Diary of the Lost Teenage Oct 07 2020 After surviving an attempted suicide, Tom Jones, a shy Christian adolescent, learns to use writing in his diary as a means of communicating with himself as his family settles in on a new life in West Texas. High school football in Texas seems to be the states' unofficial religion, yet it's the emerging of television, "the new God," that starts to have a stronghold in shaping Tom's newly found pop culture world of the 1970's. "The Game" begins when star quarterback Reggie Thomas moves in across the street and takes Tom under his wing, tutoring Tom on the road to the end of innocence. Will the duo score on a last ditch drive to escape with their souls intact, or will they find out how easy it is to get lost in the forbidding world of sex, drugs, and rock and roll? Just as the Stone Age and Ice Age were both lost to history, Tom's diary journals how the Teen Age somehow got lost in history as this page-turner continues to unfold masterfully, sure to leave readers laughing at the anecdotes on an unforgettable journey down memory lane.

The Giving Tree Mar 31 2020 As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. The Road Nov 27 2019 The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year.

Listening for Lions Jun 22 2019 A critically acclaimed historical novel "that roars" (Kliatt), from the author of the National Book Award-winning novel *Homeless Bird*. Africa is the only home Rachel Sheridan has ever known. But when her missionary parents are struck with influenza, she is left vulnerable to her family's malicious neighbors. Surrounded by greed and lies, Rachel is entangled in a criminal scheme and sent to England, where she's forced into a life of deception. Like the lion, she must be patient and strong, awaiting the moment when she can take control of her own fate—and find her way home again at last. Named one of New York Public Library's One Hundred Titles for Reading and Sharing, this tale of a strong young heroine "in the tradition of Frances Hodgson Burnett" (School Library Journal), by award-winning master of historical fiction Gloria Whelan, is a perfect read for schools and classrooms, as well as for fans of *A Long Walk to Water* by Linda Sue Park.

Arc of Justice Sep 25 2019 An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.

How the Word Is Passed May 02 2020 ONE OF BARACK OBAMA'S FAVOURITE BOOKS OF THE YEAR A NUMBER ONE NEW YORK TIMES BESTSELLER LONGLISTED FOR THE NATIONAL BOOK AWARD FOR NON-FICTION 'A beautifully readable reminder of how much of our urgent, collective history resounds in places all around us that have been hidden in plain sight.' Afua Hirsch, author of *Brit(ish)* Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks - those that are honest about the past and those that are not - which offer an intergenerational story of how slavery has been central in shaping a nation's collective history, and our own. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate

soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our most essential stories are hidden in plain view - whether in places we might drive by on our way to work, holidays such as Juneteenth or entire neighbourhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women and children has been deeply imprinted. *How the Word is Passed* is a landmark book that offers a new understanding of the hopeful role that memory and history can play in making sense of the United States. Chosen as a book of the year by President Barack Obama, *The Economist*, *Time*, the *New York Times* and more, fans of Brit(ish) and Natives will be utterly captivated. What readers are saying about *How the Word is Passed*: 'How the Word Is Passed frees history, frees humanity to reckon honestly with the legacy of slavery. We need this book.' Ibram X. With the help of his beautiful school teacher Rebecca, (dishonored many times by Turkish soldiers) they flee their village only to face constant life-threatening danger wherever they went; as the barbaric Turkish soldiers continue to pursue them. By nourishing the light within ourselves, we find strength we never knew was there....I came to realize that one's own life experiences are not theirs to keep but ours to teach."

Principle Or Profit Mar 12 2021 Ever since Malcolm James was a child, cold blooded murder has played a significant part in his life. Whether it be from both of his parents being brutally assassinated right in front of him, or having blood on his own hands, murder has been his reality. Constantly haunted and consumed by his own actions, the only thing stronger than Malcolm's thirst for blood, is his hunger for money and power! Flooding the crime ridden and gang infested inner city streets of Denver, Colorado with Cocaine and pounds of Kush, grindin, as his "Gang Green" squad of misfits commit robberies, mayhem and murder while on their way to the top. However, the sudden murder of Malcolm's friend and right hand man, not only cause the homicide rate to shoot through the roof, but also derails their mission. All while Malcolm battles with a dark secret brewing deep down inside, at which only "Tear Drop and Buds" are able to recognize and tame. Both OG's in the game graduating to bosses of a mountain west and west coast black underworld syndicate, whom eventually put Malcolm on the payroll as a triggerman, which of course leads to more problems, money, women, and deadly consequences. Why Principle or Profit you ask? Because nine times outta ten every time a life is taken out in these streets, it's a direct result of one or the other. To profit is self explanatory; however, principle could be ones personal belief, or even a weak emotion like jealousy and greed, to killing over territory, a debt, turf, stripes, or other principles of the streets. At the end of the day we all gotta go, so which one are you willing to die for?

Elmore wants the small person to go back to wherever it came from. Then, one night, everything changes. . . .
