*A Scrapbook For Summer* Jun 24 2019 Sixteen thousand people gather in the shadows of Battersea Power Station for the Shine Walk, a marathon trek around London in aid of Cancer Research. Among them is Ben, taking the place of his free-spirited girlfriend, Summer, who has recently lost her battle with cancer. Haunted by guilt, the Shine Walk is one last thing he must do for her. But what starts out as a wretched evening for Ben develops into a journey of redemption after he meets the seemingly unremarkable Annie. When Ben first met Summer, she inspired him to start his scrapbook of tales from London's past. Now, as he walks, Ben recounts extracts from his scrapbook and, encouraged by Annie, slowly finds the courage to tell the story of his relationship with Summer – a relationship inextricably linked to locations they pass, including Battersea Park and its little, brown dog statue, and the Natural History Museum, home of the cursed Deadly Purple Sapphire. But it is only when they reach Tower Bridge that Ben finally reveals Summer's deepest secrets – secrets that drove Ben and Summer apart. *A Scrapbook for Summer* is a beautifully told tale of love and loss interwoven with wonderful stories from London's rich history – a truly original book that will capture both your head and your heart in equal measure. Inspired by novels such as *One Day* by David Nichols and *The Time Traveler's Wife* by Audrey Niffenegger, *A Scrapbook for Summer* will appeal to fans of romance and historical fiction alike.

**Dark Against the Sky** Jan 12 2021 *Dark Against the Sky: Sweeping the Shadows* continues the tale of Tommy Simpson, a climbing boy (or your chimney sweep) in the streets of London in 1834, that began in *Dark Against the Sky: A Climbing Boy's Story*. Tommy has been re-united with his father, who is working again as a cobbler while Tommy helps his costermonger friends, the Meechams. Yet the shadow of the master sweep Kelly looms over their lives. When Kelly decides to rob Dr. Merriweather, he gets Tommy and his street friends to trail Kelly to his hide-out – but they cannot find the silver. As Kelly threatens Tommy by seizing his friend Peter and his girlfriend Jenny, Tommy must use all his skills to rescue them and put Kelly in gaol. The language used to describe these scenes chimes with bell-like accuracy and vivid images. . . . All ages will become entranced by this fast-paced historical tale." He renders the squalor of 19th century London in prose that is as precise as it is palpable. . . . *Dark Against the Sky* is an authentic, evocative and classic portrayal of the human capacity to endure. It is a winning tale." Blueink review

**Wisdom, the Midway Albatross** May 04 2020 The oldest wild bird in the world faced yet another danger when the Japanese Tsunami struck Midway Island where she lives. This is Wisdom's astounding story of survival of manmade and natural disasters for over 60 years. She has survived the dangers of living wild, plastic pollution, longline fishing, lead poisoning, and the Japanese earthquake. At 65+ years old, she's still alive and still laying eggs and hatching chicks. A must-read true story to capture the imagination of children of any age. Darcy Pattison's *Wisdom, the Midway Albatross* inspires young scientists and nature lovers with a true story of an individual animal in an easy to read format with captivating illustrations. It's the first of a series of fascinating animal biographies for elementary readers. Pattison's science-related books bring kids face to face with the basic questions of science and help them think like scientists. You'll be awed and inspired as you read this amazing story of survival and hope amidst the difficulties of life. As you read it, think of this majestic albatross soaring over the deep blue sea, wild and free. WHAT THEY ARE SAYING ABOUT THIS BOOK: "It's marvelous! I LOVE it! And I got a lump in my throat, tears! And I'm a biologist! Your book is beautiful, meaningful, simple, elegant.....thank you for caring, thank you for sharing this story!" Kim Rivera, National Seabird Coordinator, NOAA Fisheries, Deputy ARA, Protected Resources Division, Alaska Region "Wisdom's story makes my heart soar." Kirby Larson, author of *Two Bobbies: A True Story of Hurricane Katrina, Friendship and Survival* and Winner of the Newbery Honor for *Hattie Big Sky*. "On December 10, 1956, early in my first visit to Midway, I banded 99 incubating Laysan Albatrosses in the 'downtown' area of Sand Island, Midway. Wisdom (band number 587-51945) is still alive, healthy, and incubating again in December 2011. While I have grown old and gray and get around only with the use of a cane, Wisdom still looks and acts just the same as on the day I banded her. . . remarkable true story. . . beautifully illustrated in color." Chandler S. Robbins, Sc.D, Senior Scientist (Retired), USGS Patuxent Wildlife Research Center, Laurel, MD. Q & A WITH THE AUTHOR Q - How would you describe your animal biographies? A –Many science and nature books talk about endangered species. Instead, I wanted to tell stories about individual animals. It's not easy to find a story of an individual because so few are tracked across their lifetime. Wisdom's story was amazing because she's been banded since December 10, 1956. While we don't know everything about her life, we can infer a lot by studying the natural history of her habitat. Her life has been impacted by storms – tropical storms, hurricanes, tsunamis—and by every type of pollution that exists in the Pacific Ocean. I find the story of ONE bird much more interesting than the story of an entire species. Q - Why did you want to write science for kids? A –I love the basic questions of science: What happened? Why did it happen? Can you describe and explain this natural phenomenon? I want to inspire kids to think like scientists, to be awed at the world that surrounds them. Ultimately, I hope some of my readers go on to make amazing discoveries, to save the Earth from all sorts of pollutions and dangers, and add to the growing body of knowledge about the planet on which we live. Q - What does it mean to you when readers buy your books? A - It's an honor. I hope that these humble stories of the world around us invoke a sense of wonder and awe. Bringing stories to kids is an amazing privilege. Please—share the books with a kid you love.

**A Foot Soldier for Patton** Sep 19 2021 This candid memoir of a GI serving under Gen. Patton offers a rare glimpse into the realities of life and combat in Europe during WWII. Though Gen. Patton's army is famous for dashing armored attacks, some of the most intensive fighting of World War II was done by Patton's infantry—the foot sloggers who were deployed to reduce enemy strong points. This candid account of the US infantry in the European theater takes the reader from the beaches of Normandy to the conquest of Germany—all through the eyes of an infantryman who had the unique perspective of speaking the enemy's language. A fluent German speaker, Michael Bilder was called upon for interrogations and other special duties. As a combat lifeguard, he also played a key role in successive river crossings. Here, Bilder relates his experiences of infantry life, from German snipers to intoxicated Frenchwomen, to the often morbid humor of combat. He also describes the Battle of Metz in all its horror, as well as the 5th Infantry's drive into the Bulge, where they faced their first winter battle against enemy veterans of Russia.

**FORTY TWO YEARS A SECRET MISTRESS** Nov 21 2021 Jan Prebble was for 42 years the mistress of John Prebble, the writer acclaimed in Scotland for his histories of Glencoe, Culloden and The Highland Clearance, while elsewhere his best known work is the block buster film, Zulu for which he wrote the script. This is not an autobiography written in chronological order but a series of snapshots of a great hot-fired love affair, portraying with humour and feeling some of the difficulties of being a mistress in the days when unmarried couples were not acceptable, the ruses they had to adopt and the extraordinary situations they found themselves in. More than that it takes in not only Jan's own celebrity-interviewing life as a Fleet Street journalist, DJ-protecting days as PRO to Capital Radio and finally her time working for the Prince of Wales, but also fascinating examples of John's unpublished letters, serious and flippant, historical and romantic. It includes untold stories behind his many books and a vivid description of how an author feels when he finishes writing one. The whole story is enhanced by tales of John's sense of fun unexpected perhaps in a man who wrote so eruditely about history.
