated. Recent studies have expanded on Williams' volumes, but in the majority of cases these works limit their scope to a single period (the nineteenth century, the Spanish Civil War), a movement (predominantly Romanticism) or authors known for their interest in Spain (Irving, Hemingway). The result is often a lack of continuum, or the exclusion of such authors as Saul Bellow, William Gaddis or Richard Wright. Within American literature itself, *The Last Good Land* contains revisions of traditional interpretations of certain writers, including Hemingway. The variety of authors treated, both in respect to ethnicity and gender, guarantees a varied and global view of Spanish culture by American writers.

Unto a Good Land; Aug 31 2022

Show Me Good Land Apr 26 2022 Set in fictional Fort Angus, Maine, *Show Me Good Land* tells the story of a small rural town struggling with poverty and decay after decades of prosperity. Loosely linked through a grisly murder, its characters must navigate the ambiguous moral landscape of a waning community. It is a moving, sometimes melancholy, often funny novel about family, community, loss, redemption, and coming home. The pleasure lies in exploring the personalities of the characters, none of whom are all good or all bad, and eventually deciding where the reader's own moral lines are drawn. Not since Carolyn Chute's *The Beans of Egypt, Maine*, has a cast of characters been so shocking, beautifully rendered, and ultimately likeable.

The Good Land Jul 30 2022 15-year-old Carolyn Pierce is struggling to find her place in the adult world, despite being the youngest in her family, but when she meets a strange new immigrant family, she learns hard lessons about life and need.

Cloud Cuckoo Land (Large Print Edition) May 04 2020 Follows four young dreamers and outcasts through time and space, from 1453 Constantinople to the future, as they discover resourcefulness and hope amidst peril.

Land Healer Feb 10 2021 'Jake Fiennes is changing the face of farming in Britain... a revolutionising force' *Isabella Tree* Our relationship with our land is broken: we must heal it. Jake Fiennes is on a mission to change the face of the English countryside. As Conservation Manager at Holkham in Norfolk, one of the country's largest historic country estates, his radical habitat restoration and agricultural work has nurtured its species and risen its crop yields - bringing back wetlands, hedgerows, birds and butterflies over 25,000 acres of land. But this isn't rewilding - there is no 'wild' in Britain anymore. Mass farming, crop science and industrial chemicals have destroyed the majority of our natural landscape and wildlife over the last century. *Land Healer* is the story of Fiennes's ambition to bring back our flora and fauna - by reclaiming our traditions and trialling new experiments which could restore our symbiosis with our land, and save our shared future. Following the farming year and the natural cycle of the seasons, *Land Healer* chronicles a life of conservation lived at the edges, and is a manifesto for rethinking our relationship with the natural world before it's too late. 'One of the motive forces behind this new way of looking at the land' - Tony Juniper, chair of Natural England

The Gift of Good Land Nov 02 2022 The essays in *The Gift of Good Land* are as true today as when they were first published in 1981; the problems addressed here are still true and the solutions no nearer to hand. The insistent theme of this book is the interdependence, the wholeness, the oneness of people, land, weather, animals, and family. To touch one is to tamper with them all. We live in one functioning organism whose separate parts are artificially isolated by our culture. Here, Berry develops the compelling argument that the "gift" of good land has strings attached. We have it only on loan and only for as long as we practice good stewardship.

The Good Earth Jul 26 2019 A Chinese peasant overcomes the forces of nature and the frailties of human nature to become a wealthy landowner.

On Good Land Dec 23 2021 Chronicles the life of the one-hundred-year-old Fairview Gardens, a thriving farm in the heart of suburban Santa Barbara

The All-Inclusive Christ Oct 21 2021

Clap When You Land Jan 30 2020 The stunning New York Times bestselling novel from the 2019 Carnegie Medal winning, Waterstones Book Prize shortlisted author of *THE POET X*. 2020 Goodreads Choice Award Winner of *CLAP WHEN YOU LAND*. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance - and Papi's secrets - the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like they've lost everything of their father, they learn of each other. In a dual narrative novel in verse that brims with both grief and love, award-winning and bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives.

A Good Tax Oct 09 2020 In *A Good Tax*, tax expert Joan Youngman skillfully considers how to improve the operation of the property tax and supply the information that is often missing in public debate. She analyzes the legal, administrative, and political challenges to the property tax in the United States and offers recommendations for its improvement. The book is accessibly written for policy analysts and public officials who are dealing with specific property tax issues and for those concerned with property tax issues in general.

The Good Land Oct 01 2022 God's country isn't found on a map. It's found in His presence. From Best-Selling Author John Eckhardt... When God delivered the people of Israel, He brought them into a good land, flowing with milk and honey. The good land is a picture of kingdom living. As the people of God, we enter the good land through Jesus Christ and possess it by faith. The good land is a place of blessing, redemption, and restoration. It is a land of goodness, abundance, prosperity, excellence, refreshing, beauty, nourishment, blessing, satisfaction, plenty, and glory. In it, we inherit and enjoy the promises of God. The good land is God's country. The good land is the kingdom. Using biblical and prophetic teaching, this book will give you a revelation of the peace, joy, and righteousness you can dwell in when you understand that you dwell in the good land. God promised the land to Abraham and his seed, and now through Christ, everyone can

dwell in the land God has given--the land where all of the promises of God are yes and amen (2 Cor. 1:20). The good land is God's country. The good land is the kingdom. Get the revelation of what it means to dwell in the land God has ordained for your life, and endless peace, joy, goodness, refreshing, and satisfaction will be yours for the rest of your days.

Somewhere, Home Jun 16 2021 This remarkable novel tells the story of three women, each of them far from where they came, all of whom are still searching for somewhere that can be called home. This book was published by Heinemann in 2004. It has been out of print since 2005.

Unto a Good Land Jan 12 2021 Introducing a New U.S. History Text That Takes Religion Seriously Unto a Good Land offers a distinctive narrative history of the American people -- from the first contacts between Europeans and North America's native inhabitants, through the creation of a modern nation, to the 2004 presidential election. Written by a team of highly regarded historians, this textbook shows how grasping the uniqueness of the "American experiment" depends on understanding not only social, cultural, political, and economic factors but also the role that religion has played in shaping U. S. history. While most United States history textbooks in recent decades have expanded their coverage of social and cultural history, they still tend to shortchange the role of religious ideas, practices, and movements in the American past. Unto a Good Land restores the balance by giving religion its appropriate place in the story. This readable and teachable text also features a full complement of maps, historical illustrations, and "In Their Own Words" sidebars with excerpts from primary source documents.
