**Tactics** Dec 09 2020 In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. Soon, your conversations will look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl shows you how to: - Initiate conversations effortlessly - Present the truth clearly, cleverly, and persuasively - Graciously and effectively expose faulty thinking - Skillfully manage the details of dialogue - Maintain an engaging, disarming style even under attack *Tactics* provides the game plan for communicating the compelling truth about Christianity with confidence and grace.

**Game Plan Selling** Aug 05 2020 In today's technology-saturated world, information is cheap. The Internet has changed everything for prospects--not to mention for the salespeople who hope to win their business. Prospects no longer need that big sales pitch touting all the features and benefits of a product. What's more, they have come to resent old-school selling techniques. As Marc explains in *Game Plan Selling*, winning the business of well-informed prospects is very similar to winning in sports. Consistent success--both in sales and on the field--requires a distinct strategy, a repeatable process and a clear plan to execute with commitment and passion. In this highly practical book, you will learn how to: \*Separate yourself from the competition; \*Use a simple system to close sales more quickly and with greater frequency; and \*Create a personal selling plan to virtually guarantee success.

**The Game Plan** Oct 31 2022 A beard-related dare and one hot-as-hell kiss changes everything. NFL center Ethan Dexter's focus has always been on playing football and little else. Fi doesn't know what to make of Dex. The bearded, tattooed, mountain of man-muscle looks more like a biker than a football player. Rumor has it he's a virgin, but she finds that hard to believe. Because from the moment he decides to turn his quiet intensity on her she's left weak at the knees and aching to see his famous control fully unleashed. Fi ought to guard her heart and walk away; they live vastly different lives in separate cities. And Dex is looking for a forever girl. But Dex has upped his game and is using all his considerable charm to convince Fi he's her forever man.

**Game Plan** Nov 07 2020 Going to college brings a time of discovery. Are you ready for what lies ahead? How will you fare going to college -- leaving behind the safety of home, community, and church? How will you keep your faith in college? Drawing on their own experiences and years of ministry to young men and women during this transition of going to college, Nic and Syler provide a game plan you can follow to survive and thrive, to live out your faith in college. I highly recommend it." -Paul Copan, Professor and Pledger Family Chair of Philosophy and Ethics, Palm Beach Atlantic University "Get this book into the hands of your college bound students and children! Shannon Marion, National Field Director, InterVarsity Christian Fellowship "For every student headed to college, this is a must-read.
